

# Morehead All Stars, Cherry Point To Play in First Turkey Bowl Game

The first annual Turkey Bowl game will be played at Camp Glenn Thanksgiving night. The Morehead City All Stars will play host to the Cherry Point Flyers. Game time is 8 p.m.

Coached by Norman Clark, the All Stars will have such all-time favorites as Danny O'Neal, Gerald Jones, Tommy Oglesby and Linwood Swinson.

A couple of former college stars have been invited to play and may see some action for the All Stars. They are Dr. A. F. Chestnut, who played end for William and Mary, and Hugh Gordon, former halfback for High Point College.

Coaches Charles Robinson and A. T. Carroll of the Flyers came to Morehead City Tuesday night to discuss final plans for the game. The contest will follow college rules except that unlimited substitution will be allowed.

The Flyers will operate from a winged T formation, using an unbalanced line with a variety of flanker plays. The All Stars will probably use a straight T.

Lenwood Lee, principal of the high school, has given permission for the use of the field and school uniforms and equipment for the game. The proceeds of the event will go to buy uniforms for junior high football teams.

Coach Clark asks that any players interested in playing in the Turkey Bowl contact him today so he can set up a practice schedule.

Norman Clark ... All Star coach

Hugh Gordon ... college star

Gerald Jones ... All-East back

Danny O'Neal ... scoring ace

## White Oak Sweeps Twin Bill From Smyrna Cagers Tuesday

### Girl Scout Fund Totals \$637.15

Dr. R. O. Barnum, chairman of the Girl Scout Finance Drive in the Morehead City area, reports that \$637.15 is the total collected. This money will be used by the Girl Scout Council of Coastal Carolina to provide services to the troops and neighborhoods, and for administrative expenses.

Thirty-five volunteers, mothers of Brownie and Intermediate Scouts, solicited for the funds: Mrs. George Adams, Mrs. Lawrence Ambrose, Mrs. George Ball, Mrs. Robert Barnum, Mrs. Howard Barrow, Mrs. William Baugham.

Mrs. Mike Brady, Mrs. Allen Colenda, Mrs. Robert Conway, Mrs. Carrie Davis, Mrs. Robert Freeman, Mrs. Truman Kemp, Mrs. Vallie LaSpada, Mrs. Ernest Lewis, Mrs. William Lewis.

Mrs. Gerald Maire, Mrs. Helen Mayo, Mrs. Willie Nelson Jr., Mrs. George Phillips, Mrs. Charles Piner Jr., Mrs. John Reintjes, Mrs. G. E. Sanderson, Mrs. John Seitter.

Mrs. Essie Smith, Mrs. Charles Southard, Mrs. E. H. Swann, Mrs. James Sykes, Mrs. Gerald Wade, Mrs. John Wells.

Mrs. Herman Wetherington, Mrs. William Wilkins, Mrs. Alvin North Willis, Mrs. Dewey Lewis, Mrs. Lesta Willis and Mrs. Marvin Willis.

**Turkey Shoot**  
There will be a turkey shoot at the Atlantic ball field at 1 p.m. tomorrow. The Down East Fire Department will furnish 12 gauge shells for \$1 per shot. Proceeds from the shoot will be used for the building fund of the fire department.

White Oak cage teams swept both ends of a twin bill from the visiting Smyrna Blue Devils Tuesday night. The White Oak lassies upset Smyrna by a 55-47 score in the first game and the Blue Devils dropped a 63-46 decision in the feature game.

Jean Willis scored 24 points to lead the Smyrna attack but B. Darling of White Oak pumped in 33 counters to pace her team to the victory.

Also scoring for Smyrna were Carolyn Phelps, 14, Brenda Golden, 6, and Brenda Baker, 3. Starting guards were Clarice Willis, Brenda Willis and Carol Willis. Substitutes were Melinda Gillikin, Pat Chadwick, Claudia Brown, Linda Willis and Sally Hooper.

Dale Lewis was the high scorer for the Blue Devils as they lost the second game. Lewis scored 13 points; Horace Lawrence got 10; Curtis Nelson scored nine, Paul Wade scored five; Carroll Hill hit for four, Braxton Piner got three; and Vaughn Yeomans scored two points.

Faced by H. Yancey, who scored 25 points, White Oak nearly hustled Smyrna out of the gym in the first quarter. After the first eight minutes, the home team had an eye.

