Postoffices Will Have New-Rate Stamps Aug. 1

County postmasters announce that they will have plenty of the new-rate stamps and postal cards on hand when the new postage rates go into effect Friday, Aug. 1. Harold Webb of the Morehead City postoffice reports that the postoffice department has been issuing new stamps, stamped envelopes and postal cards to post offices for several weeks in anticipation of the new rate changes.

Large additional supplies of the regular 4 cents stamp, bearing the likeness of Abraham Lincoln, are being received here to meet the new first-class letter rate of 4 cents an ounce. In addition, issues of special stamps and commemorative stamps will be available at the Morehead City postoffice in 4-cent denominations.

Adequate supplies also are expected in other stamps, cards and envelopes, including new 7-cent air mail stamps, replacing the 6-cent air mail stamps; 3-cent postal cards replacing the 2-cent cards; and 4- and 7-cent stamped envelopes to be used in place of 8- and 6-cent stamped envelopes.

"Picture" post cards will require 3-cent stamps for surface transportation and 5-cent stamps for air transportation. Ample supplies of 3 and 5-cent stamps are expected to meet anticipated demand for these stamps.

Old supplies of 3 and 6-cent stamps, 2 and 4-cent postal cards and 3 and 6-cent envelopes may be used after Aug. 1, by adding an ordinary penny stamp to these.
