

Morehead City Eagles Drub Pamlico Hurricanes, 47-6

Eagles Score 33 Points After 14-0 Halftime Lead

The Morehead City Eagles clinched second place in the Coastal Plains Conference Friday night with a 47-6 victory at Pamlico Central. The Eagles had little trouble in gaining their fifth win of the year against two losses.

The Eagles scored the first time they got their hands on the ball to set the pace for the rest of the game. After kicking off to Pamlico, the Eagles held for downs and forced the Hurricanes to punt.

James Guthrie fell on the ball on the Morehead 41-yard line to give the Eagles possession. On the first play fullback Freddie Oglesby picked up four yards and Guthrie followed up with a 30-yard run to the Pamlico 25.

Halfback Ted Garner drove for nine yards and Guthrie broke away on the next play to score from the 16. Oglesby scored the extra point and the Eagles held a 7-0 lead after running only four plays for the touchdown and one for the extra point.

It took the Eagles a bit longer to get their second touchdown. They kicked off to Pamlico and the Hurricanes drove to the Morehead 49-yard stripe before their attack bogged down.

The Pamlico punt was good to the Morehead 13. Oglesby went for five yards on the first play and Guthrie got 16 on the second. Quarterback Jackie McQueen picked up 11 yards to the Eagle 45. From there, Oglesby went for nine and a pass from Guthrie to Garner was good to the Pamlico 38.

Oglesby carried to the 30, then to the 25. Guthrie moved the ball to the 18 on the next play as the quarter ended. He scored on an 18-yard run moments later.

Garner scored the extra point and the Eagles were ahead, 14-0. The makings of a rout were clearly shown when the Eagles marched 84 yards to score the next time they got the ball. The fact that the touchdown (on a 45-yard pass from McQueen to Oglesby) did not count helped some but even the Pamlico fans saw an easy Eagle victory ahead.

The half ended before the Eagles could score again, but the fireworks started right after the Morehead City eleven took the opening kickoff.

The Eagles launched their drive with Garner carrying for nine yards to the Morehead 35. Oglesby moved the ball to the 40 and Guthrie made a beautiful run to the Pamlico 18-yard marker to set up the score.

Oglesby drove through to the 12-yard line, McQueen ran to the 10 and Garner, on two carries, scored

Jack Morgan Hurt in Accident

Jack Morgan, Morehead City, was in Morehead City Hospital yesterday following an auto accident a mile east of Havelock on highway 70 yesterday morning.

Mr. Morgan, driving a 1955 Chrysler, ran off the right side of the road and the car ended bottom-up in a ditch, according to reports available yesterday. He was headed to Cherry Point where he was employed.

Riding with Mr. Morgan was Earl Norwood, Morehead City, and another unidentified passenger. They continued on to work at Cherry Point.

Mr. Morgan may have suffered a mild concussion, but was mainly "shook up", according to the attending doctor.

Damage to his car was estimated at \$400.

Sudan Temple Bowl Tilt Set for Nov. 8

The annual football game sponsored by Sudan Temple for the Greenville Crippled Children's Hospital, will be played at Riddick Stadium, Raleigh, on Saturday, Nov. 8, at 2 p.m.

The opposing teams will be the freshmen teams of the University of North Carolina and North Carolina State College.

Tickets may be obtained at Morehead City Drug company and from Mrs. William Ipock, Beaufort-Morehead causeway.

Turns Over

George Dewey Rouse, route 1 Morehead, turned his 1949 Chevrolet over on the curve at Freeman's Store on N. 20th Street at 9:30 p.m. Friday. He told Morehead City patrolman E. D. O'Neal Jr. that his wheel went on the shoulder of the road and the car turned over when he tried to get back on the road. Damage to the car was estimated at \$300. There were no charges.

The Queen Street Knights moved into a first-place tie in Fourth District AA competition Friday night with a 14-6 victory over the Georgetown Panthers of Jacksonville. The Knights broke a 6-6 tie in the closing moments of the game for the win.