Smyrna came back strong in the second quarter to close the gap to nine points. The score at the half was 32-23. Smyrna scored 23 more points in the second half for a total of 46 while the winners scored 31 more for 63 points.

Smyrna coach Jimmie Parkin said that his team made many mistakes common to young teams. Our boys made lots of mistakes like walking and bad passes—nothing but time and hard practice can overcome that.

The Blue Devils will be host to the Newport Hawks for a double-header tonight.

### BASKETBALL

**Tonight**

Newport at Jasper

## Hawkettes Top Atlantic Girls

The Newport Hawkettes, sparked by the sharp shooting of Margaret Lilly and Jenny Garner, rolled to a 45-33 victory at Atlantic Tuesday night. Lilly hit for 23 points and Garner scored 20. Becky Garner, the other starting forward for Newport, scored two points.

Rita Gilgo was the high scorer for the losers with 22 points. She played only three quarters of the game, sitting out the second period after being hit in the eye.

Anita Brown scored nine points for the Atlantic sextet and Catherine Willis and Linda Salter scored one each.

Except for the third quarter Newport was in command of the game. The Hawkettes scored nine points in the first quarter and 13 in the second to hold a 22-12 spread at the half.

Atlantic rallied in the third quarter, scoring 13 points to 10 for Newport. The Hawkettes reversed the scoring in the final quarter, netting 13 points and holding Atlantic to eight.

Newport coach Mrs. Carol Gillikin said she was particularly pleased with the performances turned in by her guards. Clyde Mann, Peggy Jo Wallace and Linda Dickinson proved very effective against the Atlantic offense.

The Atlantic guards played a heads-up game but were unable to check the Newport forwards. Starting guards for Atlantic were Brenda Salter, Jenny Mason, and Bonnie Brickhouse. Katy Gillikin and Jean Bell also played for Atlantic.

**Wise Choice**  
San Diego, Calif. (AP)—A note on the College Avenue Baptist church bulletin board read: "Two books have been missing from the library for a long time—'How to Pick a Wife' and 'How to Choose a Husband'. If whoever has them would return them, we would be most grateful."

## PTA

(Continued from Page 1)

We're hauling first graders from Craven county now as far as it would be from Atlantic to the area east of Beaufort. You must remember, too, that those students going west from Atlantic would be high school pupils, not little ones.

**Q: Where will these new high schools be located?**

**A:** The decision has not been made yet. It is suggested that the east school be somewhere east of Beaufort, probably in the North River section, and the west school between Newport and Morehead City.

**Q: What is to be gained by consolidated high schools?**

**A:** The best way to explain it is to recall the little one-room school house. In the small school, pupils do not get the type instruction they need because one teacher must teach many subjects in a tiny space without the necessary equipment.

**Q: Will the \$2½ million for new schools cover the cost of renovating the present schools?**

**A:** Yes.

**Q: What, actually, is the Citizens Committee for Better Schools doing?**

**A:** Mainly educating the people to the need for new schools and an improved curriculum.

**Q: Why would it take two years before these new buildings can be used?**

**A:** First the bonds must be sold (money obtained). Then the contracts must be let. We doubt that the new buildings can go up in 12 months' time.

(When the person who asked the question sat down, she said that she disagreed with the answer; that the construction and occupancy of buildings could be done in less than two years.)

**Q: Would the proposed new schools cost more than enlarging present schools?**

**A:** We'll have to spend just as much either way.

**Q: Does the \$2½ million include the furnishings and equipment needed in the new schools?**

**A:** The new schools would be furnished with the basic requirements.

In conclusion, each panelist was requested to comment by Mr. Warren, who served as moderator.

**Mr. Joslyn:** The picture before us is serious. I will be delighted to pay more taxes if it will mean opportunity for other children that my children didn't have.

**Dr. Morey:** The school need is now. We've got to forget local pride and join for something better. I hope all of you vote in favor of the bond issue, which probably will be in January, and give our children an opportunity to compete with children from other areas.

**Mr. Howard:** I assure you that before a vote is taken on the bond issue, locations of the buildings will be announced and the amount of the necessary tax increase specifically stated. We will give you something to vote on.

**Mr. Merrill:** Our citizens committees have been meeting to work this problem out. If you want schools, you are the ones who will have to vote for them.

