

Morehead Destroys Seadogs, 51-0

Eagles Cross Beaufort Goal 13 Times in Game

The Morehead City Eagles rolled up the biggest margin of victory in the history of the Mullet Bucket classic Friday night with a 51-0 romp over the Beaufort Seadogs.

Including two touchdowns that were called back, the Eagles crossed the Beaufort goal 13 times during the contest. A Seadog fumble on the Beaufort 44 was recovered by Eagle quarterback Jackie McQueen to set up the first touchdown.

On two consecutive carries, halfback James Guthrie gained 20 yards to move the ball to the 24-yard line. Fullback Freddie Oglesby and halfback Ted Garner picked up good gains to give the Eagles a first down on the 10.

Right end Johnny Baker caught a pass from McQueen for the first touchdown. Guthrie ripped through the middle of the line for the extra point and the Eagles were ahead, 7-0.

Tackle Lynwood Durham kicked off for the Eagles and the ball came down on the 10-yard line where Beaufort halfback Quion Dudley was waiting.

Dudley carried the ball to the 30-yard stripe before he was brought down by a host of Eagle tacklers. The Seadogs got into a bad hole on the next play when they were penalized 15 yards for holding.

James Leigh stopped Dudley for a yard loss on a pitchout and the Seadogs had second down and 25 yards to go. Quarterback Butch Hassell gambled on a pass play.

When he faded back to pass, Leslie Nelson, Durham and Jerry Garner of the Eagles were on top of him, throwing him for a seven-yard loss.

On third down with 33 yards to go, Ray Hassell moved into the punting position for the Seadogs. He booted the pigskin straight into the air and it was downed on the Beaufort eight-yard line.

With a first down on the eight-yard line, McQueen sent Guthrie around left end on a pitchout. Guthrie was stopped on the one-yard line but he scored on the next play, this one through the middle of the line.

The Eagles used a bit of razzle-dazzle to score the extra point. McQueen took the ball from center Bob Willis, pitched back to Guthrie and cut into the end zone. Guthrie, running to his right, threw a strike to McQueen who was standing wide open in a corner of the end zone.

The Seadogs continued their efforts to play a passing game after the following kickoff. They lost two yards on a handoff to Eddie Taylor on the first play.

Hassell, badly rushed, was unable to hit his man on the second play and called for another pass on third down with 12 yards to go for a first down.

The middle of the Morehead City line, Nelson, Lasitter and middle linebacker Durham, broke through to trap Hassell for a 12-yard loss on his own 27-yard line. On fourth and 24, Ray Hassell got off another short kick, this one grounded on the Beaufort 38.

Guthrie carried for two yards, Garner gained four and McQueen called for a pass on third and four. He hit left end Jimmy Lawrence with a pass on the 25-yard line.

Lawrence, trapped by three Beaufort players, reversed his field and outdistanced the Beaufort players to the goal. Oglesby dropped a perfect toss from McQueen on the try for the extra point and the Eagles led, 20-0.

Three downs after the Eagle kickoff the Seadogs were again forced to punt and the Eagles took over at midfield. Passes from McQueen to Baker and Lawrence were the key plays that preceded a Morehead City first down on the 18.

At that point Guthrie took a pitchback from McQueen and hit the Eagle quarterback with a pass good for the touchdown. A fullback buck by Oglesby was stopped before he could get over for the extra point and the score stood at 28-0.

Durham set up the next Eagle touchdown when he picked up a Beaufort fumble and raced 35 yards to the Beaufort eight-yard line where he was caught from behind by Dudley.

After two five-yard penalties the Eagles still had a first down but were on the Beaufort 18. McQueen hit Oglesby with a nine-yard pass and then followed with a pass to Guthrie for the touchdown. A pass

to Lawrence on the extra point attempt was blocked and the Eagles led by a 32-0 margin.

The first half ended with the Seadogs making their best showing of the game. A 15-yard penalty against the Eagles for roughing the passer and some fine running by Taylor moved the ball into Eagle territory and had Beaufort fans yelling for a touchdown. Time ran out before the drive got past the Eagle 40.

