

Marshallberg Firemen Give Aid

The Marshallberg Volunteer Fire Department was called Saturday at 4 a. m. to a fire at Gillikin's Brothers Boat Works, Harkers Island, and was on the scene of the fire in 20 minutes.

The building was completely ablaze and the department was unable to save it, but extinguished one boat that was afire on the outside, saved several others and a huge supply of lumber.

The owner of the boat works and residents of Harkers Island expressed their appreciation for the fine job the fire department did.

There will be a pie sale at 7:30 p. m. Saturday night at the community building in Marshallberg to raise much needed funds to keep the department in operation. Pies will sell for \$1 each or 25¢ per slice with coffee.

The fire department wishes to emphasize that the area from Otway to Harkers Island to Willis-ton which was designated to them at the last meeting of all county fire departments is being covered by the Marshallberg department. Any calls will be gladly answered at any time but the fire department reminds these communities to realize that this is an expensive operation. Any donations will be greatly appreciated.

The Marshallberg volunteer fire department phone number, day or night, is Park 9-3247.
