

Beaufort Stars Join Morehead City Players for Turkey Bowl Grid Team

Thursday night's Turkey Bowl game will give Morehead City and Beaufort fans an opportunity to see some of their all-time favorites in action.

A number of Beaufort players practiced with the All Stars Sunday afternoon. All Star coach Norman Clark said he was very pleased with the turnout Sunday and was especially glad to see the Beaufort players.

"Such fine performers as quarterback Herb Mason and end Jim Fodrie will surely give good accounts for themselves in the game," Coach Clark declared.

Other Beaufort players who are sure to see action are end Bobby Martin, center Pierson Willis and tackle Tommy Oglesby. Oglesby played for Morehead City but now lives in Beaufort.

Coach Clark says Oglesby was one of the greatest high school linemen he has ever seen.

The backfield got a boost Sunday when Kemp "Baby" Wickizer reported for practice. Wickizer, who played fullback for East Carolina, worked out at that position with Hugh Gordon at quarterback, Danny O'Neal and Gerald Jones at halfbacks.

That gave the All Stars four college calibre players in the backfield. O'Neal had a scholarship at the University of Richmond until he was forced to drop out of school for personal reasons; Gordon played at High Point College; and Jones has been assured a scholarship at either Wake Forest or East Carolina.

Working out in another backfield were Mason at quarterback, Walter Willis and Earl Taylor at halfbacks and Jimmy Willis at fullback. Under the unlimited substitution rules of the game, Coach Clark can alternate backfields after each offensive play if he wants to.

Either backfield should be able to move the ball if the line gives them a few blocks. Mason is a good passer and handles the ball well under the center.

Walter Willis and Jimmy Willis were favorites when they played for the Eagles a few years ago. Taylor is a real speedster who is well-known to baseball fans in the county. He had the reputation of being the fastest man in the county league two years ago.

Among the ends who will be available for the contest are Linwood Swinson, an all-conference star last year, Bobby Martin and Jim Fodrie of Beaufort and Bobby Bass a former Morehead City player.

The line should be strong at guards and tackles. Tom Hewitt, who played for Elon College, is a

rugged customer at guard. Dave Guthrie, an all-star player from Florida is another big man in the All Star line.

The Oglesby brothers, Tommy and Freddie, will be playing side by side in the line for part of the game. They will hold down tackle and guard positions respectively.

Other outstanding linemen who have reported for practice are Horace Willis, Gordon McQueen Jr., George Whittle, Bruce Grisham and John Mayberry.

A pair of centers, Gordon Patrick and Pierson Willis, have looked good in practice. Patrick was an all-conference player with last year's Eagles, while Willis played for Beaufort several years ago.

A couple of defensive specialists will be seeing lots of action against the rugged Cherry Point team. They are John Ballou and Al Conner. Ballou looked very impressive Sunday afternoon but Conner did not practice. He had just come back to town and did not have his gear.

Reports from Cherry Point indicate that the Flyers are taking this game seriously and will field a dangerous team of ex-high school and college ball players.

Individuals making arrangements for the game include Nick Galantis, Bruce Grisham, Dr. Russell Outlaw, Thomas Oglesby, Bernard Leary and Dom Femia. The Morehead City high school football team will work the concession stands at the game.

Petrified trees (where geologic action changes the wood to agate) are still found in northeast Arizona. Indians once used the unusually hard rock to make arrowheads.

Atlantic Pirates Boast Best Record of Local Hoop Teams

The Atlantic Pirates, undefeated in their first three starts, lead the county in team statistics. The Pirates have scored 152 points in their games for an average of 50.7 points per game.

The Newport Hawks, who have won three while losing two, have scored 217 points for an average of 43.4 points per contest. The Smyrna Blue Devils, winless in four games, have scored 185 points for an average of 41.2 points per game.

In defense, the Pirates again top the field, allowing an average of only 39 points per game. The Hawks have given opponents an average of 48 points per game and Smyrna has given up 53.8 points per game.

In the individual scoring race, Johnny Mason of Newport has moved into the lead, replacing Roger Harris of Atlantic. In the past week Mason has gained two points to 14.4 while Harris was dropping from 16 to 13.

Leading scorers in the county follow:

Beaufort Lions Plan For Charter Night

The newly-organized Beaufort Lions Club met Thursday night at the Scout building to discuss a program for charter night. George Murray Thomas, chairman of the charter night committee, said that district governor Ben Parrott of Kinston would be the principal speaker.

Zone chairman Dr. Nat Baxter, New Bern, will act as master of ceremonies at the Dev. 9 ceremony. A banquet will be served at the Beaufort Masonic hall beginning at 7:30 p.m.

Lions from clubs all over Eastern North Carolina are expected to attend the charter night ceremony.

Cook Dies
Ed Matheson, 59, Morehead City Negro, died of a heart attack while he was at work at the Broadway Cafe at 8 a.m. Saturday morning. Coroner Leslie Springle reports that the man had lived in Morehead City for the past 34 years. He will be buried in Raleigh.

Morehead Little League Prepares for Tourney

The Morehead City Little League voted at a call meeting of the president, Bill Chalk, to accept the invitation to hold the eastern regional tournament in Morehead City next summer.

