

Knights to Field Veteran Team Against Rich Square

Coach S. H. Barrow, left rear, poses with this year's edition of the Queen Street Knights. Front row, left to right, are Briston Martin, Ray Fenderson, Tyrone Ellison, William Becton, Roy Fenner and Timothy Hardesty. Second row, left to right, Allen Vann, Godfrey

The Queen Street Knights, with lettermen in every starting position, will open their season at 8 p.m. tomorrow against Rich Square. The game will be played in Beaufort. Coach S. H. Barrow says the Knights will be a solid team that should win its share of games. Directing the team from the quarterback position will be Tyrone Ellison, a veteran with three years experience on the squad. Ellison is a capable ball handler, good passer and a hard runner. He can also handle the punting chores. Halfbacks Ray and Toby Fenderson give the Knights a top-flight

Ellison, John Hazel, Kerry Nolen, Artis Godett and William Smith. Third row, Jack Vann, Albert Cowan, Alvin West, Charles Lovick, Toby Fenderson and Pat Carter. There were 14 players absent.

William Smith has won a starting berth at the center position. He is on the team for the second year. Flanking Smith at one of the guard positions will be Earl Moore, a third year man who is a rugged performer, both on offense and defense. The second guard position is still open. **Senior Lineman** John Bell, a senior, is one of the stars in the Knights' line. He is a big, tough player who likes to block and tackle. Bell is on the team for his fourth year. Carl Turner, out for his second year, has an inside track at the

State Announces Dates For Refuge Dove Hunts

The North Carolina Wildlife Resources Commission announces dates for dove hunts on the nearby Croatan Wildlife Management area. Hunts are scheduled for Sept. 6, (first day of the season) 8, 10, 13, and 17. Refuge manager C. D. Peterson stated that prospects for a successful hunting season appear to

be good. Up to about 40 hunters per day can be accommodated. The speedy fliers are already present in considerable numbers. Sportsmen wishing to participate in these hunts can purchase a daily \$1 permit at the checking station and must possess a valid North Carolina hunting license. The Croatan checking station is located on the Maysville-Kuhns-Pelletier road approximately three miles north of Kuhns on highway 24. In accordance with statewide regulations, doves may be taken from 12 noon until sunset. The daily bag limit will be ten (10) a day per person. Hunters are cautioned that shotguns must be plugged or altered to reduce the shell capacity to not more than three in magazine and chamber combined. Refuge manager Peterson stated that the use of trained retrieving dogs to reduce the loss of crippled birds is encouraged. Minors can participate in the management area hunts if accompanied by parent or guardian.

Old Timers Game Slated for Sunday At Legion Field

The Old Timers will come out of retirement Sunday afternoon for a baseball game with an all-star team from the Beaufort Church League. The game is scheduled to begin at 2 p.m. at the Legion field. Ray Ransom, co-manager of the league champion Bobcats, will manage the all-star aggregation. Playing for the Old Timers will be Charles Hassell, Tickle Willis, W. H. (Piggle) Potter, Ickie Peterson, Gray Hassell, Elvin Davis, Bobby Martin, Jim Fodrie, Ray Hassell, William Roy Hamilton and Warren Grant. There will be no admission charge to the game but an offering will be collected during the contest.

Eagles, Bears To Open Season At New Bern

Morehead City Squad Has Three Veterans In Starting Lineup

When the Morehead City Eagles take the field at New Bern tonight they will be wearing the "new look". Only three players on last year's starting eleven will be on the field. They are tackle Lynwood Durham, halfback James Guthrie and fullback Freddie Oglesby. One starter, Jerry Garner, is out for football for his first year. All the other starters had some game time with the Eagles last year.

Probable Starters Coach Norman Clark lists the following players as probable starters: left end, Jimmy Lawrence; left tackle, Garner; left guard, Leslie Nelson; center, Mokey Lasitter; right guard, James Leigh; right tackle, Durham; right end, Johnny Baker; quarterback, Jackie McQueen; fullback, Oglesby, and halfbacks Gary and James Guthrie. Lawrence, a junior, is with the Eagles for his third season. He is 16 years old and weighs 160 pounds. He is six feet tall. Garner, a senior, is 16 years old and weighs 165 pounds. Nelson is one of the heaviest men in the starting line, weighing in at an even 200 pounds. He is a sophomore with only limited experience from last year.

Bolsters Line Lasitter, a 205 pounds, is expected to be one of the most rugged performers in the line this year. He is a junior with two years' experience under his belt. Leigh tips the scales at 176 pounds and has good speed for a lineman. Durham will weigh in at 195 pounds this season and is the one real veteran in the Eagle line. Baker, a pass-snagging end, is 6' 1" tall and weighs 165 pounds. He caught one pass for a touchdown last year when he saw only limited action. He expects to do better playing regularly. In the backfield, Oglesby will be the biggest man. He is 6' 3" tall and weighs 185 pounds. James Guthrie will enter the game weighing 170 and McQueen will weigh in at 155. The smallest man on the starting team is Gary Guthrie at 130 pounds.