**Mrs. Earl Murdoch,** program chairman, arranged the program. The meeting opened with a devotional by the Rev. Ralph Fleming Jr. Mrs. Harold Chartley, music instructor, and one of her students, Edward Mills, presented piano solos.

**Mrs. R. K. Montague,** vice-president, presided in the absence of the president, Durwood Hill. E. B. Comer, principal, thanked all who helped with the PTA Halloween carnival.

The PTA voted to give any funds from the carnival, over and above the quota set, to the school endowment fund.

The attendance banners were won by Mrs. Janie Garner's first grade, Mrs. Frank Gillikin's sixth, and William Powell's ninth grade.

The school band, under the direction of Melvin Edwards, will present the program at the December meeting.

# Hawk Rally Falls Short as Pirates Capture 54-41 Victory at Atlantic

The Atlantic Pirates withstood a last-quarter rally by Newport and came back strong to capture a 54-41 victory over the Hawks at Atlantic Tuesday night.

The Pirates went into the final quarter with a 41-26 lead but the Hawks got red hot and stored 11 points before Atlantic could find the basket.

With the Hawks trailing by four, 41-37, Newport forward Johnny Mason fouled out. Despite some good shooting by Johnny Terpin and Billy Wade, the Pirates pulled back ahead as soon as Mason left the game.

The Pirates' top scorer, Roger Harris, had already fouled out, midway through the third quarter.

Pirate center Stevie Mason played the entire second half with four fouls against him and forward George Golden got his fourth foul in the final quarter.

Johnny Mason, Newport forward, fouled out in the last quarter.

Even though three Atlantic players were in hot water through fouls, the Pirates took more shots from the free throw line than did the Hawks. The reason for this was that the Pirates got more two-shot fouls.

The Pirates hit on 16 of 26 free throws for 62 per cent accuracy. The Hawks hit on 13 of 21 for 62 per cent accuracy.

Pirate guards Bobby Nelson and Sammy Salter carried the scoring load for Atlantic. Nelson hit for 22 points and Salter got 12 to account for well over half of the points scored by the winners.

Nelson hit on five of his first six shots from the floor and scored 10 points in the first half. He scored six points in each of the last two quarters to run his score to 22 points.

Atlantic coach Roy Cockerham said his team played its best game of the year against the Hawks. The Pirates froze the ball for the final two minutes of the first half while they were holding a comfortable 25-16 lead. Salter hit on a last-second jump shot that gave the Pirates a 27-16 lead at the half.

Douglas Schafran, Newport coach, said his players did fairly well considering the circumstances. First string center Tommy Gillikin did not play due to sickness and Johnny Zirm played even though he had an upset stomach and flu symptoms. Zirm scored only one point during the game.

Scoring for Atlantic were George Golden, 5, Roger Harris, 7, Stevie Mason, 6, Danny Harvey, 2, Bobby Nelson, 22, and Sammy Salter, 12. Scoring for Newport were Johnny Turpin, 10, Johnny Mason, 12, Ronnie Edwards, 2, Johnny Zirm, 1, Laurie Bradshaw, 1, and Billy Wade, 15.

# Morehead City Gridders To Get Free Feed Monday

The Morehead City football team will be honored at a football banquet Monday night. The banquet will be at the Hotel Fort Macon dining room at 7 p.m.

Harry Stewart, Raleigh, until recently director of the State College Wolfpack Club, will be speaker. Bernard Leary, who invited Mr. Stewart, says that he will show movies of State College football games.

Trophies will be awarded to the outstanding player, best defensive player, best offensive player, most improved player and to the best sport.

Only 50 tickets for the banquet are available to the public, so they will be sold on a first-come-first-served basis. The tickets can be bought in advance at the Busy Bee Restaurant.

Persons and firms making contributions to pay for the football players' meals are Capt. Ottilis Purifoy, Alvin Garner's Gulf Station, P. H. Geer and Son, Bill Fox, John Paul Jones for Maola Milk and Ice Cream Co., and Nick Galantis and Theodore Economou of the Busy Bee.

Dr. R. O. Barnum is contacting various businesses around town, asking them to furnish the trophies. The list of cooperating businessmen is not complete.

## Commission

(Continued from Page 1)

station to connect highway 101 and the West Beaufort Road.

Moses Howard, chairman of the county board of commissioners, presented two problems to the commission. He asked that the commission consider extending US 70 from Atlantic to Cedar Island in anticipation of car ferry service connecting Cedar Island to Ocracoke.

