

Five Golfers Are in Running For Club Title

Five golfers are still in the running for the Morehead City Golf Club championship. They are Horace Tyler, Jim Connor, Marion Mills, L. G. Dunn and Warren Beck. Dunn and Beck will meet this week to decide which one will enter the semi-finals.

In gaining the semi-finals, Tyler beat Wayne Thompson 3 and 2; Connor beat George Lewis 1 up and Mills beat Cy Adams 1 up.

The opening round saw the following results in the championship flight: Beck over Oscar James 5 and 4; Dunn over W. H. Potter 2 and 1; Tyler over Jerry Whitfield 5 and 4; Thompson over Bernie Morton 3 and 2; Connor over Phil Ball 3 and 2; Mills over Dick McClain 6 and 5; Adams over Henry Kirk 5 and 4; Lewis over Bud Dixon by default. Losers in the opening round will form the consolation flight.

In the second flight P. H. Geer Jr. downed Vic Bellamah 5 and 4; Dave Munden beat Dave Adams 1 up; Gilbert Potter downed Gray Hassell 3 and 2; Walter Morris beat Walter Teich, 3 and 2.

Robert Seamon and Walter Morris Jr. are in the finals of the third flight. Seamon beat E. W. Downum 3 and 2 and Morris beat Floyd Chadwick Jr. 2 up. In the opening round Downum beat B. B. Baugus 5 and 4; Seamon beat Gene Smith 3 and 2; Morris beat James Potter and Chadwick beat Tommy Potter.

There was no club championship tournament last year.

J. P. Harris Wins at Show

J. P. Harris, Beaufort, and Golden Lady, his three-gaited saddle horse, won two ribbons and a silver platter at the LaGrange Horse Show Sunday afternoon. The show was sponsored by the LaGrange Jaycees and attracted 75 entries from all over the state.

Mr. Harris and Golden Lady entered only two of the 17 events. The Beaufort combination placed first in the western pleasure horse division, topping five other entries. In that class Mr. Harris got a blue ribbon and the platter.

In the championship pleasure horse, western or English, Mr. Harris won a golden ribbon as he finished third in a field of 22.

The three gaited Golden Lady was judged on were walk, trot and canter. The show also had classes for walking horses, five gaited animals, children's pets and others.

Mr. Harris declares it was the first show for either him or his mount. "We went up for the trip and to get a little experience," he said. Mr. Harris was the only entry in the show from this county.

Eight Morehead City Golfers Play in Tourney

Golf pro C. C. McCuiston and seven members of the Morehead City Golf Club are playing in the pro-am golf tournament at Cherry Point today.

Golfers in the tournament are Horace Tyler, Marion Mills, Walter Teich, Lockwood Phillips, B. C. Brown, George Lewis and Robert Seamon.

Coastal Bow Hunter Makes First Kill in Open Grounds

Photo by Roy Eubanks

Steve Zucha, Open Grounds guide, killed this five-point buck Monday, Oct. 6. Zucha stalked the deer in the Open Grounds and killed it at a range of 12 yards with a 48-pound bow. The arrow went in on the left side and came out on the right. The buck weighed 145 pounds.

A 145-pound five-point buck was the first victim of a Coastal Bow Hunter last week. Steve Zucha, a club member as well as a guide in the Open Grounds, killed the buck while hunting alone.

Zucha, who has been a guide for six years, has killed many deer but declares that Monday's hunt was his biggest thrill. He spotted the deer at some distance and circled to get downwind from it.

In stalking the deer, Zucha kept to cover and moved quietly. When he got within 12 yards of the buck he took his shot. The arrow, a

three-bladed broadhead, went completely through the deer. It broke ribs on the left side of the animal when it went in, tore through the lungs and went out on the right side. Zucha was using a 48-pound bow.

The deer ran about 60 yards before it collapsed in the brush. Zucha carried the deer out, brought it to Beaufort and had pictures made. Never before has he been so proud of a kill.

Archers declare that there is much more sport in stalking deer and killing them with a well-placed

arrow than in shooting from 100 yards with a rifle or from 50 yards with a shotgun.

Most of the archers use guns during the shooting season, though. They realize the odds are against their killing a deer with bow and arrow. "It's even fun to miss with a bow and arrow," says one club member.

The Bow Hunters, disbanded during the summer, are getting reorganized now. Dr. Berl Lewis, Morehead City, is acting president. He asks that anyone interested in bow hunting contact him at his office.

Eagles Lose to Wallace Team By 13-7 Margin Friday Night

The Morehead City Eagles lost the chance to defend their state championship when they dropped a 13-7 decision to the Wallace Bulldogs at Wallace Friday night. It was the big game of the season for both teams and could have gone either way.

All three touchdowns of the game were scored in the third quarter. The first half saw the Eagles put up a stiff defensive battle to stem the Bulldogs' early rush.

