

# Havelock Rams to Invade Eagle Territory Tonight

The Morehead City Eagles will play host to Havelock tonight on the Camp Glenn field. It will be a non-conference game for the teams but a more than usual amount of rivalry exists between the two schools.

Havelock has a well-coached squad that features rugged line play and the running of fullback James Seaton through the middle. The Rams have a couple of seat-backs who can move with real speed.

The Eagle line, though inexperienced, has developed well in the early season games and should stand up quite well against Havelock's big, hard-charging linemen.

**Team Ready**  
Havelock coach John Barnes says his team is ready for the game and he has hopes that his squad may upset the Eagles. Eagle coaches Norman Clark and Hugh Gordon have a healthy respect for the Rams and have been working their players hard in preparation for the contest.

Havelock enters the game with a record of three victories and one loss. The Rams beat Camp Lejeune, Beaufort and Contentnea in their first three games. They dropped a 6-0 decision to LaGrange in their last outing.

**Three Wins**  
The Eagles, after losing their opener to New Bern, have won three straight. The Eagle victims include Cary, Swansboro and Jones Central.

Probable starting lineup for the Eagles will have Jim Lawrence and Johnny Baker or Gary Walters at ends, Jerry Garner and Lynwood Durham at tackles, Leslie Nelson and James Leigh at guards, Mokey Lasitter or Bob Willis at center, Jackie McQueen at quarterback, James Guthrie and Ted Garner at halfbacks and Freddie Oglesby at fullback.

The Morehead City Jaycees have cleaned the field in preparation for the game. They will have three concession stands in operation during the game for the convenience of the fans.

## Thick Water Slows Fishing

**By BOB SIMPSON**  
Capt. Bill Olsen of the private yacht Mary Z reports that offshore waters are still muddy, or "thick", as the skippers say. Some boats have been out, but have picked up only a few false albacore.

Sound and river piers report fairly good fishing for spots and hogfish. B. J. White reported that Mrs. White took a party drift fishing in the inlet. Although they were soon rained out, they came back with 22 blues and 7 flounder.

So far as we know, there has been no inshore activity since the blow. Danco will be making weekend trips.

Most of the fishing news has been coming from the ocean piers, where anglers were picking up spots, sea mullet and croakers as early as Sunday morning. Spots lead the list now, with plenty of blues and pompano, and a definite increase in speckled trout and puppy drum. Blues and trout are running extra large (speckled trout up to 3½ pounds), and spots the biggest to date this season.

G. A. Harper of Swannanoa, fishing for only 2½ hours from Triple-Ess Pier, caught 40 big blues and 20 pompano. Lee Schlingman, Morehead City, fishing for only 15 minutes from one pier, picked up 6 blues.

Mr. and Mrs. F. L. Hardison of Raleigh reported 100 spots, 60 blues and 3 trout from Sportsman Pier. H. P. Curlee, Raleigh, caught 30 blues and 5 speckled trout from Thompson's Pier.

## Seadogs to Travel to Contentnea For Conference Contest Tonight

The Beaufort Seadogs will travel to Contentnea for a conference game tonight. The Seadogs, with a record of one victory and two losses in conference play, will be favored over the home team which has dropped four straight conference tilts.

The Seadogs have won two and lost two this year overall while Contentnea has dropped all five of its games.

**Hassell at Quarterback**  
With Butch Hassell taking over his old quarterback post and Pud Hassell at halfback, the Seadogs have a potent passing game. Pud was one of the top Seadog receivers last year, along with ends Gordon Becton and Calvin Jones.

Butch was a great passer last year and his lay-up has not seemed to affect his passing accuracy. The Seadogs will also be ready to show Contentnea a strong running game.

Quion Dudley, Eddie Taylor and Eugene Roarty will all see action as halfbacks and Ernest House will be running from the fullback slot. Both Hassells are good runners as well.

**Line Improves**  
The Seadog line is improving with every game and Coach Morrison predicts that in another week the Beaufort forward wall will be hard to match.

In addition to Becton and Jones at ends, David Willis and John Smith will start at tackle, Gray Simpson and Joe Powell will start at guards and Lonnie Dill will be at center. Also expected to see lots of action in the line and as a defensive halfback is Dallas Willis.

The Seadogs will be at home next week for a game with Farmville. Last year Farmville and Beaufort battled to a scoreless tie in the state play-offs. Farmville advanced because of more yardage gained from the line of scrimmage. The Seadogs are hoping for a different story this year.

## Jaycees Clean Football Field

The Morehead City Jaycees met Monday night for their regular meeting and again Tuesday afternoon for work at the football field. They cleaned up the field, repairing what damage they could.

Hurricane Helene blew down part of the fence and the scoreboard. The most serious damage was to the lighting system. Several of the poles were blown out of position, though none were completely blown over.