Mr. Howard also asked that the commission consider building a bridge from the mainland to Emerald Isle to ease the traffic problem at Atlantic Beach.

W. F. Babcock, state director of highways, told Mr. Howard that a tentative location for such a bridge has already been surveyed. In the meantime, the state is working out a traffic system to handle the traffic going to and from the beach to eliminate the bottleneck at 24th and Arendell Streets.

The fourth person from the county to offer a proposal was N. L. Walker, Morehead City. He asked the commission to consider the building of a four-lane highway between Cherry Point and Morehead City.

Bud Dixon, president of the Morehead City Chamber of Commerce, invited the commissioners and their party to be the guests of the chamber at a banquet at the Morehead Biltmore Hotel last night.

Other delegations attending the meeting were from Jacksonville and Vanceboro. Both delegations were interested in the development of US 17.

The commission conducted business between delegations who came in at various times and were heard. The commissioners awarded contracts for several bridges and approaches; approved Mr. Babcock's recommendations for the expenditure of code funds and betterment funds; approved additions and deletions to the secondary road system; passed an ordinance prohibiting parking on the Interstate System; heard a report on the Wadesboro right-of-way payments; heard a report on a trip by Mr. Babcock to visit various highway projects.

Highway officials at the meeting in addition to the commissioners were C. W. Lee, assistant director of highways, W. H. Rogers, chief engineer; Earl Crump, assistant chief engineer; Kenneth Wooten, assistant attorney general assigned to the highway department, and Sam Beard, public relations director.

## Warm Weather Gets Warmer

Instead of getting colder, the weather is getting warmer as the fall progresses. Weather observer Stamey Davis reports that after a mild weekend the temperature continued to climb this week.

On Monday the mercury climbed to 70 but on Tuesday and Wednesday it got to 75. A cold front, reported to be on the way, had still not hit yesterday.

Maximum and minimum temperatures and wind direction for the week follow:

	Max.	Min.	Wind
Monday	70	59	ENE
Tuesday	75	61	ENE
Wednesday	75	64	SW

## Visitors

(Continued from Page 2)

in the north and middle west brought in folks from 28 different states and the District of Columbia.

One reason for the preponderance of North Carolinians was the delegates to the some 34 meetings and conventions held at the hotel between May and August, which represented some 2,431 delegates. These conventions helped to make this a good "first year" for the hotel.

Although the Morehead Biltmore Hotel was opened in 1957, little effort was made to obtain business as the owners had not had sufficient time to install a food department or the many recreational facilities that were made available for the 1958 season.

Feeling that the enthusiastic acceptance which the hotel received this year presages a very successful 1959, the hotel is beginning now to ready itself for the coming season.

## Little League Play-Offs Slated for Morehead City

The Eastern North Carolina Little League play-offs will be conducted in Morehead City next August. Mr. Green, Little League district representative from Tarboro, called Dr. R. O. Barnum Tuesday to notify him of the change.

The play-offs were scheduled for Tarboro but the Tarboro field, which was owned by an individual, became unavailable. Dr. Barnum says eight to ten teams will participate in the play-offs. This district covers all North Carolina from Fort Bragg east.

## Handicap Golf Tourney Underway at Club

THE NEWS-TIMES golf handicap tournament is now in progress at the Morehead City Golf and Country Club. The tournament will continue through Nov. 30.

Each player is pitted against par for 36 holes, two rounds over the 18-hole course. From his gross score, the player's handicap is subtracted to give him a net score.

The player with the lowest net score, in both women's and men's competition, will receive a trophy presented by the paper.

## Wins Shotgun

Robert W. Willis, Morehead City, won the automatic shotgun given away at the Atlantic-Newport basketball game Tuesday night.

## Unusual Pattern Is Set up at Yale

New Haven, Conn. (AP)—Yale officials wonder who the Ohio boy will be who will graduate with the Yale class of 2037 and wind up in the US Supreme Court.

Here is the pattern to date: In the class of 1837, from Ohio, was Morrison R. Waite. He became chief justice. In the class of 1897, from Ohio, was Potter Stewart. He was recently appointed to the high bench.

The pattern may have started two centuries ago. In the class of 1737 was Philip Livingston who signed the Declaration of Independence—which created the Supreme Court.

The first atomic explosion in history occurred in Tularosa Basin in New Mexico on July 15, 1945.
