

Small Frys Keep Perfect Record With Victory over Moose Monday

The Small Frys staked Rodney Kemp to a seven-run lead in the first five innings and then hung on to take an 8-5 decision over the Moose in a Morehead City Little League game Monday. The Small Frys are still undefeated.

Kemp blanked the Moose for the first four innings on three hits. In the fifth inning the Moose sent 10 batters to the plate and scored five runs before Robert Griffin went to the mound to relieve Kemp.

Griffin struck out Donald Oglesby for the third out and blanked the Moose in the sixth inning to preserve Kemp's victory.

Rudy Lucas was the leading batter for the winners with three for four. Allen Colenda, Billy Fahy and Art Ackerson hit safely twice during the contest. Robert McLean was the losing pitcher. He gave up 11 hits.

John Lee, Tommy Briscoe, Wayne Blanchard and Harry Litton each chipped in with two hits off Elks pitchers. Billy White hit a double and single in three trips to the plate to lead the losers.

Moose Win

The Moose outlasted the Elks Wednesday to score a 32-23 victory in a wild and woolly ball game. It was the first victory of the year for the Moose, who suddenly found their hitting shoes. They banged out 26 hits in scoring their 32 runs.

The Elks took a 3-0 lead in the first inning only to see the Moose score five runs in the top of the second. The Elks came back with one in the second; the Moose scored two in the third and in the bottom of the third the Elks racked up nine runs.

In the fourth inning the Moose scored three and the Elks pushed four runs across. The fun began in the fifth inning when the Moose scored 11 runs and added 11 more in the sixth. The Elks battled back in the sixth to score six runs but it was too little too late.

Donald Oglesby of the Moose had a field day at the plate. He hit three homers, one with the bases loaded. Bennie Eubanks also smashed out a bases-loaded homer, his coming in the Elks nine-run rally in the third inning.

Robert McLean hit one homer and three singles; Oglesby hit three homers and one double, Guy Dickinson got four hits and Jimmy Hall got three. Eddie West had the most hits for the Moose, though, with five hits in seven trips to the plate.

Oglesby seems destined to break quite a few records in Little League play this year. He got a total of 14 bases during the game and drove in nine runs. He has a total of four home runs for the year and has hit for the circuit with the bases loaded on two occasions.

Howard Barnum got credit for the victory and Billy White was tagged with the loss.

Man Turns in Alarm, Raids Fire Station
El Paso, Tex. (AP)—City firemen answered a false alarm here recently and when they returned to the station found someone had stolen three wallets.

So, they played back the tape recording of the person who turned in the false alarm and recognized the voice as that of a former fireman.

Darrell Livengood, 21, finally admitted to police that he turned in the alarm to give him time to enter the station living quarters and take the wallets. He spent the \$48 he stole, he said.

He was charged with burglary.

William Jennings Bryan made his famed "The Cross of Gold" speech before the Democratic National Convention at Chicago in 1896.

Fishing

(Continued from Page 3)

Cobia reports have been coming in thick and fast, with the record of 26½ pounds broken Wednesday by Red Bennett of Snow Hill, with a 51½-pounder. He was fishing out of Sonny's Fishing Station, and his party had a total of 5 cobia.

Blues are holding anglers' interest from the ocean piers: morning and evening are best; Hopkins lures and seahawks are both getting good results. These blues are big, so another record should be coming in.

One sad fisherman told of catching a 3½- to 4-pounder; a passer-by asked if he could have some of the fish. "Sure, take all you want, but leave that big one." You guessed it, he took the big one.

Triple-Ess reported 36 blues on seahawk by Pop Wells of Morehead City; Sportsman Pier, 16 Spanish mackerel and 27 blues by George Stallings and W. B. Hensley of Raleigh; and Thompson's at Emerald Isle, T/Sgt. Ray A. Phillips, Cherry Point, 35 blues.

Businessmen Encouraged to Use Air Expressways
The Air Express industry has joined the growing counter-recession movement with an intensive program to stimulate greater use of Air Express services throughout the Beaufort-Morehead City trade area, according to its agents, A. T. Leary, Beaufort, and D. H. Rowe, Morehead City, of Railway Express Agency, and J. W. Dean, manager, Piedmont Airlines.

Representatives of the airline and Air Express division of the express agency visited here this week, contacting regular and potential Air Express users. The importance of Air Express transportation for the distribution of products and merchandise in this area was emphasized, and attention called to the opportunity now existing for trading in markets throughout the world through the services offered by Air Express.

Idle Hour Wins
The Idle Hour scored seven runs in the fifth inning to break up a close ball game with the Elks Tuesday. The Idle Hour went on to score a 12-3 victory behind the steady pitching of Glen Mason.

Mason struck out 11 batters and did not walk a man. He was touched for six hits but kept them well-scattered. He was also the leading batter for the winners, getting three hits.

"This house has the potential of being the most inexpensive house for its size in the standard construction class..."

... it's 'The House of the Week' Design X-10

Some of the features of basic house include:

- Eight rooms in all including 3 bedrooms
- 2 baths
- Three levels—living, sleeping and recreational
- First level garage
- Floor-to-ceiling windows in living area.

Here's a plan not to be missed!
Every square inch of space is used for living in this surprisingly 'big' house. Yet the basic living area covers less than 1,000 square feet.

How did the architect do it? The answers are in this week's 'House of the Week' design X-10.

And don't forget that more detailed answers and information are crammed into the baby blueprint plan available through this newspaper. You'll want to send for it and study the design that makes X-10 a winner in comfort and construction.

Watch for it and be sure to send for the 35c study plan