The game opened on a fast pace set by the Knights. They drove 78 yards early in the first quarter to score. With quarterback Tyrone Ellison directing play, Ray Fenderson, Toby Fenderson and James Hardesty ripped through the Jacksonville line for good gains.

Ellison capped the drive with a three-yard sneak through the center of the line. Ray Fenderson couldn't find running room and was stopped short of the goal preventing a point after touchdown for the Knights.

The Panthers came to life in the third quarter and tied the score after the Knights put up a rugged goal-line stand. The Panthers had a first down on the Queen Street two and the Knights held them off for three downs. On last down the Georgetown quarterback drove over on a sneak.

The Knights struck for the winning score late in the game. Ellison faded back to pass and was rushed hard by three Panthers. He got the pass away just as he was snowed under but it was still true—straight to Fenderson, who took it on the Panther 33-yard line.

Fenderson was finally dragged down on the six-yard line. He carried on the next two plays, the second one going for the touchdown. On his third carry, Fenderson went over for the extra points, pushing the margin of victory to 14-6.

The leaders in other eastern districts follow: district one, Clinton and Lumberton; district two, Chapel Hill and Carthage; district three, Henderson and Snow Hill.

Car Found

A 1951 Chevrolet was found in a ditch on the Crow Hill Road Sunday night. Patrolman W. J. Smith Jr. said the car is registered in the name of a Hall who lives at 1209 Shackelford St., Morehead City. The car was towed to a garage in Morehead.

Sunday Fishing Killed by High Winds, Rain

By BOB SIMPSON

Although a fierce nor'easter knocked out fishing Sunday, there were good reports Friday and Saturday. Offshore fishermen are confident that when the nor'easter blows out, king mackerel fishing will be even better.

Just when amberjack of any size were getting pretty scarce, Capt. Dave Gould's Harriet L II came back with a new record, an 82 1/2-pounder landed by S. H. Peebles of Winston-Salem. That record will be hard to beat this season.

All records will have to be in Oct. 31 for immediate judging, for the trophy dinner is scheduled for Nov. 5, at the Biltmore. As in previous years the trophy winners will be guests of the skipper, pier or camp operator who is credited with the winning catch.

The Fabulous Fishermen will take the responsibility of delivering the trophies to the engraver, as well as the shipping expense, but, as previously, the expense of engraving will be charged to the winning boat, pier or camp operator.

State advertising director Charlie Parker will be the main speaker at the trophy dinner, and will present the awards. Among special guests will be Al Pfeuffer, noted Miami sportsman and taxidermist.

Along with good to excellent catches of kings offshore, ocean piers had good luck with kings Friday. Coach Norman Clark landed three, at 17 1/4, 20 and 22 pounds, and W. R. Tew, Elon College, caught a 20 3/4-pounder.

Honors for the fish-story-of-the-week go to Sgt. William Jones of Cherry Point. He was fishing for kings with live bluefish, when he hooked and landed an 18 1/4-pound king on one bait and a 16-pound 3-ounce false albacore on the other.

An indication of how much we can expect from billfishing came Friday when Dr. Harold Peacock of Sea Level landed a 6-foot 11 1/2-inch sailfish aboard Bunny Too; and again on Saturday when Arthur Lewis, skippered the private boat Libbadec from the yacht basin, reported one blue marlin hooked, two others raised when sharks came in and took the baits.

Seadogs Drop Robersonville From Unbeaten Ranks, 20-0

Coast Guardsmen Find Lost Men

Donald Gaskill, 19, and Allen Robinson, 20, both of Marshallberg, spent Saturday night in an open skiff. Friends asked the Coast Guard at 5 a.m. Sunday to start a search that lasted for about two hours.

The two men were found, still in their boat, but the boat was in water too shallow for them to negotiate. The Coast Guardsmen left the boat for the tide to come in and took the two men to Marshallberg.

