

Joe Bailey Pitches Rocket Victory in Teen-Age Opener

By FRANK CASSIANO

Joe Bailey, backed by numerous defensive gems on the part of his keystone combination, pitched a four-hitter against the Lion Cubs, as his Rotary Rocket teammates jumped on Edward Sanderson for seven hits and a 6-1 victory in the opening game of the Morehead City Teenage League on Saturday afternoon at the Little League Park.

Both teams were hitting the ball consistently, but defensive play seemed to be the order of the day on both sides. Dumpy Guthrie at shortstop for the Cubs went wide to both his right and left to make almost impossible plays all day long, while Ernest Lewis at short and Jimmy Wade at second did the same thing on the Rocket side of the fence.

In the top of the sixth, with one out and the bags full of Lions, Wade made a diving catch of a blooper to second base, and before Parham could scramble back to the bag, Wade half crawled, half dove to double him up and end the inning getting Bailey out of his biggest jam of the day.

Rotary got into the run column in the second inning when the Cubs committed three errors while Sanderson was allowing two hits, one each to Burbage and Bell, and one walk. This added up to four runs, and the Rockets were off.

In the top of the fifth, the Cubs came back with one marker on singles by Glover and Norman Canfield sandwiched around two walks and two strikeouts by Bailey.

The Rockets scored their fifth and sixth runs in the bottom of the fifth frame when Sledge opened with his first hit of the game, advanced to third on an attempted double play which misfired on Ernest Lewis and left men on first and third. Sanderson then got Wade on strikes, but Rennie Awana slashed a line drive single to the right center field wall scoring Sledge and moving Wade to third.

Wade came home with the final run of the day when Awana was cut down at second on an attempted double play on a grass cutter to Guthrie at short. The relay to first base was a hair too late.

The leading hitter of the day was Bailey's battery-mate, Junior Burbage, who had two singles in his three appearances at the plate.

In the pre-game ceremonies, the invocation was given by the Rev. Noah Brown of the Faith Free Will Baptist Church. The Honorable George W. Dill, Mayor of Morehead City, threw out the first ball, the umpire called "Play Ball!" and the Morehead City Teen-Age League was officially under way.

During the game, it was announced that games would be played Mondays, Wednesdays and Fridays, starting time at 5:15 p.m.

Blues Lose First
After 10 straight victories, the Morehead City Blues lost their first game of the season Sunday afternoon. The Blues dropped a 6-0 decision to the New Bern Rookies at New Bern.

Statistician Releases Batting, Pitching Marks

Floyd Chadwick Jr., statistician of the Morehead City Little League, has released the final batting and pitching records for all players in the league. They follow:

It's TV for the Best in Film Entertainment

For mid-week relaxation, what's better than curling up in front of the tv in a comfy chair and sipping your favorite cold drink. On channel 7 at 7:30 tonight, Broderick Crawford in Highway Patrol goes after a sniper, and at 8, Investigator appears in color. Bob Cummings is still involved in hunting escapades. Two beautiful models' coming on the scene makes things extremely interesting at 9:30. In the Californians at 10 a former lawyer tries the blackmail racket and meets violent death. Channel 9 features Mr. Adams and Eve at 8. At 8:30 Wyatt Earp is panned down by sharpshooters in an isolated cabin at 9, the western, Trackdown, will present Law in Lampasas.

Spot Run Improves; Blues Bite on Bottom

By BOB SIMPSON

The weekend brought improved fishing, especially from the piers and inshore boats. Headboat fishing has been consistently very good for the past week.

Ocean piers reported many kings hooked and several landed, several tarpon sighted or hooked. Good spot runs have begun and blues are biting well on the bottom. With much stir along the coast about kings from ocean piers, we must brag a bit that no pier has equalled the record we have locally—over 40 kings this season from Thompson's Pier alone.

Norman Clark took a 20-pounder Sunday off Sportsman Pier, and M/Sgt. W. S. Morris, Cherry Point, caught two 8 to 12-pounders from Morehead ocean pier, where 15 were hooked in one day.

