

Jaycees Begin Football Ticket Sales

Rufus Butler, center, vice-president of Commercial National Bank, pays Louis Russell, right, for 50 student tickets for Morehead City's home football games. The bank bought the tickets and gave them to school principal Lenwood Lee for students who were unable to pay to see the games. Mr. Russell is co-chairman of the Morehead City Jaycee football committee. Looking on at the left is Jaycee president Jerry J. Willis.

The Morehead City Jaycees have begun selling season tickets for Eagle home football games. Price of a ticket good for four games is \$3.50 for adults and \$1.50 for students. The home games are as follows: Swansboro, Sept. 19; Jones Cen-

40 Eagle Gridders Report For First Practice Friday

Forty boys reported for football practice at Morehead City School at 6 a. m. Friday. Practices will continue daily, from 6 to 8:30 a. m. and 2:30 to 4:30 at Wade Brothers Park until the opening of school, Coach Norman Clark announces. Any high school youth who passed all his subjects last year is eligible to report for practice. "It's not too late," the coach emphasizes, "the more, the better." Clark is faced this season with rebuilding almost an entirely new team. Seven first string men graduated this spring—six linemen and the quarterback. "Our boys look green, very green," Coach Clark said. They lack experience. With Hugh Gordon as assistant coach, Clark says things don't look as bleak as they could. "He's a tremendous help," he remarked. "Without him, I'd really have a rough time this season." Gordon is line coach. The prospective gridders are going through limbering up exercises and running field plays. Morehead City's first game is

Fishermen Have Close Call When Skiff Sinks in Squall

Buck Jacobs and Tommy O'Neal, Durham, had a close call Sunday morning during the thunder squall which occurred between 6:30 and 8. The men had rented a skiff from the B. J. White fishing camp and when the storm came, tried to take shelter under the railroad bridge which spans Newport River at Morehead City. The waves poured over the boat, causing it to sink. The fishermen took refuge on a barge which had been tied to pilings by workmen on the highway bridge. Then they climbed up on the railroad bridge with New Bern Sept. 5 at New Bern. The second game is also away, at Cary, and the third game is the first home game, with Swansboro.

Chuck, Linda Lewis to Put on Show At Golf Course Friday at 5:30 P.M.

Two of goldom's brightest personalities will be at the Morehead City Country Club Friday afternoon at 5:30 p.m.

They are Chuck and Linda Lewis. Chuck is a golf professional with one of the largest collections of trick clubs ever assembled and his daughter, 7-year-old, Linda, the world's youngest golf professional.

Their Friday afternoon performance will be open to the public, according to Morehead City Jaycees who are sponsoring the show for the benefit of the Babe Zaharias cancer fund.

Tickets may be obtained from Jaycees and at Hill's store, Morehead City. Children under 10 will be admitted free.

Among other things, Chuck will be hitting moving golf balls, hitting from a sitting and kneeling position, the machine-gun trick, hitting three swing balls, hitting with a club in each hand, and with clubs with buggy-whips and garden hose for shafts. He'll also use a club seven feet long.

Linda has been hitting golf balls since she was eight months old and played in her first tournament at 17 months.

They have appeared on numerous tv shows. You may have seen Linda hit the ball out of Andy Williams' mouth on Steve Allen's Show and out of Garry Moore's on I've Got a Secret.

As a finale she'll try and persuade some person in the gallery to hold a golf tee in their mouth and let her hit a golf ball off of it.

C. C. McCuiston, golf pro, also announces that Friday will be open house at the golf course. Club members may invite any Carteret guests to golf and use the pool.

Ends Season

The Morehead City Teen-Age League season ended Sunday when rain stopped a game between Morehead City and Camp Morehead. The score was tied at three all in the fifth when the game was called. Saturday afternoon a Morehead City all-star team beat Beaufort all-stars by a 20-2 score.

Initial Seadog Grid Practice Brings Out 38 Beaufort Boys Friday

Thirty-eight boys reported for football practice Friday morning at the Beaufort High School football field.

Coach V. M. Morrison put them through an hour and a half of calisthenics and running plays.

What do the prospects look like? Coach Morrison cautiously answers, "Well, we'll field a team." He said there's a lot of building to do.

Beaufort's first game will be Sept. 5 against Vanceboro at Vanceboro. Then the Seadogs return home the following week to meet Havelock.

