## B Team Builds League Lead

Ray Ransom and Bobby Martin's B team took a firm hold on first place in the Beaufort Churches Baseball League Wednesday. The B squad took a 16-6 victory over the C team for their second straight victory. It was the second loss for manager Warren Grant's team.

Ray Whitehurst was the winning pitcher in an abbreviated contest that was called at the end of 4 1/2 innings due to darkness.

The B team jumped into a 5-0 lead in the first inning and added six more runs to put the game on ice in the second inning. The winners scored once in the third and ran their total to 16 with a four-run rally in the fourth.

Whitehurst shut the door on the C team for the first four innings, giving up only one hit, a single to Ray Hassell, losing pitcher. In the top of the fifth, though, the C team pushed across six big runs on hits by Morgan, Whitehurst and Hamilton.

Chuck Hill was the leading batter for the winners, driving two homers over the fence his first two times at bat.

Standings follow:

	Won	Lost	Pct.
B Team	2	0	1.000
A Team	1	1	.500
C Team	0	2	.000

## Good Catches Reported By Fabulous Fisherman

By BOB SIMPSON

Although offshore fishing has had its ups and downs, a number of good catches were reported during the first half of the week. Head-boat fishing has been very good. Small boats have caught plenty of blues in the inlet and many good to excellent catches of blues are now coming in from the ocean piers. Sheephead are good in sound and river.

Mattie G on an inshore trip had 6 kings by Robert Ward of New Bern; Harriet L II had 5 amberjack and 5 kings by Willard Edwards of Henderson; Bunny came in with 12 amberjack, 2 dolphin and 2 kings by a party from Ohio, Alabama and Pennsylvania. Bunny Too, with J. D. Rivers of Durham and party, had 12 kings, 26 amberjack, one dolphin and one Spanish.

Aboard Sea Raven, the catch was 14 amberjack, 5 kings, one false albacore. From Dolphin the wahoo record was taken by W. N. Gay of Akron, Ohio, with a 76-pounder measuring 5 feet 10 inches.

We understand that another 76-pounder was taken by a party fishing with Kemp Wickiger six or seven years ago, and that mark has yet to be exceeded. Mrs. Albert Wiebe of Brooklyn, N. Y., fishing aboard Gulf Breeze, brought back a 20-pound false albacore, a woman's record on 40-pound test line.

Another record in the sound: Henry A. Walker of Kinston brought an 8-pound sheephead to Mom and Pop's. Good catches of sheephead are coming in to sound and river centers, and flounder fishermen are fairly successful drift fishing and "dragging." Cobia are still plentiful: H. H. Fish of Raleigh caught a 12-pounder in the river, reported seeing 7 others.

Edgewater Marine reported 2 cobia, 20 blues and Spanish.

With equal confidence they count on Dad (with an able assist from Mom) to see to it that they get the college education that will give them a good start on the road to success. Dad has the answer to this problem too: His own systematic savings here plus our generous rate of return will add up to "what it takes!"