At Triple-Ess Pier anglers were very happy with improved bottom fishing that continued through the day; blues at the rate of 25 to 40 per fisherman, plenty of spots and croakers.

Inshore and private boats came back with the season's best catches of blues and spanish mackerel; at Edgewater Marina Buddy Klein of Raleigh reported 49 spanish and 63 blues; Johnny Styron's Sylvia, 81 blues, 47 spanish, 6 kings; Harriet L II on an inshore trip, 70 spanish, 8 blues, 2 kings; Sandy, 35 blues, 5 spanish; Theodore's Sylvia, 37 blues and spanish, one king; Tommy Lulu, 12 spanish, 2 blues, by Bob Black of Bateville.

The headboats Carolina Queen, Danco and Jack Piper VII all reported very good catches, especially of sea bass and porgies; Sulla Ramsay of Rocky Mount caught 87 sea bass, 16 porgies and 2 triggers aboard the Queen; Bob Hill Jr. of Durham, fishing

with his parents aboard Danco, had 3 lard stands filled with mixed bottom fish.

From the sound and river: Jimmy Richardson and party, Kinston, skip fishing off Fleming's, caught several sheepshead and about 200 croakers, spots and hogfish. From Bunch's Pier, Ed Barbour and Cooper Deland, Smithfield, caught 15 flounder.

At B. J. White's A. L. Pester of New Bern reported a 1 1/4-pound pompano; Tommy O'Neal and Robert Hurst, Durham, drift fishing off the Beaufort Channel jetty, caught 22 flounder and 5 blues on cut mullet.

Courtney Humphrey and Carl Jones of Kinston came back to Mom and Pop's with 18 sheepshead, one to seven pounds, and 4 black drum.

Offshore fishing was not up to par, but several good catches came in: Blue Water, with 25 amberjack and one spanish; Sea Raven, with 11 amberjack, 12 kings and a 'cuda; Bunny Too, with 20 dolphin and 3 ocean bonito; Dolphin III with 12 kings, 5 false albacore and one dolphin; and Dolphin, with 34 dolphin, 5 amberjack and 5 triggers.

Things that break a fishing editor's heart: ocean piers littered with pinfish, small spots, blowfish, skates, but when someone catches an electric skate (this one was a guitar fish), he throws it overboard. Please, when you catch a rare fish, especially an electrified one, put it on ice, regardless of its value, and call 6-3403.

Another unusual item: Capt. Dave Gould came in the other day with a 6 1/2-pound remora, one of the largest ever reported. They commonly run in the 1 to 2-pound class.

Greenville Team Eliminates Morehead Little Leaguers

Morehead City was eliminated in district play at Havelock Friday by the Greenville Tar Heel League tournament team 3-0. Greenville Tar Heel League had earned the right to meet Morehead by defeating the Greenville North State League team in the first round play 4-0. Morehead drew a bye in first round play.

B Squad Keeps Victory String Alive Friday

The B team continued on its winning ways in the Beaufort Churches league Friday with a 10-3 victory over the A team. It was the third straight victory for Bobby Martin and Ray Ransom's squad. William Cole was the winning pitcher, going into the game in the second inning to relieve Paul Downum. Downum gave the A team two runs in the first inning, walking three batters. Cole limited the A team to two singles and one run in pitching the rest of the game. Walter House scored the only run off Cole in the third inning. He walked to open the inning and scored on a single by Ernest House.

Ernest was the losing pitcher. He gave up eight hits and issued nine free passes to first. Cole was the leading batter for the B team with three singles in four trips to the plate. He scored twice.

With two weeks of action in the records, Pud Hassell of the A team is the league's leading batter, hitting at a .750 clip. Ernest House, also of the A team, is batting .555. Other leaders and their averages follow: D. Monroe, B team, .400; W. Cole, B team, .333; R. Glover, B team, .333; J. Gardner, A team, .333; Ray Hassell, C team, .333; and C. Hill, B team, .300.

