Class Pictures are Taken; Senior Class Elects Officers

By JAYNE FERGUSON

"Cheese" was the password at Morehead High this week as class pictures were taken. We can hardly wait to see the results.

Last Friday, the seniors elected class officers. They are president, James Guthrie; vice-president, Freddie Oglesby; secretary, Cynthia Davis; treasurer, Jo Anne Lockhart.

The freshmen, sophomore, and junior classes have not yet turned in their officers.

At the first FHA meeting of the year, a symposium explaining the meaning and activities was given. There was an election of officers also. They follow:

President, Geri Reed; vice-president, Barbara Nichols; secretary, Jo Anne Lockhart; treasurer, Lynette McBride; reporter, Barbara Saratowski; song leader, Carita Lockhart; and pianist, Janice Lovick.

The district 2 FHA rally was announced. It will be held in New Bern, Oct. 4.

Two weeks ago, while listing new teachers, this reporter made a big error. I forgot to mention our other welcome teachers, Mr. Wooten.

Mr. Taylor and Mr. Gordon. Welcome.

The juniors didn't quite reach their goals so the magazine drive is being extended till the third.

On Sept. 23, the Library Club met in the school library to elect officers. Clarence Styron, the former president, introduced the new officers. They are president again, Clarence Styron; vice-president, Ashley Jarman; secretary and treasurer, Marilyn Brittingham.

As most of you know, our football team won again Friday night. That makes three victories and one loss. We play host to Havelock next Friday.

I regret to say that this will be my last article. I'm returning home to Okeechobee, Fla., where my parents are. I want to thank you for reading this column these past few weeks. I hope you've enjoyed reading it as much as I've enjoyed writing it.

I want to take a minute and wish the senior class of Morehead, of which I was a member these past few weeks, all the luck and success in the world. I wish I could be here to graduate too. Again I thank you. Your roving reporter, Jayne Ferguson.

New Bern Driver Hurt in Accident Early Yesterday

Isaac E. Pennuelli, route 2 New Bern, suffered severe cuts on the head and bruised elbows and knees at 1:15 a. m. yesterday when his car ran off highway 70 a half mile west of Newport.

Pennuelli told Patrolman Smith that he was headed west, passing a car, when he met two cars abreast coming toward him. To avoid them, he went over on the left shoulder of the road, knocked down a "curve" sign and continued two-tenths of a mile before hitting two telephone poles standing side by side.

Pennuelli was taken to the Morehead City Hospital by the Newport rescue ambulance. Charges are pending.

Beaufort firemen answered a call to the school cafeteria at 1:25 p. m. yesterday. They said steam pipes had just been painted and when the pipes got warm, "smoke" started coming down the air vents. Nothing was on fire. Children were evacuated, returned to classrooms and firemen went back to the station.

Sparky says: Be ready with TWO ways out of every room

Don't give fire a place to start!

Weather Report
The mercury dipped to a low of 59 early Monday and Tuesday mornings. A more normal 69 was recorded Wednesday. The maximum temperatures for each day follow: Monday, 74, Tuesday, 83, and Wednesday, 81. The wind blew from a southerly direction until it shifted to the northwest Wednesday afternoon. Thursday was considerably cooler.

Morehead City Woman's Club Sees Movie on UNICEF Tuesday

A program on UNICEF was presented at the opening meeting of the Woman's Club Tuesday night at the civic center. Mrs. A. B. Roberts, chairman of international affairs, was in charge of the program.

She spoke briefly, saying that something new had been added to the Halloween trick or treat: UNICEF, the United Nations International Children's Emergency Fund. UNICEF gives everyone a chance to help needy children all over the world. One cent will provide six glasses of milk to a child.

A color movie starring Danny Kaye, Assignment Asia, was shown. The members were urged to give freely when children call on Halloween, as all funds collected will go to this cause.

Mrs. D. Cordova, club president, presided at the meeting. Mrs. A. F. Chestnut gave the devotions. The Cross—A Key to a Happy Life. Galway Bay and Without a Song were sung by Miss Bernice Willis, accompanied by Mrs. Linwood Brinson.

The treasurer reported \$58.48 in the treasury. The district meeting, to be held in Trenton Nov. 1, was announced.

Mrs. Cordova expressed appreciation to the program yearbook committees for the fine work done and especially to Mrs. Milton Roush for her work on the cover, an attractive sketch of the front door of the civic center.

Refreshments were served by the Literary and Art Department and Mrs. Roush presided at the punch bowl.

It's Salvation Army Time

Capt. Sam Adler, Morehead City, above, who is the Salvation Army's mainstay in this area, announces that the Salvation Army drive will get under way Monday.

The Salvation Army last year restored six families to housekeeping in this section. Mr. Adler reports, and it is continually buying food, fuel or clothing for persons in need.

To carry on the Army's charitable works, funds are needed. For that reason Cap'n Sam asks everyone to do just a little bit to help out in the week-long drive.

In front of his store in Morehead City is the traditional Salvation Army kettle where you can drop your coins or dollar bills. Checks can be mailed to Mr. Sam Adler, Salvation Army, Morehead City, or to Dr. S. W. Hatcher, treasurer, Morehead City.

Cap'n Sam has been carrying on the Salvation Army's work for the past 10 years, continuing his hobby of helping people. He was recently featured in an issue of Drumbeat, the Salvation Army publication in North Carolina.

His picture, biography and story of Salvation Army activities were published. The article concluded, "While Mr. Adler's heart is big enough to envelop the nearby Atlantic Ocean, he is extremely modest about his altruism. From coast to coast, Cap'n Sam is listed as one of the Salvation Army's staunchest supporters."

Man Returns Home, Calls Paper to Catch up News

Ponca City, Okla. (AP)—City editor Max Stokesberry of the Ponca City News was asked on the telephone if he had seen a story on the funeral of so-and-so.

"No," he answered.

"Well," said the caller, "that's all right. I've just been out of town a while and wondered if so-and-so had died."

Albuquerque, N. M. (AP)—Ernie Ford fans take note: The New Mexico Labor Department says there was a big midsummer shortage of one type of workers in central New Mexico—pea pickers.