The power company told the Jaycees that the field would be ready for tonight's Morehead City-Havelock game. The game will begin at 8 p.m.

President Jerry Willis reports that the gate for the Jones Central game was only \$300. He said the cause for this was the bad weather preceding the hurricane. The concession stands grossed about \$175 during the contest.

A. H. James, county juvenile judge, was the guest of the club at the meeting Monday night at the Blue Ribbon Club. Mr. James discussed juvenile delinquency in the county.

**Economy In Office**  
Rawlins, Wyo. (AP) — Carbon County Democrats got a built-in campaign platform when they elected new officers recently. The new county chairman is George P. Economy.

## Gridders Eat Free Meal

The Beaufort football team was treated to a roast beef dinner at the lunchroom before last Friday's game with Camp Lejeune. Coach V. M. Morrison says the dinner will be a regular event before each home game. Waitresses shown here are Jennie Duncan, left, and Iva Faye Hill. Players, left to right, are Dallas Willis, Paul Downum, Walter House and Gordon Becton.

## Trenton Beats Knights, 20-14

By JAMES PETTEWAY

The Queen Street Knights dropped a 20-14 decision to Trenton Monday night for their first loss of the year. The Knights, playing without two key backs, had trouble with fumbles and did not move the ball well after the first quarter.

Quarterback Tyrone Ellison, playing with a bad knee and an injured ankle, had to leave the game at the end of the first quarter with the score tied at 6-6. Halfback Ray Fenderson, Queen Street's top runner, was injured in the Edenton game the week before and did not even dress for the game.

**Pass Completed**  
With Ellison in the game the Knights threatened to score an easy victory early in the first quarter. Ellison completed a 32-yard pass to Toby Fenderson for the first Queen Street touchdown shortly after the opening kickoff. Trenton came back to tie the score late in the first period on a 62-yard sustained drive. Queen Street struck again via the aerial route late in the second quarter.

With time running out in the half, Toby Fenderson hit end Johnnie Teel with a 16-yard pass good for a score. Teamus Davis added two extra points by running.

**New Rule**  
All teams playing under the North Carolina Negro High School Athletic Association have adopted the rule of one point after a touchdown on a kick and two points on a pass or run.

Trenton came back strong in the second half to score touchdowns in each of the last two quarters for their 20-14 victory.

Ellison, who played most of the first quarter, completed 8 of 10 forward passes, one for a touchdown.

**Golf Club to Observe Tuesday as Ladies' Day**  
Tuesday is ladies day at the Morehead City Country Club. A putting contest will be conducted next Tuesday. Beginners and advanced players will play in different flights. Mrs. Gloria Baughman will be in charge of the events.

**Team Honored**  
Fry Roofing Co. honored the Small Fry Little League baseball team at a dinner at the Rex Restaurant Tuesday night. The Small Fry, coached by Ernest Lewis, won the Morehead City Little League championship. Among the invited guests was Madelyn Kemp, the only girl "elected" to a Little League team. She served as bat boy.

**Football Picnic**  
The Morehead City Touchdown Club sponsored a picnic for members of the Morehead City football team Monday evening at Fort Macon. Nick Galantis made arrangements and did the cooking for the picnic. About 50 players and guests attended.

## Coastal Conference Secretary Releases Grid Standings

Coastal Football Conference secretary Jasper Lewis of LaGrange has announced the results of games played by conference members last week, also tonight's conference schedule and the conference standings.

Results follow: Beaufort 13, Camp Lejeune 7, non-conference; Farmville 7, Ayden 0; LaGrange 6, Havelock, 0; Robersonville 20, Vanceboro 0; and Pamlico Central 18, Contentnea 6, non-conference.

Tonight's games follow: Beaufort at Contentnea, Farmville at Robersonville, Vanceboro at LaGrange, Williamston at Ayden, non-conference, and Havelock at Morehead City, non-conference.

Conference Standings Follow:		
Won Lost Tied Pct.		
LaGrange	3	0 0 1.000
Robersonville	3	0 0 1.000
Farmville	2	0 0 1.000
Havelock	2	1 0 .667
Beaufort	1	2 0 .333
Vanceboro	0	2 1 .167
Ayden	0	2 1 .167
Contentnea	0	4 0 .000

## Queen Street Team Disappears in Bus

The Queen Street Knights were engaged in a game of cops and robbers yesterday. The team left early in the morning for a game with Perquimans High School at Winfall.

Principal Randolph Johnson received a call from the coach at Winfall saying the game would have to be called off because of bad weather. By this time the Knights were well on their way.

Mr. Johnson called the Morehead City police, asking them to call New Bern police and have them send the Queen Street bus back to Beaufort.

The New Bern police missed the bus and sent the word ahead to have the bus turned around. At 3 p.m. yesterday Mr. Johnson said that his football team had "disappeared." No one had seen the team all day. They were riding in a bus driven by Chuck Hall.