New Bern Coach Sam Arbes says his Bears will definitely be in the underdog role for tonight's contest. He announces that the Eagles should win by three or four touchdowns. Coach Clark, however, says the Bears have the edge in experience and size. He contends that the Eagles are a green team and liable to make costly mistakes in the first games of the season. With both coaches picking their teams as the underdogs, every boy on the field will be wanting to prove his coach was wrong. This should make for an interesting game.

Star Eagle Halfback Is Ruled Ineligible

Gerald Jones, voted the most valuable player on the Eagle squad for the past two seasons, has been declared ineligible to play this year. Jones was found to be too old for high school competition. During the past two years, Jones has scored 244 points from his halfback position. He was a good runner, capable pass receiver and a valuable defensive player. He did most of the punting for the Eagles last year.

FabFishermen Attend Fish Fry

The fishing outlook is so good that Capt. Otis and Capt. Bill decided to have a fish fry. Pres. T. T. Potter combined it with a business meeting Wednesday evening. Over 40 Fabulous Fishermen were present for the mullet fry, and the evening was pronounced a huge success. Needless to say, the business was kept to a minimum. President Potter announced that he is going to leave today on a trip that will take him as far as Philadelphia, and that he would be glad to carry with him any advertising and publicity material brought to his office. The usual financial statement was read, and attention was called to display maps showing the state and national coverage of Fabulous Fishermen in radio, newspaper, magazine and television. Aside from membership, guests included Mayor George Dill, commissioner Jasper Bell and Chamber of Commerce manager J. A. DuBois. Commissioner Bell reported that on a trip to Raleigh he had heard one of the regular programs from WRAL radio that has been giving Morehead City and Atlantic Beach excellent coverage.

Beaufort Seadog Coach V. M. Morrison has announced the starting offensive and defensive lineups for tonight's game at Vanceboro. The starting offensive team has two seniors, two juniors and seven sophomores. All four of the starting backs are sophomores. One, Ernest House, has never played before. House has been running well from the fullback position and has earned a starting berth. Quarterback Pud Hassell is the most experienced back. He played defensive safety man and offensive

Bobcats Clinch League Title

Chuck Hill pitched and batted the Bobcats to a 3-0 victory over the Athletics Monday afternoon. The victory clinched the Beaufort Church League championship for the Bobcats who have won six of nine contests. In shutting out the Athletics, Hill gave up three hits and struck out 12. Robert Ison got to Hill for two hits and Mahlon Williams hit safely once. Hill got two hits and Danny Monroe got one off losing pitcher Mike Smith. Smith gave up single runs in the fourth, fifth and sixth innings. Monday's game wound up the regular season for the league. An all-star team will play the Old Timers in an exhibition game at 2 p.m. Sunday. There will be no admission but a collection will be taken during the game.

end last season as a freshman. Both halfbacks, Eugene Roarty and Eddie Taylor, were used as substitutes last year. Two seniors, Gordon Becton and John Smith, are expected to help steady a line that has three sophomores and two juniors. Becton will start at right end and Smith will play left tackle. Calvin Jones, a well-seasoned junior, will start at left end. Sophomore David Willis will start at right tackle. The guard positions will be manned by letterman Joe Powell, a junior, and sophomore Gray Simpson. Lonnie Dill, another sophomore, has ousted Dallas Willis from the starting center position. Willis, a senior, was late in reporting to practice and has not rounded into form. He will play defensive halfback, replacing Roarty. Other defensive specialists will be linebacker Dehard Harris and tackles Allen Autry and Fred Hopper. They will replace David Willis, Simpson and Dill when the Seadogs on defense. Coach Morrison is optimistic

Buddy Baily Wins Sail Race

Buddy Baily won the annual Labor Day race for the Gib Arthur memorial trophy Monday. By winning the race, Baily also clinched the title of world champion spritsailer. He finished the season with 29 points. Josiah Bailey and Edward Fulcher tied for second place with 22 points each and Ernest Guthrie was fourth with 15.

Buddy Baily won Monday's race handily while Josiah Bailey and Thurlow Whealton were fighting it out for second place. Their maneuverings for position caused them to cover considerably more area than did Baily, who could sail a straight course. Whealton came in second, followed closely by Josiah Bailey who had trouble with his spinnaker. Ernest Guthrie was in fourth place. Others in the race, in the order of finishing, were Edward Fulcher, Sammy Hughes, Luther Hamilton Jr. and Bill Price.

\$590 is Contributed For Restrooms at Field

Jerry J. Willis, president of the Morehead City Jaycees, announces that \$590 has been given to the school to help pay for restrooms at the football field. The restrooms will be ready in time for the first home game Sept. 19. The Jaycees are in charge of the actual construction. They have already been given the siding and roofing for the buildings by Fry Roofing Co. Some of the plumbing fixtures have also been donated. A goal of \$1,000 has been established. Anyone wishing to help make up the last \$410 can send his contribution to Lenwood Lee, Principal, Morehead City High School.

about his team's chances for the season. "When these boys get some experience they will be all right," he says. The coach warns fans not to expect too much from the boys because they still have a long way to go. Only four Seadogs, Hassell, Becton, Jones and Smith, have ever started a game before. Tonight will be the big test for the seven others. New Jersey has 81 commercial airports.