Chuck Hill leads in home runs with two and runs batted in with seven. Pud Hassell has batted in five runs and Ernest House and D. Swain have batted in four each. Ray Whitehurst and William Cole are the leading pitchers in the league, having accounted for all of the B team's victories. Ray has won one and William has won two.

The standings follow:

Team	Won	Lost	Pct.
B Team	3	0	1.000
A Team	1	2	.333
C Team	0	2	.000

The romantic Charles Boyer stars in Alias Mr. Hepp on Channel 7 playhouse at 10:30. Thursday Night Groucho Marx holds the spotlight with his quiz show at 8 on channel 7, followed at 8:30 by Dragnet. Jackie Cooper and his hasset hound, Cleo, generate laughs at 9 on the People's Choice. The Price is Right, the fabulous guessing show, is on in color at 10. Channel 9 zooms in with the Lone Ranger at 7:30 Wednesday followed by the comedy, The Real McCoy's, at 8:30. The New York ad agency jungle is the setting of The Right-Hand Man, the hour-and-a-half drama on Playhouse 90 at 9:30. For the complete tv log on channels 7 and 9, see the classified page of today's paper.

ESC Officials Attend Meeting

Delegates attending the Employment Security Commission convention at the Morehead Biltmore Hotel Friday sit beside the hotel swimming pool. In the background is Bogue Sound. Seated, left to right, are Raymond Umstead, farm placement supervisor, Raleigh; Phil Pollock, area supervisor, Raleigh; Ernest McCracken, assistant director, Employment Service Division, Raleigh; Joe Beach, director, Employment Service Division, Raleigh; and Mrs. Julia Tenny, manager of the Morehead City office of the commission. Standing, left to right, are R. A. Wadsworth, assistant veterans employment representative, Raleigh; and Alden Honeycutt, chief of staff services, Raleigh.

Official Gives Half-Year Report On Fisheries

● Clam, Hard Crab, Finfish, Scallop, Menhaden Catches Up

● Severe Winter Affects Oyster, Shrimp Take; Soft Crab Season Short

Production of clams, hard crabs, scallops, finfish and menhaden for the first six months of 1958 exceeded production for the same period of 1957, according to the report given by the Board of Conservation and Development last week.

C. G. Holland, commercial fisheries commissioner, commented on the fisheries as follows: Oysters: The production of oysters for this fiscal year was 146,207 five peck tubs and of this amount 59,326 tubs were taken during this period. For the first two months of the oyster season we had good weather but during December through February, we had some of the worst weather in many years. Part of the time the oyster fleet was frozen in and could not operate at all. In my opinion, the drop in production was due largely to bad weather.

Shrimp: The production in shrimp during this period was disappointing. We held up on the opening date as long as possible because there were no encouraging signs of shrimp. We finally decided to open the season in hopes that the entire fleet could locate shrimp in commercial quantities.

Fair catches were made in Back Bay, Core Sound and around Beaufort Inlet. This species was the brown spotted shrimp. They were

This loss ends play for the Morehead Little League for the '58 season. The league once more wishes to thank all those persons who have helped make it successful. The boys gave of themselves unselfishly in their participation in the program, the response from the parents and friends was most encouraging, response from the public in the sale of decals was most gratifying.

We sincerely thank the newspaper and both radio stations for the splendid coverage they gave us in promoting the program. All persons concerned with the program are looking forward to next year when we will move to the Camp Glenn site. This new site permits us to build a permanent field and will be much safer from traffic in chasing fly balls which go astray.

(Editor's Note: The sports department of THE NEWS-TIMES expresses its appreciation to Floyd Chadwick Jr., who has reported all Morehead City Little League games. In addition, Mr. Chadwick has supplied statistics for the individual players and kept fans posted on the financial status of the league).

Home Mover Reports House Ran Over Him