The Seadog coach says practice will be conducted at 10 a. m. and 6 p. m. daily—at least for the rest of the week. The practice sessions will last for about an hour.

State Distributes Intangible Tax Revenues

Distributed recently to local governing units were their share of the state intangibles tax.

Carteret County received \$11,817.54, Morehead City \$4,107.70, Beaufort \$1,388.07, and Newport \$179.65. Atlantic Beach has not received its share.

The distribution was made by the State Board of Assessments which said the intangible tax collected during the past year was the biggest in state history.

The number of horses in the world declined from 114 million in 1928 to 76 million in 1950.

Bobcats Take Lead in League

The Bobcats scored a 9-3 victory over the Athletics Friday afternoon to take the lead in the Beaufort Church League. The Bobcats have now won three games while losing two.

Chuck Hill was the winning pitcher as he limited the Athletics to five hits. The losers got to Hill for four hits and three runs in the sixth inning.

The Bobcats got to losing pitcher Pud Hassell for three runs in the second and put the game on ice with one run in the third, four in the fourth and one in the sixth.

William Cole led the winners at the plate with three hits. Ray Glover and Chuck Hill got two hits each. Danny Monroe and Moses Teel hit safely once.

Pud Hassell got two hits to lead the Athletic attack. Walter House, Pat Smith and Sonny House got the other three Athletic hits.

The Cubs and Athletics will meet this afternoon with a game between the Cubs and Bobcats scheduled for Friday afternoon.

Sammy Tyler Wins News-Times Junior Golf Tournament

Sammy Tyler, 14, won the annual Carteret County News-Times junior golf tournament at the Morehead City Golf and Country Club last week. Sammy is the son of Mr. and Mrs. Horace Tyler of Havelock.

Runner-up was Joe Bellamah, who won the tournament in 1955. Harry Gillikin Jr., champion for the past two years, did not defend his title. Sammy beat Joe by one stroke, 103-104 in the final round.

Other boys entered in the tournament were Buster Tyler, Dick McClain and Wayne Thompson.

Sammy, who has been playing golf for two years, says that this is his first championship. He was runner-up in last year's tourney. The big trophy Sammy won will get the place of honor on the mantle of the Tyler living room.

There were less than half a billion people on earth when Magellan circumnavigated the globe 500 years ago. Today there are nearly 3 billion people.

Fishermen Report Good Catches Despite Squalls

By BOB SIMPSON

Fishing inshore, offshore and from the ocean piers had its ups and downs over the weekend because of the heavy ground swell and some squally weather. Still, there were plenty of good catches, and no need to resort to fish stories.

After a few weeks of no record-breaking fish, Arthur Lewis' Bunny Too came in with a 10-pound bluefish, caught by Tony Cavalle of Charleston, W. Va. Third sailfish in a week was the one caught aboard Felix Miller's Evelyn B, by Bill Saunders of High Point, measuring 6 feet 6 1/2 inches.

Coaching the landing of the sail was Capt. LeRoy Gould, whose Mattie G was fishing nearby. Evelyn B is one of the private sports-fishing boats based at G & M Boat Basin in Pelletier Creek.

The ocean pier king mackerel count has gone well over 120, and the kings are still hitting daily. Pier operators report a general improvement in fishing. Big blues and hogfish, spots, flounder, sheepshead and an occasional puppy drum.

We refer pier fishermen to the 1958 Fishing and Vacation Guide and the article by Rod Amundson on tarpon fishing or how to catch tarpon in 10 easy lessons and remind them that there is a \$100 cash prize being presented by the four ocean piers for the largest tarpon caught from an ocean pier this season. Are you anglers going to let a mere 87-pounder take the prize?

We also want to call Fabulous Fishermen's attention to the brass plaques in the window of Capt. Otis' market that record all the blue marlin caught this season by his boats: name of boat, skipper, angler, weight, date, all the vital statistics. These same brass plaques are available to any member at Early Jewelers for recording '56 and '57 trophy winners, and are a good way of letting your parties know where the big fish were caught.

The Legislative End

Lander, Wyo. (AP)—State Rep. A. J. Hardendorf, Republican, said he is not going to run for re-election this year. The reason, he said: "It's too much of a strain on my eyes to read the big stack of bills."
