

VFW Nine Coasts to Victory Over Beaufort Moose Team

The VFW coasted to a 15-2 victory over the Moose Thursday in a Beaufort Little League game. Fred Davis gave up only two hits to the Moose as he went the distance on the mound for the winners. The only Moose to get hits were Mickey Bertram and Clem Woodard.

The VFW drew first blood in the first inning with a single run. They added seven in the third, two in the fifth and five more in the sixth. All 15 runs were scored on six hits, two coming off the bat of Walter House, who got a double and a single. Richard Stanley also hit a double and a single for the winners.

Playing for the Moose were Mickey Bertram, Jack Bridges, Clem Woodard, Jim Cummings, Bill Harvey, Bill Whitehurst, Claud Wheatly, David Nance and Bob Hamilton.

Playing for the VFW were John Merrell, Billy Davis, Walter House, Wayne Merrell, Richard Stanley, Thompson Lewis, Fred Davis, David McGehee, Terry Rhue and Spec Duncan.

The Moose were charged with five errors in the field, three more than were made by the VFW. Ten VFW batters worked free passes to first while only three Moose batters were walked.

Beaufort Boys Can Register For New League

Boys interested in playing in a Beaufort intermediate baseball league can register at 7 p. m. tomorrow at the Eure educational building on Ann Street. The age limits for players will be 13 through 15.

William Roy Hamilton, who is helping organize the league, says that Beaufort churches will sponsor the teams. He predicts that the first game will be played about July 1.

The eventual aim of the program is to organize a league incorporating both Beaufort and Morehead City teams. Each town is hoping to raise two or three teams for such a league.

Mr. Hamilton says that the most important thing now is for the boys to register so teams can be selected and the program started as soon as possible. For that reason he urges all boys interested to stop by the educational building and register.

Burlington Liars' Club Has True Story to Tell

Burlington, Wis. (AP)—It really happened one morning in this community made famous by a Liars' Club.

They lived across the street from each other, Delos J. Hoffman, 46, and John Schibilsky, 57, and they were backing out of their driveways when their cars collided.

COBRA to Meet
Members of the Carteret Outboard Runabout Association will make plans for a July Fourth cruise when the club meets at 7:30 tonight. All members are asked to attend the meeting at the National Guard armory, Camp Glenn.

Morehead Teen-Age League Needs Players

Frank Cassiano, secretary of the Morehead City Teen-Age League, announces that the three teams in the league may have to be cut to two teams unless more boys want to play.

Many of the boys who signed up originally have taken summer jobs and will not be able to play. Any boys between 13 and 16 who want to play can call Mr. Cassiano at his office to find out when to report.

All boys, whether they have registered or not, are asked to cut out the blank with this news story and get their parents' signature. League officers do not want boys

playing in the league without their parents' knowledge and consent.

With the formation of an intermediate league in Beaufort, there is a chance that a four-team league can be formed using teams from both Morehead City and Beaufort. The Morehead City Rotary Club has agreed to sponsor one team in such a league and several churches in Beaufort have been considering sponsoring teams.

The Morehead City league has been conducting practice sessions at the high school field at 5 p. m. each day. New players will be welcome to attend any practice session to register.

Durham Angler Lands Spadefish

Dan Cameron, Durham, holds a king-sized spadefish he caught while fishing from one of the headboats. The spadefish is caught occasionally in these waters but large ones are quite rare, according to FabFisherman Bob Simpson who took the picture.

Marlin Fishermen Run Season Total to 19

By BOB SIMPSON
The present blue marlin score is 19, and no one knows what the cobia score is. Amberjack and dolphin are plentiful offshore, and a fair number of kings. Excellent catches of bluefish and mackerel have been made inshore, with Theodore Lewis' Sylvia bringing in a record 140 Sunday.

Bluefish are still favorites from the ocean piers, and all four piers report lots of big king mackerel hung and lost, a few landed. Twenty-seven hung and lost in one day from Thompson's, but two, at 20 and 30 pounds, caught by S/Sgt. Ray Phillips of Cherry Point and young Kurt Thompson.

Bill Fox on the beach comes up with much of our unusual news: first he reported a barbu, which he described as looking like a bluefish with a W. C. Fields nose, only not quite so red. The only previous reports of the fish along this coast were in 1910 and 1927.

Now he has reported a banded croaker. He has also begun supplying choice baits, first, live shrimp and now bloodworms, to be available by the weekend.

Mom and Pop's and B. J. White's report continued good cobia fishing; Bill Fox also reports lots of the big fish brought in for storage.

The season's first good catch of speckled trout on piling was made by H. H. Fish of Raleigh, with 8 averaging over one pound each. Bluefishing is good inshore of Shackleford, and Fleming's reports a catch of 15 from the pier by 12-year-old Everett Ellis Jr. of Durham.

As a sample of present offshore fishing, Bunny, Bunny Too, Harriet L II and Mattie G, carrying a joint party from the General Creosote Company of Gulf, N. C., had a total of 109 amberjack, 42 dolphin, 10 false albacore, 7 kings, one grouper and two ocean bonito.

A newcomer to the offshore fleet is Hugh Hamrick's Gusty, with 41 dolphin and 2 albacore to report from her first trip. Headboat fishing is good for porgies, sea bass, snappers and triggers; snapper fishing is improving.

The last three blue marlin have been almost identical in size: George Bedworth's Dolphin, with the season's 17th caught Wednesday by C. E. Barfield of Newport News, Va., at 10 feet seven inches, 356 pounds; Hubert Fulcher's Blue Water, with the 18th, caught Thursday by Ray Reeve of Raleigh, at 10 feet 6 1/4 inches, 362 pounds; and Dolphin again, with the 19th, brought in Friday by Tom Neal of Burlington, at 10 feet 7 inches, 350 pounds.

