

Seadogs Romp to 27-0 Victory Over Ayden; Will Meet Eagles

The Beaufort Seadogs warmed up for their game with the Morehead City Eagles Friday night with a 27-0 romp over Ayden. The Morehead City coach and players, who had an open date, watched the Seadogs push Ayden all over the field.

It was the fourth straight victory for the Seadogs who are rapidly developing into a championship calibre team. Using mostly sophomores, Coach V. M. Morrison predicts that the Seadogs will have a top-notch team next year.

The Seadogs used a daring pro-style offense against Ayden that produced amazing results. Early in the first quarter halfback Eddie Taylor picked off a high-flying fumble in his end zone. He tried to run it out and was dropped on the one-yard line.

On the first play quarterback Butch Hassell faded back into his end zone and flipped a short pass to end Gordon Beeton. Beeton was stopped on the nine-yard line for an eight-yard gain.

On second down Hassell faded way back and hit halfback Guion Dudley on the 35-yard line. Dudley outdistanced the Ayden safety man for the remaining 65 yards to the goal.

Taylor went across for the extra point and the Seadogs held a 7-0 lead with time still remaining in the first quarter.

The Seadogs scored again in the second quarter to hold a 13-0 lead at the half. The touchdown came after a 50-yard drive by the Seadogs.

Ernest House, running from fullback, got the Beaufort team started with a 12-yard dash through the line. Hassell completed a pass to Beeton on the 18-yard line and the Seadogs were moving.

Taylor picked up a first down on the eight and scored on the next play, going around right end. An attempted pass for the extra point was broken up and the score stood at 13-0.

Beaufort struck fast in the third quarter, covering most of the distance to the goal by passing. Hassell connected with Dudley on a long pass good to the Ayden 25-yard line. Taylor ran for seven yards and Beeton caught a pass in the end zone for the touchdown. House ran for the extra point.

Substitute backs Bill Harris and Ray Hassell sparked the Seadog drive for the next touchdown. Two 15-yard penalties against Ayden were also important factors in the drive.

Butch Hassell scored the touchdown from the 16-yard line. He faked a pass and circled right end to score standing up. He completed the job moments later when he crashed through the line for the extra point that ran the score to 27-0.

Coach Morrison used most of the players on the bench during the contest. In the last quarter he was sending in seven and eight players at a time.

Pud Hassell, regular halfback, did not start the game due to an ankle injury. Hassell may be out for the rest of the season.

Road Machine Damaged

A road machine off highway 24 on a road toward Stella was found yesterday with its gas tank and exhaust pipe filled with sand. The machine belongs to Barrus Construction Co. Deputy Bobby Bell and constable Ralph Paul are investigating.

Butch Hassell intercepted an Ayden pass late in Friday night's game and ran it back to the Ayden 40-yard line. Hassell is getting yardage along the sideline here, thanks to a good block by tackle John Smith. Smith played an outstanding game in the line for the Seadogs.

Beaufort halfback Eddie Taylor breaks away for a touchdown against Ayden Friday night. Taylor scored on an eight-yard run around right end.

Fishing Slows Down Reports Fab Fisherman

Slow was the word from the waterfront. Offshore, inshore, ocean piers, sound piers and river fishing. There were, however, some bright spots. Saturday proved to be better with catches recorded as high as 24 kings caught by Dr. Salter, Beaufort, and Dr. Morey of Morehead City, accompanied by their wives. There were several other king catches of good number.

One of the best inshore catches was reported by Johnny Styron. 48 sheepshead, averaging about 2 pounds each plus a lot of blow fish and other mixed fish.

Capt. Bill Olsen broke the existing Fabulous Fishermen's trophy record when he lined Mr. G. I. G. Palmgren of Rocky Mount N. C. with a big 7 4/4 inch sailfish. Mr. Palmgren cooperated by landing it in a sportsmanlike manner.

Several other sailfish were sighted and as usual a couple of blue marlin sighted but not landed.

Kings went on a rampage off the ocean piers for a while. Total count for the week is not complete but is about twenty. Mrs. Snipes, of the Triple Ess pier landed a 19-pound king.

An outstanding job of true sportfishing was done by William E. Beard of Cherry Point by landing a 22-pound king using 10-pound monofilament with a 300 Mitchell. Bluefishing produced 46 blues and 5 speckled trout for W. M. Bridges of Ansona.

Sportsman Pier also reported kings. At least 8 were landed from the pier over the weekend, including two by Norman Clark at 18 and 22 pounds. Derwood Winstead of Morehead also had two at 19 and 22 pounds.

