What is This World Surrounding Us?

(Editor's Note: Hundreds of thousands of boys and girls recently graduated from high school. Many speakers addressed them on the occasion of their graduation. A wise philosopher, and internationally-known historian, Will Durant, answered many of the questions a high school graduate wonders about. Following is part of the commencement address he delivered at Webb Preparatory School, Claremont, Cal. Among the graduates, he was addressing his own grandson, James Easton, 16.)

By WILL DURANT
A task has been assigned to me, and I propose to go through with it as modestly as its inherent immodesty will permit.

My first request to you is — be healthy. It is mostly within your will. In many cases sickness is a crime; you have done something physiologically foolish, and nature is being hard put to it to repair your instruction in living. Care of the health should be a required course, for at least an hour each week, in every year from kindergarten to Ph.D.

Do some physical work every day. Cut the lawn, clean the car, paint the house rather than the town, help with the dishes after the evening meal. Help your wife with her work, and let her help you with yours. Husband and wife should be helpmates. Marriage disintegrates when it is only a partnership in sex, play, and conspicuous expense.

Sex, a Fire and Flame
After hunger, sex is our strongest instinct and greatest problem; nature is infatuated with continuance, and dolls up the woman with beauty and the man with money to lure them into propagation; and so it gives to us males such sensitivity to the charms of woman that we can go quite mad in their pursuit. Sex then becomes a fire and flame in the blood, and burns up the whole personality — which should be a hierarchy and harmony of desires.

Our civilization has unwisely stimulated this sexual impulse. Our ancestors played it down, knowing that it was strong enough without prodding. We have blown it up with a thousand forms of incitation, advertisement, emphasis, and display, and have armed it with the doctrine that inhibition is a mistake, whereas inhibition — is the control of the impulse — is the first principle of civilization.

Good health to you, good work, good fortune, good character, good children, good grandchildren! Drink the brimming cup of life to the full and to the end; and thank God and nature for its bracing trials and challenges, its educative punishments and rewards, its priceless gifts and inexhaustible treasure of beauty, wisdom, labor and love.

Two defendants got one-year jail terms in county recorder's court last Thursday. Cleve Westbury was found guilty of assault and sent to the prison camp at Newport. Sonny Bridges was found guilty of temporary larceny of a car.

Others who paid costs follow: Denard Quillen, failure to report an accident; Dean L. Chatlos, speeding; Jimmy Graham, driving on the wrong side of the road; William J. Baker, no license; and Evelyn Coley, assault.

Three cases were dismissed. Defendants and their charges follow: Willie B. Roberts Jr., violation of hunting laws; Richard A. Jose, failure to give a proper hand signal before turning; and Willie C. Pleasants, failure to yield the right of way.

Samuel Johnson was found guilty of non-support and ordered to pay court costs. A jail sentence was suspended so long as he pays his wife \$15 per week.

Five defendants paid \$10 and costs. They were Marie R. Nicowonger, making an improper left turn; William B. Bates Jr., running a stop sign; Percy A. Green, careless and reckless driving; Charles E. Leone, possession of non-taxpaid beer; and James A. Moser, public drunkenness and trespassing.

G. A. Papa paid \$5 and costs for speeding. Russell Manson was charged court costs for failure to yield the right of way and running a stop sign.

Mr. Manson caused a three-car collision when he pulled onto Ann Tuttle's Grove

Miss Rachel Mundine Will Present Concert Tonight

Miss Rachel Mundine, organist and pianist of Newport, will present a concert of organ and piano music at 8 tonight in the Holly Springs Free Will Baptist Church, Newport. The concert will include selections played on the two instruments at the same time, Miss Mundine said. The program is varied, ranging from classics and light compositions to old fashioned hymns.

Miss Mundine, a native of Newport, has studied piano for nine years and was organist and choir director for the Holly Springs Church for several years. Last year she studied organ in New York City with Miss Rosa Rio of the ABC Radio network.

She has now turned to the organ as a profession, having just returned home from a three months engagement in Toronto, Canada. Before that she was in Bradford, Pa., for four months. In 1954 she was a regular performer on WNCN programs originating from WNCN in Greenville, N. C.

Phoenix, Ariz. (AP)—What can be simpler than "yes" or "no"? "For" and "against," says Arizona Secretary of State Wesley Bolin. From now on, said Bolin, Arizona voters will designate their preferences on proposed constitutional amendments by using "for" or "against."

Chol Chol, Chile (AP) — Heavy rains during about half the year made travel virtually impossible over a muddy road serving this village. A Maryknoll missionary, the Rev. Frederick J. Hegarty, from East Orange, N. J., assembled his parishioners — and their equipment — and in three days built a new all-weather road to the next town.

Youth Meet At Marshallberg

The Carteret County Methodist Youth Fellowship sub-district met recently at the Trinity Methodist Church, Marshallberg.

To begin the meeting, Denard Harris of Bachelors led spiritual singing, after which members of the Marshallberg Church opened the worship service. The Rev. Bill Jeffreys of Marshallberg gave a talk on World Peace, which developed into a very interesting and worthwhile discussion.

Following the discussion, Jackie Wheatley, president, called the business meeting to order. Eddie Lynn Garner, secretary, read the minutes of the last meeting and called the roll. There was a total attendance of 152. The past treasurer, Bronna Willis, then gave a treasury report.

After the business, Mr. Jeffreys conducted an installation service for the new officers of the coming year. They are as follows: Jackie Wheatley, Beaufort, president; Anne Faye Taylor, Bachelors, vice-president; Eddie Lynn Garner, Newport, secretary; Fred Boswell, Core Creek, treasurer; Roberta West, North River, publicity chairman; and Jenny Lynn Garner, Newport, MYF fund chairman.

Immediately following the business, refreshments were served on the church lawn. Also, as everyone was leaving for refreshments, issues of The Pilot, MYF newspaper, were distributed.
