Canadian Motorists Say Canada, US do Not Agree Newfane, N. Y. (AP)—Canada and the United States don't agree on everything, a Canadian motorist told Peace Justice Clive Merritt.

The Canadian had been fined \$10 for failing to report that his car hit and killed a dog. Another motorist reported his license number to New York State police.

But in Quebec, he and his son were fined \$10 each because they DID notify the police of killing a dog, the Canadian told the justice. He said Quebec authorities levied the fines for "unnecessary deploying police."

It was J. B. Johnson who made the first attempt to swim across the English channel. That was in 1872. He remained in the water only 65 minutes.