The Seadogs continued their heads-up play during the first minutes of the second half, coming as close to the Eagle end zone as the 26-yard line on one occasion.

McQueen applied the final blow to Beaufort hopes when he intercepted a Seadog aerial and scampered 60 yards to score the sixth touchdown of the night. Guthrie added the extra point and the score moved to 39-0.

McQueen's long run seemed to fire the Eagles with new fury. Three downs after the Eagle kickoff, the Seadogs were faced with fourth down and 26 on their own 11-yard line.

Ray Hassell's punt was grounded on the Beaufort 33 and the Eagles rolled to the attack again. On the second play, Guthrie ran for 30 yards to pay dirt only to have the play called back and a five-yard penalty marked off against Morehead City for offside.

The Eagles were not to be denied, though. Six plays later Garner went over from the four, but this play was called back because a Morehead City back was in illegal motion prior to the snap from center.

Guthrie scored from the nine-yard line on the next play and this touchdown stood. Garner attempted the extra point on a dive play but was stopped short of the goal. The score was now 45-0 but not a fan left the game.

Guthrie intercepted a Beaufort pass on the Morehead City 35-yard line and ran back to the Beaufort 48 to set up the final touchdown.

Guthrie scored on a screen pass from McQueen. The play covered 36 yards. With a 51-0 lead, McQueen called for a pass play on the extra point attempt. The pass was no good and the scoring was over for the night.

The Morehead City reserves played the final minutes of the game while the first team watched from the bench. The game ended with the Seadogs on their own 45 trying for a touchdown via the long pass route.

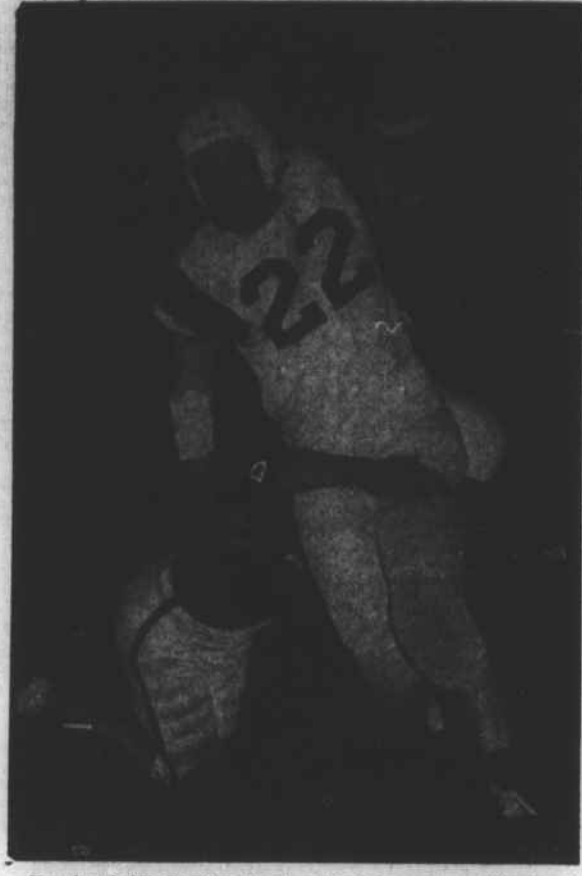

Though out-gunned throughout the contest, the Beaufort line played a rugged game. Ends Gordon Becton and Calvin Jones and tackle John Smith looked most impressive while Lonnie Dill, Gray Simpson, Joe Powell and David Willis were working hard to hold the Eagle offense.

Butch Hassell, who was supposed to give the Eagle pass defense a stern test, had a rough night. He was rushed so hard he seldom had time to find a man in the open. Lasitter, Durham, Leigh and Nelson broke through the middle of the Beaufort line consistently to put the pressure on Hassell.

Ray Hassell, a freshman, had his troubles in the punting department. Filling in for his cousin Pud Hassell, his lack of experience hurt the Seadogs on a couple of occasions. He did some good running from the halfback spot to more than make up for his short punts.