**Special Chicken Feed Produces Bouncing Eggs**  
Milwaukee (AP) — Eggs that bounce when dropped? They're in the offing for housewives. C. Del Robbins, an official of a major food firm told the annual meeting of the National Association of Retail Meat and Food Dealers.

Bouncing eggs that will not crack are being developed by feeding hens antibiotics to toughen the shells Robbins said.

**Want Ad Brings Results From 200 Miles Away**  
Tulsa, Okla. (AP)—A gold bracelet was lost in Tulsa by Mrs. C. C. Rogers who gave up hope of having it returned, but she advertised in a newspaper anyway. Three days later she received a telephone call from a town 200 miles away. The caller told her she had found the bracelet and had read of its loss in the Tulsa paper.

## Newport Rotary Club Discusses School Bond Issue

Harry D. Locky, program chairman, presented an informational program on the proposed school bond issue at the meeting of the Newport Rotary Club Monday night.

Moses Howard presided during the discussion. H. L. Joslyn, a visiting Rotarian and county superintendent of schools, spoke briefly. A question and answer period concluded the program.

In addition to Mr. Joslyn, visitors were W. C. Carlton and Dr. Al Chestnut, both of Morehead City.

Ed Comer, vice-president, opened the meeting in the absence of the president, Junius Creech.

## Negro News

Beaufort—The Jolly Makers Club met at the home of Mrs. Olive Godette Monday night. Mrs. Flora Gordon, president, called the meeting to order and presided at a short business session. Final plans for the bazaar were discussed.

Attending were Miss Barbara Vann, Mrs. Gracie Jordan, Mrs. Dorothy Jones, Mrs. Alena Wilder, Mrs. Rosa Lee Hyman, Mrs. Elizabeth Oden, Mrs. Louise Nolen, Mrs. Greta Henry, Mrs. Sarah Fletway, Mrs. Evania Jones, Mrs. Gertie Vann, and Mrs. Flora Gordon.

During the social hour the hostess served pineapple salad, ritz crackers, candy, ginger ale. The next meeting will be at the home of Mrs. Louise Nolen.

Mrs. Henrietta Hargett, Mrs. Carrie Glenn, Mrs. Maggie Anderson, and Ray Anderson spent last weekend in Hookerton as guests of the Rev. and Mrs. O'Bryan.

Miss Florence Virginia Gorham, matron of the colored orphanage at Oxford, spent the weekend at her home in Beaufort. Her parents, Mr. and Mrs. Charles Gorham, took her back Tuesday.

Morehead City—There will be another "Feeling Party" at 7:30 tonight at the parsonage for the benefit of the 100-Lady, Mrs. Naomi Becton of St. Luke's Missionary Baptist Church. Anybody who wants to know what a "Feeling Party" is has to attend to find out.

Pies, cakes, pig's feet and chitterlings will also be on sale at St. Luke's parsonage.

**Birth at Morehead City Hospital:**  
To Mr. and Mrs. Andrew Raynor, Newport, a son, Saturday, Sept. 27.

**Morehead City Hospital Admitted:** Saturday, Mrs. Lovie Raynor, Newport; Master Gregory McCabe, Havelock; Mrs. Kathryn Willoughby, Morehead City.

**Monday, Miss Sara Britton, Mrs. Clella Best, Morehead City; Mrs. Rosella Godette, Havelock; Miss Barbara Hobbs, Beaufort.**

**Tuesday, Mrs. Dorothy Dize, Morehead City; Mrs. Ethel Jones, Newport.**

**Discharged:** Sunday, Master Gregory McCabe, Havelock; Monday, Mrs. Esther Wallace and son, Beaufort.

**Tuesday, Mrs. Eula Warren and daughter, Mrs. Clella Best, Miss Ovella White, Morehead City; Mrs. Emma Davis and daughter, Beaufort.**

**Wednesday, Mrs. Lovie Raynor and son, Newport; Miss Sara Britton, Morehead City.**

## Obituary

**MRS. NINA MURRAY**  
Funeral services for Mrs. Nina Lillian Holland Murray, 35, of Morehead City, who died last Tuesday at Morehead City Hospital, were conducted Sunday at St. Stephen's A.M.E. Zion Church by the Rev. O. R. Ellis, pastor. Burial was in Bayview Cemetery.

Surviving are her husband, George Murray; twin daughters, Ninette and Gergette; one son, George Jr.; one step-daughter, Shirley Mae, all of the home; her parents, Mr. and Mrs. Charles Holland Sr.; five brothers, Jessie Amos, Charles Jr., and Andrew, all of Morehead City; Sgt. David Earl Holland of Pittsburgh, Pa., and Pfc. Elijah Holland of Quantico, Va.; two sisters, Mrs. Maggie Campbell of Baltimore, Md., and Miss Esther Holland of Paterson, N. J.