The Eagles kicked off and Wallace returned the ball all the way to the Morehead City 20-yard line. On the first play a Wallace back broke through the Eagle line for a 12-yard gain to give the Bulldogs the first down and goal to go on the Morehead City eight. The Eagles held for downs.

The Eagles punted the ball out of the danger area and kept the Bulldogs at bay for the remainder of

the half. The first half ended with the Eagles putting on their best march of the game.

Two successful screen passes moved the ball to the Wallace 44-yard line. On the second pass, James Guthrie needed only one more block to break away for the distance but an alert Wallace defender cut him down.

The half ended with neither team being able to score but with Wallace holding the advantage most of the time.

The third quarter exploded with action. Wallace kicked off to the Eagles and James Guthrie, playing deep, couldn't get the ball off the ground until it had rolled to the nine-yard line. He was stopped in his tracks as soon as he started to run.

The Eagles lost six yards on their first play and elected to punt out of their bad position. A Wallace

back returned the ball to the Morehead City 18 to set up the first touchdown.

On the first play Wallace gained four yards and scored on a 14-yard run the next play. The attempted conversion was wide and the Bulldogs led 6-0 with about two minutes gone in the quarter.

The Eagles found themselves in the shadow of their goal posts on the next kickoff. Guthrie had taken the ball out to the 18 but a clipping penalty moved the ball back to the three.

Morehead City moved the ball out as far as the 15 before having to punt. Wallace returned the punt to the Morehead 44. On the first play they lost two yards, they gained 13 on the next, 26 on the next and scored from the Morehead seven-yard line. The Bulldogs kicked the extra point and moved into the lead by 13 with six minutes left to play in the quarter.

The Eagles took the Wallace kickoff and did not lose possession of the ball as they marched all the way for their touchdown. Guthrie

Women Golfers Win in Tournament

Mrs. George Wallace and Mrs. William Davies represented the Morehead City Golf Club in the winners' circle at the Coastal Women's Golf Association tournament at Cherry Point Thursday.

Mrs. Davies had low gross score in C flight with 102. Mrs. Wallace topped D flight with a score of 107.

Tournament champion was Mrs. Phil Anderson of Camp Lejeune who had a gross score of 83 for the 18 holes. Other women from the Morehead City Club who played were Mrs. C. C. McCuiston, Mrs. W. C. Carlton and Mrs. Gene Smith.

Late Rally Gives Beaufort 12-6 Win Over Farmville

Seadogs Score Winning Tally in Last Minute

The Beaufort Seadogs overcame a bad case of jitters in the last quarter to whip Farmville's Red Raiders 12-6 in the Beaufort homecoming game Friday night.

The Seadogs received the opening kickoff and fumbled on the first play, allowing Farmville to take over on the Beaufort 40 yard line. The Raiders couldn't move the ball and punted to the Beaufort eight yard stripe.

Eddie Taylor moved the ball out to the 13 on the first play but on the second play Beaufort fumbled again and Farmville recovered on the eight. On fourth down, fullback Clarence Moore plunged over from the two for the touchdown. The attempt for the extra point was no good and Farmville led, 6-0.

The Seadogs took Farmville's kickoff and ran it back to the 40. When they were unable to move against the Farmville line, Pud Hassell went back to kick. He got a good snap from center but couldn't find the handle on the ball. Finally he tucked it under his arm and tried to run it out. The Raiders smeared him on his own 30 and took over with a first down.

On the first play left end Clyde Killebrew snagged a long pass and went into the end zone standing up. The touchdown was called back and a five-yard penalty was walked off against Farmville—off sides.

Killebrew caught another pass and was downed on the Beaufort 16 as the first quarter ended.

The Seadogs began to come to life in the second quarter. While their offense was still unable to move, the Beaufort defensive unit was playing a good game in holding off the Raiders.

In the final minute of the first half Beaufort launched a drive that had the Seadogs on the Farmville 20 when time ran out. Guion Dudley got the Seadogs moving when he intercepted a pass and ran it back for some 30 yards.

The Seadogs knotted the score in the third quarter. Quarterback Butch Hassell completed a 35-yard pass to end Gordon Becton who was caught from behind and hauled down on the 11 yard line. Butch scored on the next play. He rolled out to the right, jumped into the air for a fake pass then skirted his right end to go into the end zone untouched.

Beaufort tried a run for the extra point and the Farmville line held to keep the score at 6-6.

The Seadogs scored the winning touchdown with less than two minutes left in the game. Midway through the final period the Seadogs launched a drive that was going strong on the Farmville 42 yard line.

Eddie Taylor, who had been a good gainer for the Seadogs, fumbled when he was hit hard and Farmville took over on its own 40.

The Seadogs held for downs and the Farmville punter kicked the ball straight up. It rolled dead less than five yards from the line of scrimmage.

Beaufort took to the air with Butch Hassell completing passes to ends Calvin Jones and Becton. Pud Hassell scored from the six yard line.