Members of the search party were station commander James Hunnings, EN/1 Earl Sells, SK/2 E. L. Privott, EM/2 C. A. Jarman and SN Jack Miller.

At 9:30 a.m. the same day Sells, Privott, Miller and Jarman went to the Atlantic Beach bridge to assist a 27-foot cabin cruiser. The engine had failed. The Coast Guardsmen towed the boat to Cannon's Boat Works on Pelletier Creek.

A party of five Roxboro fishermen caught 411 bluefish from Johnny Styrion's Sylvia. Aboard Edna the catch was 98 blues. From the inshore piers, Bunch's, Fleming's and Mom and Pop's, big spots and hogfish are the mainstay, with trout gradually picking up.

Beaufort firemen answered an alarm Saturday night on the Lennoxville Road. A trash fire had jumped the road and started burning toward the Standard Net Co. Firemen returned to the station in an hour and a half. No property was burned.

The Beaufort Seadogs rolled to a surprising 20-0 victory over Robersonville Friday night. The Seadogs, who were definite underdogs in the contest, displayed great spirit as they pushed Robersonville all over the field.

It was the first loss in five conference games for Robersonville, while Beaufort moved up to a 3-2 conference record. LaGrange still leads the conference with a record of five straight victories.

The Seadogs opened up early in the game with a strong ground game and a wide-open passing attack. Quarterback Butch Hassell hit end Calvin Jones and halfback Pud Hassell with key passes.

Pud scored the first touchdown on a five-yard run but the try for the point after touchdown was no good.

Eddie Taylor kept the pressure on Robersonville with a seven-yard scoring run in the second quarter. Butch drove over for the extra point that gave the Seadogs their 13-0 halftime lead.

The Seadogs kept things going at a red-hot pace during the third period, scoring one more time before calling it a night. Butch scored the third Seadog tally on a quarterback sneak from the one-yard line. Ray Hassell was the third Hassell to get into the scoring act as he went over for the point after touchdown.

Others who looked impressive in the backfield were fullback Ernest House and halfback Guion Dudley. Playing outstanding defensive games were ends Jones and Gordon Becton, tackle John Smith, guards Joe Powell and Gray Simpson and Denard Harris.

The Seadogs will go after their fourth conference victory Friday night when they play host to Ayden. Ayden had a record of three losses and a tie going into their game with Contentnea Friday night and the result of that game has not been released. Contentnea had lost four straight prior to that game.

While Ayden has not been impressive in conference action to date, Coach V. M. Morrison says that every team in the conference is dangerous. The Coastal is a well-balanced conference this year, for the most part and fans are always sure of seeing a good game, he says.

Fort Leavenworth, Kan., gives 1,417 hours as basic training to students US Army officers.

Monarchs Lose To Jacksonville

The Monarchs of W. S. King High dropped a 6-0 decision to Jacksonville Saturday afternoon in the King homecoming game at the Camp Glenn field.

Coach John Thompson explained the change of opponents: "Friday night the New Bern coach called and said he could not bring his team down as scheduled. I called Jacksonville and the coach there rounded up his team and brought them down on a few hours' notice."

The Monarch defense held well during the game, giving up only one touchdown to the Panthers, who had played Queen Street the night before.

The offensive blocking was the principal weakness shown by the Monarchs as they were unable to move the ball against the eight-man line used by Jacksonville.

Coach Thompson picked Power Dennis as the outstanding player on the field. "He really played a fine game for us, especially on defense," the coach said.

At halftime ceremonies Miss Homecoming was crowned. She was Helen Parmley. Two sisters were grammar and primary queens. They were Sharon and Debra Monroe.

The Monarchs will travel to Elizabeth City Friday for a game with Coach Thompson's alma mater. The Monarchs are up for the game and promise the coach to make him look good in his home town.

The first balloon ascension in the United States took place at Philadelphia in 1783.
