

Town Rejects Bid for Land, Sets \$13,500 Minimum Price

W. H. Potter of Beaufort Fisheries Inc. was the only bidder at an auction conducted by the town of Beaufort Saturday. The town was selling two tracts of land adjacent to the fish factory.

At a meeting of the town board Monday night the town commissioners rejected Mr. Potter's bid and authorized the town clerk to advertise another sale, this one with a minimum bid of \$13,500 for the two tracts. The rejected bid for the two tracts was \$6,250.

Commissioner Gerald Hill commented that the land would increase in value the longer the town kept it. He said that the land should bring enough cash to pay for a new town hall.

On the recommendation of the board, Mayor C. T. Lewis appointed David A. Hill as Beaufort Civil Defense director. Mr. Hill will replace Mrs. W. J. Ippock who resigned some time ago.

Town clerk Dan Walker was given authority to release and accept securities kept on deposit by First-Citizens Bank to cover town deposits not covered by the Federal Deposit Insurance Corp. FDIC covers all deposits up to \$10,000. The town of Beaufort deposits exceed that amount about twice a year.

Mr. Hill, fire commissioner, reported that the fire department had made three calls in town and three out of town during October. The rescue squad made one trip to the hospital with the rescue truck.

Police commissioner Math Chaplain reported nine arrests, 230 meter violations and 18 parking violations during October.

Mr. Walker said the street department report could be labeled as Hurricane Helene. The street crews have been busy ever since the storm trying to get the town cleaned up.

Dr. Luther Fulcher, county health officer, has written a letter to the town stating that the sanitary sewers are still clogged with sand from the hurricane and the northeaster that followed. A copy of the letter has been forwarded to the state.

Officials attending the meeting, in addition to those mentioned, were commissioners James Rumley, William Roy Hamilton and Otis Mades, town attorney Gene Smith, Police Chief Guy Springle and town engineer Gray Hassell.

'Band Tag Day' To Start Tonight

Tomorrow morning the major-ettes and flag bearers will be in the business section collecting funds. A Thank You parade by the band is scheduled at 1:30 and the band will also play several selections.

Ralph Wade, band director, commented, "The band has always been proud to take part in community activities and to represent our town in other sections of the state, in Virginia and the nation's capital."

"We thank our home folks sincerely for their generous support in the past and for their help at this time."

President of the Morehead City Band Association is Clyde Burr.