With time running out, Farmville took Beaufort's kickoff and began to shoot the works for a tying touchdown. Dudley again saved the day as he intercepted a pass deep in Beaufort territory and ran it out. The Seadogs ran

TD Club Plans Trip for Team

The Morehead City Touchdown Club directors voted Thursday night to finance a trip to Washington for the entire football team. The team will see a Washington Redskins game.

Since the club has only \$42 in the treasury at the present time, the directors present approved a new membership drive to raise \$400. There are 121 members in the club now. The size of the club will have to double before the necessary \$400 is raised at \$3 per member.

So far, the club has given \$240 to the summer recreation program, \$200 to the high school, \$50 to the Jaycees for construction of rest rooms at the field, \$25 for the sign west of the city limits, \$12 for practice movies and \$5 to take players to a television program for an interview.

The directors discussed the need for a midget football program in Morehead City. They voted to help finance such a program next fall.

Treasurer Nick Galantis resigned his position and accepted a job as director. Director Frank Cheek was appointed to fill the treasurer's job.

Others present were Bernard Leary, president, John Baker, Thomas Oglesby, Edward Earl Guthrie, and Dr. Russell Outlaw.

High School Band Goes to Duke

Early Saturday morning the Morehead City High School Band journeyed to Duke University. The purpose of the trip was to play for Duke Band Day. The red and gray uniforms of Morehead City's 65-piece band, under the direction of Ralph Wade, was colorfully blended in the Duke Stadium with over 75 other bands.

At the Duke Stadium the bands played for the Duke-Baylor game during the half-time. Among the selections were Autumn Leaves, Blue and White, Jeanie With The Light Brown Hair, National Anthem, and the most beloved of all, Dixie.

After the game was over, the band went to the S&W Cafeteria in Raleigh and headed back to Morehead City. The group reported a most enjoyable trip.

out the clock with plays straight up the middle.

B. E. Tarkington, Beaufort principal, estimates the homecoming crowd at over 1,000. He said the gate receipts came to \$575, not counting season tickets. A number of students participating in the halftime ceremonies did not pay to get in.

With two home games remaining, Mr. Tarkington says the team is already out of debt. "Coach Morrison deserves a lot of credit for the work he has done with the football program. He surely furnished the leadership necessary to put the program over," Mr. Tarkington concluded.

Big Fall Kings Continue Run, FabFishermen Report

By BOB SIMPSON

While the procession of king mackerel during the weekend was not as long as we'd like to see it, there were enough of the big kings to continue to whet the appetite. At the Yacht Basin, Bill Olsen's Mary Z came back with 7.

Vance Mason's party aboard Miss Trip had 3 or more; and the Fabulous Fishermen's treasurer, George Stovall, brought back two, one of them weighing 19 pounds or better. He was a slippery fellow—kept sliding off the De-Liar scales.

Missed last week was the catch of 13 kings made aboard Felix Miller's Evelyn from the G & M Boat Basin; that was his weekend total; Mrs. John Parrott of Kinston landed an 18-pound king.

Edgewater Marina reported fair catches of trout and blues. At Sonny's (now Luby's) Fishing Station a few kings were reported, plenty more sighted or hooked.

At B. J. White's Camp, Otto Gossack of New Bern weighed in a record 2½-pound speckled trout. In his catch also were blues, flounder and 7 other trout. A skiff fisherman at Rainbow Inn reported 6 gray trout and a blue.

From the sound and river piers: at Bunch's, pretty good fishing for spots and a few flounder. At Fleming's lots of bog fish and spots, an occasional trout. C. G. Radcliffe and party, Raleigh, skiff fishing just off the end of the pier, caught 30 blues, 60 big spots, 6 speckled trout; blues one to 1½ pounds, trout one to 1¼ pounds.

Good fishing for spots and hogfish from the pier at Mom and Pop's, and from the skiffs. Mr. Hill from Kinston caught 7 speckled trout; Cle Howell of Wilson, 2 large stands of hogfish and spots.

From the ocean piers: for blues, spots and trout, much improved from Thompson's Pier. Likewise from the other piers.

the weekend brought good fishing, with Triple-Ess reporting the best two-day weekend of the entire season.

Two kings from Sportsman Pier, with all the piers having as high as 30 strikes reported in a single day. Blues are showing a great improvement, up to 75 per catch.

Danco sailed Saturday with a capacity crowd, reported good catches; among the fishermen, Sam Ashburn and party from Rural Hall.

Inshore and offshore boats were all fishing for kings. Largest catch was 8 kings by W. R. Stiff and party from Roanoke, Va., aboard Shearwater. These are genuine fall kings, the big shiny fellows that delight captains and parties alike.

Although everyone is hoping for larger catches, there are no complaints about the size: one catch of 6 kings totaled 87 pounds.

The bowhead whale has a mouth big enough to hold a cow. But, its throat can swallow nothing larger than a small herring.
