

W. S. King Crowns Queens

W. S. King High School celebrated its first Homecoming in October. The above students were crowned queens. Left to right are Deborah Monroe, second grade, primary department queen; Helen Parmley, junior, high school queen; and Sharon Monroe, grammar grade queen. Sharon and Deborah are sisters, daughters of Mr. and Mrs. Douglas Monroe of Morehead City. Helen is the daughter of Mr. and Mrs. John Parmley of Newport. Helen is a popular junior. She is active in Glee Club, Dramatic Club, Student Council and Science Club.

Carteret-Craven Co-Op Nominates Nine Directors

If recommendations of the nominating committee are carried out, all directors of Carteret-Craven Electric Membership Corp. will return to office for another year. Election of directors of the rural electric cooperative will be held at the annual meeting Saturday, Dec. 6, 1958, at the Morehead City High School.

Nine members of the cooperative served on the nominating committee. They elected Floyd M. Garner of Newport as their chairman and proceeded to review the operations of the cooperative as it relates to service to members, rates, financial condition, and equity of members in the growing and successful enterprise.

Others serving on the nominating committee were Mrs. L. N. Conner, Harlowe; J. C. Barker, Stella; Ben Watson, Straits; John R. Williams, Crab Point; Lester L. Hall Sr., Gales Creek; Leon Weeks, Bogue; Roger Bell, Havelock; and Arlie Daniels, Cedar Island.

The attendance of all the nominating committee was in itself a good indication of the interest the members take in the success of the enterprise, commented W. C. Carlton, manager of the firm.

Now serving as directors and nominated to be returned to office are George W. Ball, Harlowe; L. W. Pelletier, Stella; Gordon K. Laughton, Crab Point; Clarence E. Millis, Newport; Roger W. Jones, Broad Creek; Earl C. Day, Cedar Island; Everette Koonce, Bogue; Gilbert Whitehurst, Straits; and W. J. Wynne Jr., Havelock.

Over 100 years of service to the cooperative as directors is represented by those now on the board. Their duties are to set policies, review operations and check results, approve contractual obligations, and to make other major decisions that go with the overall management of the cooperative.

The officers will report to the members at the annual meeting on the 1958 operations. The meeting will begin at 10 o'clock on Saturday, Dec. 6, and other nominations for directors can be made at the meeting by any member.

High school seniors and graduates have only until Nov. 15 to apply for the Navy's Reserve Officer Training Corps, VADM. H. P. Smith, Chief of Naval Personnel, said today. Applicants will take the nationwide competitive examination Dec. 13 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice which has an NROTC unit.

All tuition, fees and books are furnished by the Navy, and the student receives an annual retainer of \$800 for four years. During the summers the student goes on training cruises to many parts of the world.

After completing the usual four year college course, he is commissioned in the regular Navy or Marine Corps and goes on active duty as a prospective career officer with the Navy's far-flung fleets.

High school seniors and graduates between the ages of 17 and 21 may apply for the NROTC aptitude test. Those who make a qualifying score will be given a rigid physical exam in 1959. From the pool of qualified young men remaining in competition, approximately 1,800 will be selected to begin their naval careers next September.

The NROTC college training program is also open to enlisted men on active duty with the Navy and Marines. Separate quotas are established for applicants from within these services.