Morehead Little League To Announce Decal Sales

Morehead City Little League officials are still accumulating the proceeds of a decal sale last Wednesday. Little Leaguers gave decals to everyone giving a dollar or more to the program.

Publicity chairman Floyd Chadwick says a list of the boys and their collections will be released as soon as possible. League president Dr. R. O. Barnum still has a few decals on hand and will give them to anyone who failed to get one after giving a dollar or more to a player.

Little League Makes Changes In Schedule

The Morehead City Little League schedule has been changed for the second half-season of play which begins tomorrow. Reason for the change is the Little League tournament that will begin at Cherry Point July 24. Under the old schedule, the Morehead City League's regular season would have continued until July 28.

The new schedule follows:
June 25 Elks vs. Moose
June 26 Idle Hour vs. Small Frys
June 27 Moose vs. Idle Hour
June 28 Small Frys vs. Elks
June 30 Small Frys vs. Moose
July 1 Idle Hour vs. Elks
July 2 Moose vs. Elks
July 3 Small Frys vs. Idle Hour
July 7 Idle Hour vs. Moose
July 8 Elks vs. Small Frys
July 9 Moose vs. Small Frys
July 10 Elks vs. Idle Hour
July 11 Elks vs. Moose
July 12 Idle Hour vs. Small Frys
July 14 Moose vs. Idle Hour
July 15 Small Frys vs. Elks
July 16 Small Frys vs. Moose
July 17 Idle Hour vs. Elks
July 19 Small Frys vs. winners of second half for league title.

Eagle Gridders Visit University

Three members of the Morehead City football team went to Chapel Hill last weekend to take scholastic qualifying tests. UNC coach Jim Tatum suggested the trip to the three rising seniors who are interested in getting football scholarships at the university. The boys who went were Freddie Oglesby, fullback, James Guthrie, halfback, and Lynwood Durham, tackle.

These three players were important cogs in the state championship Eagle squad last year and figure to be the nucleus for another strong contender this fall.

The boys drove to Chapel Hill in Thomas Oglesby's car Thursday morning. Ernie Williamson, director of the University Education Foundation, greeted them and showed them around the campus. He introduced them to Roy Armstrong, director of admissions, who told them to come back the following morning.

Friday morning they took a series of tests and received more information about the university entrance requirements. They came home Friday afternoon.

Printer Sells Unusual Cards

Chattanooga, Tenn. (AP)—"Do I have to go to court on this?" a man asked Police Capt. Kelso Rice as he handed him a printed card which read:

"Thanks for taking two parking spaces. I had to park in the next block, you selfish, idiotic moron."
In smaller type were the words, "You have violated section 308 D.A.M.I.T." Rice explained it was not an official summons — but added that the man shouldn't have taken two parking spaces.

TD Club Dance Ducats Selling at Brisk Clip

Tickets for the July 12 Touch-down Club dance are selling at a brisk rate, according to ticket chairman Mrs. Dow Lassiter. Club members and Morehead City businessmen are selling the tickets.

The dance will be at the Morehead Baltimore Hotel with Dean Chalos and his orchestra furnishing the music.

All proceeds will go to the Touch-down Club to be used in promoting football in Morehead City.

Idle Hour Wins 2-0 Nod Over Elks on Friday

Glen Mason pitched the first no-hitter of the Morehead City Little League season Friday as he hurled the Idle Hour to a 2-0 victory over the Elks. It was the second loss in as many days for the Elks who had dropped a 15-8 decision to the Small Frys Thursday.

Glen won his own game in the fourth inning when he led off with a home run over the left field fence. His Idle Hour teammates added one more run in the fourth and that was all the scoring for the game.

Benny Eubanks, losing pitcher for the Elks, shut out the Idle Hour in every inning but the fourth and deserved a better fate. He gave up only three hits and struck out eight batters. He walked four men. Glen walked two batters and one Elk was safe on an error. Only one of the Elks managed to get as far as third base.

Small Frys Win
On Thursday the Small Frys hammered out 16 hits to clobber the Elks by a 15-8 margin. Elks manager Bernard Leary used pitchers Sam Wade, Bufi Chalk and Billy White in a vain effort to stem the tide of Small Frys base hits.

The Small Frys jumped on starter Sam Wade in the first inning to score four big runs. They added two more in the second and put the game on ice with a six-run rally in the third.

James Davis, though hit hard by the Elks, went the distance for the winners, getting credit for his third victory of the year. He gave up two runs in the second, fourth, fifth and sixth innings.

Allen Colenda and Robert Griffin led the winners at bat with three for four performances. J. E. Sanders and Benny Eubanks each hit two for three in a losing cause. One of Benny's hits was his third homer of the year.

Donald Oglesby, who has threatened most of the offensive league records in his first year in the league, missed action with the Moose all week as he was sick with chicken pox.

Donald still leads in the runs batted in column with 17 and in home runs with four. James Davis of the Small Frys crept up on his RBI lead during the week as he upped his total to 15. Benny Eubanks and Robert McLean each hit a homerun during the week to boost their output to three each.

Jimmy Hall of the Moose leads the league in the most hits with 15. He is hitting at a .484 clip, good for fourth place in the league batting race.

Johnny Seitter of the Moose leads the league with a .571 mark but he has been to bat only 7 times. Billy White leads the regular players with a .500 mark. Mike Fahy of the Elks is also hitting .500 with
