**Beaufort School Band Plans Trip to Chapel Hill Saturday**

By BUNNY MOORE  
"Look at the birdie, say cheese, smile." This is what you heard if you happened to be around BHS last Thursday. The man who takes the school pictures was here and he had the difficult task of taking a picture of each student, plus the job of making it flattering.

After all, what could you expect with such material as Glenda Harris or Sandra Haskins. All joking aside, we expect the pictures to turn out fine.

This week our band travels to Chapel Hill to participate in the band day festivities.

The date for the musical and fashion show, to be sponsored by the PTA will be Nov. 14-15. Two full evenings of wonderful entertainment will be in store for you. The Glee Club will have an active part in the program and many

of the high school girls will model clothes from the local stores.

Much to our sorrow, report cards were received Monday and many of us will be enjoying fewer privileges until the next term is over.

Today will end the drive for the annual which will give us more time for other activities such as the Senior Play coming up next month.

This week we are featuring Miss Paula Lavon Hill as Miss Senior. Paula was born on Nov. 20, 1940. She stands 5' 6 1/2" tall and weighs 138 lbs.

Her favorite song is My One Sin. The artists she enjoys most are Nat King Cole and Peggy Lee. Her favorite food is lemon pie. Paula's plans are indefinite but she will probably become a housewife after graduation in the spring.

The seniors voted her the friendliest and most dependable girl in the class. Her pet peeve is people that think they know it all. While in high school she has been a member of the FHA, FTA, student council, Tri-Hi-Y, debating team, glee club, annual staff, and a member of the basketball team.
