

# Morehead Eagles, Swansboro Pirates Renew Gridiron Rivalry

One of the foremost grid rivalries in eastern North Carolina will be renewed tonight when the Morehead City Eagles and Swansboro Pirates clash in their annual game, to be played this year in Morehead City. It is always a big game for both teams, though the Eagles have dominated the series.

Year-before-last the Pirates racked up a 7-0 victory over Morehead City that still has Pirate fans talking. The Pirates went on to an undefeated season before losing out in the state play-offs. The Eagles didn't lose another game that year until they lost to Tarboro in the semi-finals of the eastern AA-C championship.

**Eagles Win 42-0**  
Last year, with that 7-0 loss still burning, the Eagles traveled to Swansboro and put the Pirates under with a 42-0 show of football power. The Pirates were a young, inexperienced team, mostly freshmen and sophomores.

This year those green hands have a year of ball playing under their belts and it is the Eagles who have a number of new boys on the team. While Morehead City is still favored in the contest, this should be a much closer game than last year's runaway.

Morehead City Coach Norman Clark is the first to remind his team that the Pirates are always a dangerous foe. Fans can be sure that the Morehead City squad will not go into the game with an over-confident attitude.

The Eagles re-discovered the winning formula against Cary last week, though, and promise to be tough for the rest of this season.

**Probable Starters**  
Coach Clark will probably start Jim Lawrence and John Baker at ends, Lynnwood Durham and Jerry Garner at tackles, James Leigh and Leslie Nelson at guards and Mokey Lassiter at center. The starting backs will be James Guthrie, Ted Garner, Freddie Oglesby and Jackie McQueen.

The Eagles will open their defense of the state championship when they play host to Jones Central in their first conference game. The other teams the Morehead City eleven will have to whip to get into

## Jaycees Paint Beaufort Bus

The Beaufort Jaycees agreed to sand and paint the Beaufort activities bus presented to the school by local businessmen through the county board of education. Hubert King, president Guy Smith Jr., Mack Styron and George Murray Thomas.

the state play-offs are Wallace-Rose Hill and Pamlico.

Tonight's game will be the first home contest of the season for the Eagles and school officials are looking for a good crowd to attend the game.

The Jaycees have built new refreshment stands, painted the bleachers, built a new ticket booth and constructed restrooms for the convenience of fans attending the games.

## Queen Street Knights To Tangle with Edenton

Coach S. H. Barrow's Queen Street Knights will travel to Edenton today for a conference tilt with a rugged Edenton eleven that will enter the game undefeated. The Knights, too, are undefeated and a hotly contested game is in sight.

The Knights have won comparatively easy victories to date, a 45-0 decision over Rieh Square and a 23-6 victory over Williamston. Coach Barrow says things will be tougher for his team from here on out.

In addition to having a rugged schedule ahead, the Knights may lose the services of quarterback Tyrone Ellison. Ellison saw only limited action against Williamston last week as he was nursing a sore ankle and a bad knee.

Ellison has been going to the doctor and is scheduled to start in tonight's game. Coach Barrow says he is worried over the chance that Ellison might re-injure his leg before it is really sound again.

Starting with Ellison in the backfield will be halfbacks Toby and Ray Fenderson and fullback James Hardesty.

This quartet gives the Knights one of the best backfields in the state. Teames Davis has played a lot of ball at halfback and has looked very impressive, especially on defense.

The Knights have a good passing attack — they passed for 205 yards against Williamston last week — and their running attack is nothing short of sensational.

Ray Fenderson drew praise from his coach after last week's game. "That boy can go around, through

## Coastal Scribe Gives Standings

Jasper Lewis, secretary of the Coastal Football Conference, has announced the results of last Friday's games, the schedule of conference games for tonight and conference standings.

In last week's conference games, Ayden and Vanceboro battled to a 7-7 deadlock; Havelock bested Beaufort 13-7; and Robersonville blasted Contentnea by a 38-0 score. Farnville lost a 7-0 decision to Nashvile and LaGrange lost a 14-13 thriller to Jones Central.

Conference games scheduled for tonight are Ayden at Robersonville, Beaufort at LaGrange, Contentnea at Havelock. Farnville plays host to non-conference Benvenue and Vanceboro will visit non-conference Pamlico Central.

Conference standings follow:

Team	Won	Lost	Tied	Pct.
Farnville	1	0	0	1.000
LaGrange	1	0	0	1.000
Havelock	1	0	0	1.000
Robersonville	1	0	0	1.000
Ayden	0	0	1	.500
BEAUFORT	1	1	0	.500
Vanceboro	0	1	1	.333
Contentnea	0	3	0	.000

The games count as one game won and one game lost.

# Beaufort Seadogs to Visit LaGrange for Game Tonight

The Beaufort Seadogs will try to get back on the victory trail tonight when they clash with the LaGrange High School eleven at LaGrange. The Seadogs, 57-0 victors over Vanceboro, lost a 13-7 decision to the Havelock Rams last Friday.