The battle for the Mullet Bucket was the final game of the year for the Eagles. The Seadogs will wind up their season this Friday night when they will play host to Swansboro.

Hot Stove Beaufort firemen were called to the home of Letha Godette, 809 Cedar St., at 7 p.m. Friday. A stove had overheated. Firemen used a carbon dioxide fire extinguisher to cool things off.

Beaufort halfback Guion Dudley gained 12 yards on this play before he was brought down by a Morehead City defensive player. Dudley ran well but had little blocking and never managed to break away.

Dr. Barnum Releases Statistics on Contest

Dr. R. O. Barnum, statistician for the Morehead City Eagles, has announced statistics for the Morehead City-Beaufort game Friday night.

Lynwood Durham, Danny Gray-shock and Leslie Nelson were the outstanding defensive players, getting credit for the most tackles on the squad.

The outstanding offensive player was halfback James Guthrie. Guthrie carried the ball 22 times, averaging eight yards per carry. He caught three passes good for 48 yards, giving him a total of 228 yards for the game. He scored 26 points.

Fullback Freddie Oglesby averaged five yards per try on six runs and caught a pass for nine yards to give a total offensive mark of 36 points.

Halfback Ted Garner carried five times and gained 20 yards for a four-yard average. He scored one touchdown that was called back due to a penalty against the Eagles.

Quarterback Jackie McQueen scored 13 points and passed for 24 more. He intercepted a Beaufort pass and ran it back 60 yards for one touchdown. His other touchdown came on a play in which he flipped the ball back to Guthrie and then went down for a pass. The play was good for 18 yards. He got an extra point on the same play.

The Eagles rolled up an amazing 398 yards from the line of scrimmage, not including punt returns, pass interceptions, recovered fumbles or kickoff returns.

Hunters Hope To Organize

A county wildlife club will be organized at 7:30 tomorrow night in the Morehead City municipal building.

Walter Telch, Adams Creek, will act as chairman. All hunters and hunting guides are invited.

Due to recent storms, feed for wildfowl is scarce. Since artificial feeding of wildfowl is allowed in other areas, local hunters are interested in acquiring funds to put grain out in this county.

They point out that hunting is extremely valuable to county economy, as well as to the guides who earn their living by it. Unless the wildfowl are here, hunters will go to other points to enjoy the sport.

2,500 Fans Watch Eagles Play Beaufort Seadogs

Jerry J. Willis, president of the Morehead City Jaycees, reports that gate receipts for the Beaufort-Morehead City game Friday night came to \$1,203.50. He estimated attendance at 2,500 fans.

A section of bleachers on the north side of the field dumped several fans on the ground when boards gave way under the weight.

Ann Hamilton, daughter of Dr. and Mrs. Alvah Hamilton, was the most seriously injured. She had a badly sprained left foot which was also skinned. X-rays showed no broken bones.

Oliver Goldsmith, Canada's first native-born poet, was a grand-nephew of the Irish poet of the same name.

Queen Street Knights Roll To 20-0 Win over Monarchs

By JAMES PETTEWAY

The Queen Street Knights rolled to a 20-0 victory over the W. S. King Monarchs Thursday night at Beaufort. The Knights, in command all the way, scored in the first, third and fourth quarters.

Knight quarterback Tyrone Ellison broke the scoring ice when he went over from the one-foot line with the first touchdown for the Beaufort team.

The half ended with neither team scoring again. The Monarchs had been held to 28 yards rushing and two first downs during the first half. The Knights had rushed for 75 yards and passed for 19 in picking up six first downs and a touchdown.

Jesse Oden scored the second touchdown for the Knights when he caught a pass from Ellison. A Monarch defender hit the ball just before it got to Oden but the lanky (6'7") end snagged the pass as it sailed into the end zone.

Leading 12-0, the Knights staged a long drive in the fourth quarter. Ellison went across from the four with the final touchdown. Toby Fenderson went across for the extra points and the score moved up to 20-0.

Final statistics showed that the Knights had 13 first downs to five by the Monarchs. They gained 169 yards rushing to 63 yards by the Morehead City eleven.