Ben Medus of Cherry Point had a 20 pounder, Mr. Sewell of Beaufort, 40 trout, 50 blues, and H. F. Bryant, Atlantic Beach, 32 trout and 46 blues.

At the other ocean piers the report was for mostly blues and some spots. Chas R. Elliot of Havelock landed a 28 pound king. We haven't heard much from Thompson's on Emerald Isle. However by conducting a quiz we have determined that trout and blues were running and several kings were caught.

On the sound side Fleming's reported that they have been having good luck from the pier with Joe Strickland of Kenly bringing back 10 speckled trout and about a hundred hogfish. Several others did well with trout and hogs and an occasional flounder.

Over at Mom and Pops place, fishing was for hogfish. John Allen and Melvin Byrd of Morehead had 75 pounds of hogfish and 6 trout. Gordon also reported a man who had tried to eat a solid bushel of oysters. Didn't make it—in fact

now what should have been done two years ago."

Larger high schools, he said, will mean an enriched course of study for high school students.

The cost, he said, of borrowing \$3 1/2 million, would be \$29,000 a year over a 20-year period. The present tax rate of 65 cents which is going to retire the present county debt would produce annually \$260,000.

"There is a possibility," Mr. Joslyn explained, "that the tax will be raised regardless whether money is borrowed for schools. If it is, the amount of the raise will probably cover items other than school expense. In that case, people should be aware of the amount being assessed for schools and the amount being assessed for other county departments, such as welfare. I would not want folks to be misled into thinking that all of the tax raise will be to finance schools."

"The future of Carteret County depends on our children and the type of education we give them. We don't want to raise taxes," Mr. Joslyn said, "but we've got to do something about the children who are dear to us."

What the county will do about its children, he added, will be decided around the first of the year when the people will be given the opportunity to express their opinion at the polls.

Gorden said he began to turn green.

The Morehead City Jayvees trounced the Wallace-Rose Hill Bullpups Thursday night by a 28-0 score at Camp Glenn. Harold Wheaton ran wild against the visitors as he scored three Morehead City touchdowns. Jimmy Fox scored the other touchdown on a 70-yard run.

The Eagles took the opening kickoff and marched downfield on a sustained drive for their first touchdown. Wheaton scored from the 12-yard line with about five minutes of the first quarter gone. Fox rammed his way into the end zone for the extra point.

Leading 7-0, the Eagle defense went to work and held Wallace on the Wallace 35-yard marker. The Bullpups punted to the Eagles just as the quarter ended.

The ball was on the Morehead City 30 as the second quarter opened. On the first play Fox broke away to go 70 yards for the touchdown. The attempt for extra point was no good and the Eagles led 13-0.

Once more the Eagles kicked off to Wallace. When the Bullpups were unable to move the ball on the first three downs they punted to the Eagle 40-yard line.

Property Stolen Sunday From Trader Store-Room

The sheriff's department was investigating yesterday the theft of items from a store-room behind the old Walker home on the Mill Creek Road near Newport.

Stolen were blankets, oil, a stove, screens and fans. Allen Trader owned the property. Sheriff Hugh Salter said the store-room was broken into Sunday.

Accompanying him on the investigation were deputy Bobby Bell and Marshall Ayscue, ABC officer.

Gary Guthrie took the punt and returned it to midfield before he was brought down. Fullback Chuck Sledge went for 10 yards and a first down on the Wallace 40. On the next play Wheaton broke loose for another touchdown. Again the try for the extra point was no good and the score stood at 19-0 at the half.

Early in the second half the Eagles put on another push for the Wallace goal. Wayne Thompson sparked the drive with a 30-yard dash around left end.

The Eagle attack bogged down on the Wallace 12-yard line and the Bullpups took over only to punt to the Eagles on the 30. Thompson lost two yards on the first carry but Wheaton scampered 32 yards on the next play. Sledge scored the point after touchdown that ran the score to 26-0.

The Eagles scored a safety in the final period when Gary Walters nailed a Wallace runner behind his own goal. Wallace had stopped a Morehead City drive by intercepting a pass on the three-yard line.

On two plays the Bullpups were unable to move and on third down they tried an end run. Walters broke through from his end position to get the runner as he was cutting through the end zone.

The safety ran the score up to 28-0 and that was the ball game.

Outstanding players for the Eagles were Butch Smith, Bud Daniels, George Wallace, Glen Burrage, Ira Guthrie, Ludvik Possil and Fred Guthrie.

The victory gave Coach Norman Clark a slight edge over Wallace. In varsity competition the Eagles have split four games with the Bulldogs, winning 20-19 in 1954 and 19-14 last year. The Eagles now hold a 1-0 record against Wallace in Jayvee competition.
