Lions Whip Rockets 7-4 In Final Inning Thriller

Bobcats Win Intercity Game

The league-leading Bobcats of Beaufort downed the Rotary Rockets of Morehead City 12-7 in an inter-city pony league game Saturday afternoon at the American Legion field, Beaufort.

Ray Whitehurst was the winning pitcher, but William Cole and Johnnie Hassell also saw duty on the pitcher's mound. The losing pitcher was Bailey.

For the Rockets, Smith was the leading batter with 3 for 4, including a homerun in the sixth inning. Bernard Leary got 2 for 3.

It was Danny Monroe's day for the Bobcats—he got 3 hits in 4 times at bat, two of them homers. Cole got 2 for 4, both of them doubles.

The Rockets out-hit the Bobcats, getting 14 to the Bobcats' 8.

The Bobcats took the lead in the first inning with one run and led 2-0 at the end of the second inning. The Rockets scored 2 in the third, but the Bobcats outbatted them with 3 runs. The Bobcats steadily piled up their runs in the remaining innings.

The Rockets spurted with 5 in the sixth, but it wasn't enough to close the gap.

Cubs Win 6-3 Over Athletics

The Cubs of the Beaufort Churches League downed the Athletics 6-3 Friday afternoon at the American Legion field. Each team got only five hits but the Cubs got them when they counted most.

Leading batters were Alton Hill for the Cubs and Dave Jones for the Athletics, each getting 2 for 3.

The Cubs drew first blood, scoring one run in the second, two in the third and one in each inning thereafter. The Athletics matched them in the third with two runs but got only one more, and that was in the fifth.

The winning pitcher was Bill Hamilton, losing pitcher, Mike Smith.

Weekend Brought Excellent Croaker, Spot Catches

By BOB SIMPSON

The weekend brought excellent croaker and spot catches from piers on ocean and sound side; all the ocean piers reported several king mackerel strikes and some tarpon hitting; one king was landed, by R. D. Trow of Cherry Point, who caught a king at 14 pounds 7 ounces from a pier; earlier, Woodrow Wilson, Morehead City, had caught a 19-pounder from another ocean pier.

The total number of kings from ocean piers this season has passed 10. Sea mullet, gray trout and flounder are being picked up, a good sign for fall fishing.

A few flounder and gray trout are also being caught in the sound. Sheepshead fishermen are doing well: Courtney Humphrey and Carl Jones, Kinston, reported at Mom and Pop's with 8 up to 7 pounds each, 3 black drum totaling over 25 pounds, and a couple of trout; Otis Humphrey of Kinston came back to Fleming's with two 15-pound black drum and 15 sheepshead; at Bunch's Mr. Weatherington, Kinston, reported 12 sheepshead.

Some good bluefish catches were reported: at Edgewater 27 blues and spanish by T. C. Herman of Morehead City; Harriet L. II, 20 blues and spanish, 3 kings and 2 amberjack; the private boat Tucez II, 87 blues, 5 spanish, 7 flounder; Johnny's Sylvia, 98 blues and spanish, by W. W. Patrick and party, Morehead City.

King mackerel appear to be picking up a little offshore; Mattie G and Dolphin IV, 5 each; Dolphin III, 6; Bunny Too, and Shearwater, 4 each. Good catches of dolphin were reported by Blue Water, with 18; Dolphin, with 14; and Shearwater, with 10.

Best dolphin catches were made Thursday: 43 by Dolphin; 60 by Dolphin II. Two big amberjack have been brought in recently, one at 43 pounds, the other at 55½ pounds.

Oddities: a spanish sardine from the Triple-Ess; a mackerel scud at Bill Fox's Beach Seafood Market, where a little boy also brought in a one-pound spot, which is a whopper as spots go. Gaiter fish continue to be caught

In a ball game worthy of seasoned ball players, the Lion Cubs finally subdued the Rotary Rockets in the bottom of the last inning Thursday at Camp Glenn. With two out and none on base, Jimmy Nolan singled over short, Mac Mizelle was hit by a high inside pitch, and Garrie Guthrie, with the full count on him, drove a liner over the left center field wall scoring three runs and winning the ball game 7 to 4.

The Lions opened the scoring in the first inning with Nolan singling to center, advancing to second with a stolen base, going to third on a fielder's choice and scoring on a fly ball to center. The Rockets went ahead in the second.

Lewis opened by drawing a walk, and when Mizelle played to second on an attempted double play on Lovick, all hands were safe. Sledge drove in Lewis with a single to left and Lovick advanced to third from where he scored while Awana was legging out a slow roller to second.

This rally was cut short with a fast double play when Sanderson back-handed a line drive at second and doubled up Awana. There were four double plays executed and, all told, only three errors committed as a total for both teams.

The Lions pulled within one run in the bottom of the fifth to bring the score to 5 and 4 when Mizelle opened with a single, went to third on Canfield's single to right. Canfield stole second on the next pitch and both runners scored when Pospisil lined a single to the right field wall. Pospisil later scored as Sanderson flied out to center field.

The losing pitcher was Bailey who allowed eight hits and all seven runs, while Sanderson, who came in on relief for Pospisil in the fourth, was the winning pitcher. Sanderson allowed no hits, struck out six and walked two men in the two and two thirds innings he worked.

The hitting star, of course, was Garrie Guthrie whose four-bagger accounted for the three runs in the last of the seventh and final inning.

Lions Conquer Camp Morehead In Saturday Duel

The Lions continued their rampage Saturday afternoon when they played host to Purcell Jones' Camp Morehead representatives and took them into their "camp" to the tune of 11 to 2 at Camp Glenn.

The ball game was a pitcher's duel through four innings with the score standing at 2 to 1, with the Lions leading.

In the fifth, however, the complexion of the game was changed drastically when the Lions put together three hits and two walks while Camp Morehead was miscuing twice. The big hit was Ben Webb's single with the bases loaded and two out, accounting for the 4th, 5th and 6th runs of the inning.

The hitting stars for the Cubs were Webb who had two singles in four tries, and Sanderson who had a leaf-off home run in the second and a bases-loaded single in the sixth.

The winning pitcher was Sanderson, allowing only three hits while striking out 13. The losing pitcher, Hunter, allowed 8 hits and 8 runs before he was sent to the showers in the fifth inning, but his successors fared no better, allowing 4 hits and 3 runs in the 1 and 1/3 innings.

The Rotary Rockets, meanwhile, were visiting the Beaufort Bobcats where the situation was a little different. The Bobcats jumped to an early 8 to 1 lead, and saw it gradually melting away before they iced the game with three runs in the sixth inning to win 12 to 7.