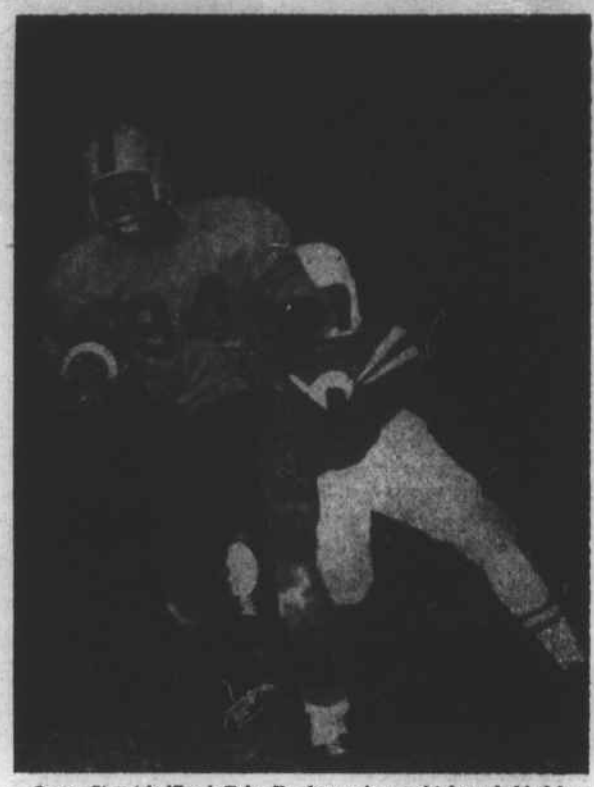

Ellison completed seven of 14 passes for 80 yards. The Monarchs completed two of seven aerials for 16 yards. The Knights intercepted two passes.

The Knights will meet Perquimans County Union School Thursday night in the annual Queen Street homecoming game. If the Knights win the game, they have a good chance to get in the state playoffs.

Nine seniors will be playing their final regular season game for Queen Street. They are Jesse Oden, Tyrone Ellison, John Bell, Dennis Gordon, Carl Turner, Ray Fenderson, William Smith, Teamus Davis and James Chadwick.

Coach S. H. Barrow says this is an important game for the Knights and asks that all Queen Street fans turn out for the contest.

San Diego, Calif. (AP)—A prominent speaker was scheduled to address the District Council of Carpenters on "How to Encourage Greater Attendance at Union Meetings." But he forgot to attend.

Queen Street halfback Toby Fenderson is caught from behind by a Morehead City player after he made a first down for the Knights. Toby and his brother Ray played outstanding ball for the Knights Thursday night.

Marion Mills Wins Club Title

By LOCKWOOD PHILLIPS

Marion Mills is Morehead City Golf and Country Club's new golf champion, the second in the club's six-year history.

In the club's early days Warren Beck won the championship and retained it because a championship tournament, usually a yearly event, was not staged until this 1958 tournament.

Mills won his victory Sunday in the finals against Horace Tyler, two up over a 36-hole grind in gusty winds.

At the end of the first 18 holes Mills had Tyler five down. Tyler rallied somewhat on the second 18 holes to wind up only two down.

Mills' medal score for the long journey was 151, Tyler's 154.

Tyler gained the right to play Mills in the finals Sunday by defeating L. G. Dunn Saturday in a semi-final event.

That match was played through beating rain over 18 holes. Dunn turned Tyler two down at the end of the first nine and went into the 12th hole with Tyler three down and it appeared as though predictions of his victory over Tyler would stick.

But Tyler unlimbered against the southpaw terror, Dunn, and wound up victor by a two and one count.

News-Times Golf Tournament Set To Open Nov. 16

The annual Carteret County News-Times handicap golf tournament for men and women members of Morehead City Golf and Country Club will start on Nov. 16.

The newspaper's tournament also provides a cup for junior players, those under 16 years of age. That was played off in August, before the start of school, and was won by Sammy Tyler, son of this year's finalist for club champion.

All men and women golfers are asked by club pro C. C. McCuiston to signify their intention to play in the handicap event by signing up at the golf shop.