## Princess Thinks Men Should Head Household

Hartford, Conn. (AP) — A Romanian princess advocates the return of the American male to his rightful place as head of the household.

Princess Ileana, now Ileana Isarescu, American housewife and mother of six, believes it is the duty of the American woman to see to it that the men accept this position. "There must be resumer the strength of family organization and authority. Let us women—it depends so much on us—try to bring about that model of a family for the sake of our children."

The princess feels delinquency is mostly due to the falling apart of the family organization. The parents must set the example if they expect obedience from children.

## 'I Wanna Paper'

One of the youngest customers at THE NEWS-TIMES is 4-year-old Beverly Raye West, who is shown above buying a paper. Miss Ellen Bordeaux, right, women's page editor, is handling the transaction. Beverly Raye is the daughter of Mr. and Mrs. Leonard West, 105 B. N. 6th St., Morehead City. She's so tiny that she can't be

seen over the counter. The screen door seems, to the folks in the newspaper office, to open all by itself, and in a few seconds a little hand appears on the top of the counter and lays down a dime.

To get the above picture, Beverly was persuaded to come around the counter. She didn't like the idea of having her pic-

ture taken, just clenched her tongue between her teeth!

Another young customer, about 3, was invited to have his picture taken when he bought a paper the other day. He made no reply, just glared and ran out the door, clutching the paper in his hand.

Oh, incidentally, this is National Newspaper Week.

## Powell Street Payments to Towns In County Total to \$40,465 for '58

Powell Bill street funds allocated to Carteret towns this month total \$40,465.41, a decrease of \$105.53 from 1957's allocation of \$40,570.94. All towns in the county, with the exception of Newport, are getting slightly less this year than in 1957. Newport is getting about \$200 more.

The Powell bill authorized in 1951 the setting aside of a half cent from the regular 6-cent tax on a gallon of gas, this half cent to go to cities and towns for the maintenance of streets not on the highway system.

The apportionment is made half on the basis of population and half on the basis of non-system mileage. The towns and the miles on which their apportionment was based follow: Atlantic Beach \$2,652.71 for 5.42 miles (1957—5.42 miles, \$2,734.84); Beaufort \$10,418.92 for 7.65 miles (1957—7.54 miles, \$10,483.44); Emerald Isle \$3,648.97 for 7.76 miles (1957—7.28 miles, \$3,533.54); Morehead City \$19,769.88 for 18.81 miles (1957—18.8 miles, \$20,053.19); Newport \$3,974.93 for 5.40 miles (1957—4.8 miles, \$3,765.94).

Census figures of 1950 are used for determining apportionment on the basis of population. The State Highway Commission attributes the reduction in certain allotments to the recent recession when gasoline sales dropped.

The SHC also points out that statewide allocation, totaling \$6,477,457.37 increased by only \$425.19 this year, while local street mileage increased 215.39. The proportionate rate of payment per mile is therefore less this year than last.

The per capita rate is \$2.12 and per mile rate \$470.22. The 407 participating municipalities had 6,887.57 miles of non-highway system streets. Their total population, according to the 1950 census, was 1,324,960.

During 1951, the first year of its existence, a total of \$4,543,096.20 was allocated to the 386 eligible municipalities. This figure has increased over the years to \$6,477,457.37 in 1958.

## LAIRD'S APPLE WINE

## Good News About 4-H

By Harry Venters, 4-H Advisor

4-H club meeting time is rolling around again. The Newport 4-H clubs will meet next Wednesday, the Atlantic 4-H on Thursday and the Harkers Island 4-H clubs on Friday.

I would like all of you who have not turned in completed Project Record Books to bring them to club meeting with you. Put them in your notebook now, and you will have them when your club meets.

All 4-H clubs began electing officers last month, and the first business this month will be to complete the selection of officers. Since all clubs elected a president at the last meeting, he or she will preside this month and be in charge of the program preceding the business meeting.

After all business is completed, the boys and girls will separate and projects will be discussed. Mrs. Garner will explain the girl's projects and tell what is required to complete each project. I will try to do the same thing for the boys.

All of you except those beginning

4-H for the first time this year, know something about most of the projects. You must realize that there are some projects that you cannot complete. For instance, it would be impossible to complete a tobacco project if you do not grow tobacco on your farm.

As Mrs. Garner and I explain the purposes and requirements of these different projects, try first to select the ones that you have the physical requirements to complete. Narrow the field down by asking yourself if this project will help you, your family or community.

Narrow it down still further by selecting a project dealing with a subject that you are interested in. Do not select a project such as "electric" unless you are really interested in learning about electricity and its uses to you and your family.

This next meeting is perhaps the most important of the school year. Your success in 4-H will depend largely on how well you select your project.

See you soon!