Beaufort Coach V. M. Morrison says that lack of experience is still the biggest fault of the Seadog team. "The boys really want to play ball and they try hard but sometimes they make mistakes. By next year these boys should really be hard to handle."

"In fact, they are a good team right now. LaGrange has a big, well coached team — bigger even than Havelock was. It was that big Havelock line and our inability to hang onto a pass that beat us."

**Drops Pass**  
"Havelock used a seven-man line at times and we just couldn't move through it. Pud (Hassel) passed well but his receivers had all sorts of trouble. Gordon Becton, for instance, had one in his hands in the end zone and dropped it."

"When Havelock saw it didn't have to worry too much on our passing game they concentrated in the line and stopped us," the coach continued.

Coach Morrison promised that the Seadogs passing attack would start to elick before too much longer. The Beaufort ends and halfbacks have been running set pass patterns and Hassell and substitute quarterbacks have been throwing the ball all over the field in practice.

**One Change in Lineup**  
Except for one change, caused by illness, the Seadogs starting team will be the same that started the first two games. Left guard Gray Simpson has been out of practice all week nursing a case of the flu. Dallas Willis will start in his position.

John Smith will start at left tackle, flanked on the end by Calvin Jones. Lonnie Dill will be holding down the center post with Joe Powell at right guard. David Willis will open at right tackle and Becton will start at right end.

Hassel will start at quarterback with Ernest House at fullback and Eddie Taylor and Eugene Rearty at halfbacks.

The Seadogs will be at home next week for a game with the Camp Lejeune Devil Pups.

An expert cigarmaker can produce by hand about 400 cigars a day.

## Butch Hassell Reports For Practice Wednesday

Butch Hassell, starting quarterback for the Beaufort Seadogs last year, reported for practice Wednesday for the first time this year. Hassell seriously injured his foot in a boating accident this summer and was on crutches when football season opened.

Coach V. M. Morrison is quite happy that Hassell is finally able to begin practice. "We will let him work out for a week or so and see how that foot comes along," the coach says.

"Hassel might be able to play next week but I think it will be best to hold him for a while. He has kept up with the team so far as all the plays are concerned and he has been handling the ball a lot, even though he was not able to play."

"I believe Hassell could step in right now and call a good ball game for us. However, I'm not sure that he will even play quarterback. His cousin Pud has been doing a fine job and I may shift Butch to halfback."

"Either one of the boys could do a good job at halfback. Of course a lot depends on how that foot comes around. There is a chance

that it will be a while before Butch gets his speed back," Coach Morrison continued.

Last year Butch was one of the top passers in the Seashore Conference. He should be a big asset to the Seadog aerial attack. With Butch throwing from the right side and Pud passing from the left, the Seadogs will have a double threat in the passing department.

Beaufort fans can look forward to seeing Butch in his first home game against Farnville on Oct. 10. That will be homecoming night for the Seadogs and a special program is being prepared for the halftime.

## Ladies' Day Winners At Golf Club Announced

Mrs. George Wallace, Mrs. Lockwood Phillips and Mrs. Don Femia were winners during ladies' day at the Morehead City Golf and Country Club Tuesday morning.

Mrs. Wallace won the lowest putts prize for having only 11 putts on nine holes. Mrs. Phillips and Mrs. Femia tied for the lowest scores on the "blind holes." The women received golf balls as prizes.

## Pier Fishermen Report Kings Are Hitting Good

By BOB SIMPSON

Ocean pier fishermen are again catching big kings: since the record 45-pounder from Thompson's, two more from Thompson's, three from Sportsman Pier and from Triple-Ess Pier, a 37-pounder by Woodie Wilson, Morehead City.

Marvin Roberts and George Whittle, Morehead City, came in the other evening with a 17-inch croaker weighing 2½ pounds. They had been fishing inshore of Shackleford Banks. There have been several reports lately of 1¼ to 2-pound croakers.

Mary Z. Dolphin, Blue Water and Sunny Too, all bill-fishing Wednesday, raised or hooked a total of 8 snails, blue and white marlin. Seven or eight jumps from Mary Z's marlin before the line was broken around the rod tip, and Capt. Bill Olsen's heart broke too.

Spots appear to have moved into sound and river, with reports of good catches now coming from Mom and Pop's and Bunch's. Good croaker catches are also reported at Mom and Pop's and Fleming's. Spots and blues continue from the ocean piers, along with flounder, pompano and trout in varying numbers.

Capt. Bill Ballou just passed along the word that Miami's famous taxidermist and sportsman Al Pfeuffer will be on hand for the Fabulous Fishermen's trophy dinner at the Morehead Biltmore Thursday evening, Nov. 6.

## Morehead City Jaycees Put Gridiron in Shape

The Morehead City Jaycees have completed all their projects at the football field and it is ready for the Morehead City-Swansboro game tonight.

The improvements at the field include repairing and painting all bleachers, new refreshment stands, new restrooms, a new ticket booth and repairs to the lighting system.

President Jerry Willis reports that only \$100 more will be required to pay for the restrooms. Individuals and business firms have donated about \$700 toward the cost, leaving the \$100 balance.