Participating in this tournament will be teams from Morehead City, Beaufort, Cherry Point, Greenville, Tarboro, Warsaw, Robersonville, and Fort Bragg.

The acceptance of the tournament by the Morehead City Little League group presents a further challenge to the local league in that it must ready the new field at the Camp Glenn school in time for tournament play.

It has necessitated a speed-up in the time table for the local group. The league members, under the leadership of the president, are trying to solicit advertising on the outfield fence.

The signs are to be sold on a two-year basis for \$35 or \$25 for one season. As best as possible, signs will be located on the fence to the advertiser's preference. The signs are four feet by 8 feet and will be painted by the league.

The Morehead Little League has an ambitious program before it. It proposes to make the Little League field first class. There will be a restraining fence down the sidelines, tying in to the backstop. Dugouts for the participating teams, seating down the side lines for patrons, and a concession stand.

This, on top of the work already accomplished, the completion of the

Hawkettes Upset Smyrna Lassies by 18 Points Friday

By EDDIE LYNN GARNER

The Newport Hawkettes claimed their first victory in several years over Smyrna Friday night in a game played at Smyrna. The final score in a thrilling game was 62-44.

During the first half the lead changed hands at six different points. Becky Garner sank a free throw in the final seconds of the second period to give the Newport girls a 17-16 halftime lead.

The Hawkettes caught fire in the third period and scored 26 points while holding Smyrna to 12. The Newport guards, averaging about six inches less than their tall opponents, intercepted 16 passes in the third quarter alone.

The fourth quarter was a bit slower as the Hawkettes scored 19 and Smyrna scored 16. Margaret Lilly, sharp-shooting sophomore, scored 15 points for Newport in that quarter.

Starting forwards were Becky Garner, Jenny Garner and Margaret Lilly. The guards who started were Clyde Mann, Peggy Jo Wallace and Linda Dickinson.

Newport coach Mrs. Carol Gillikin used substitutes freely during the contest. Reserves who saw action included Nancy Allen, Bette Green, Libba Gould, Ada Murdoch, Bonnie Garner, Lana Limebarger and Linda Garner.

Carolyn Phelps, Jean Willis and Brenda Baker started at the forward positions for Smyrna. Starting guards were Clarice Willis, Brenda Willis and Carol Willis.

Coach Jimmie Parkin used only two substitutions. Melinda Gillikin played a good part of the game at forward and Sally Hooper played guard after Brenda Willis fouled out.

Scoring for Newport were Margaret Lilly, 30, Becky Garner, 18, Jenny Garner 12, and Libba Gould, 2.

Scoring for Smyrna were Jean Willis, 32, Carolyn Phelps, 10, and Melinda Gillikin, 2.

Nite Raiders Win First Game Over Maola, 58-47

The Smyrna Nite Raiders opened their hoop season with a 58-47 victory over the Maola Milkmen of New Bern Thursday night at the Smyrna gym. The game was a warm-up prior to the opening of the New Bern City League, in which both teams participate.

Jimmy Fodrie, playing his first game with the Raiders, stole the show as he scored 30 points and played a great floor game.

Dallas Arthur, who was the most valuable player in the league last year, scored 11 points and maintained supremacy on the backboards for the winners.

The Nite Raiders took an early lead and stayed ahead all the way. A third-quarter rally by the Milkmen cut the Nite Raider margin to one point, 32-31, but the Raiders got down to work and built a comfortable lead in finishing 11 points ahead.

Other Nite Raiders who scored were Bob Fagan and Everette Golden, six points each, Kenny Davis and Pierson Willis, two each, and Louis Thomas, one point. Osborne Davis and Wilson Davis also played.

Tom Scott was high scorer for the losers. Others who scored were West, 14, Bellis, 12, and Sniko, 2.

The Newport Hawks captured a hard-fought game from the Smyrna Blue Devils by a 51-43 margin Friday night at Smyrna. While the Hawks maintained a lead through most of the game, the contest could have gone either way until the final minutes of the game.

Newport forwards Johnny Mason and Johnny Turpin took charge in the final minutes to score six quick points and put the game on ice. Midway through the last quarter the Hawks held a narrow 45-41 lead and the Blue Devils were pressing hard.

The game was a crowd pleaser from start to finish. Mason looked great as he scored 22 points to capture scoring honors for the night. As the buzzer sounded to end the third quarter, Mason went to the floor from a solid blow from Smyrna player Braxton Piner.

He came back to start the fourth quarter by missing a free throw but that was the only shot he missed the final period. Turpin added 19 points to the Newport total by sinking seven field goals and five extra points.

Billy Wade, with six points, and Johnny Zirm, who scored four, were the starting guards for Newport. Tommy Gillikin started at center and failed to score.

Horace Lawrence was high scorer for the Blue Devils with 13 points. The big pivot man played his best ball game of the season as he kept Smyrna in contention with good rebounding and sharp shooting.

Dale Lewis scored 10 points for the Blue Devils and Piner collected 12. Curtis Nelson scored five, Carroll Hill scored two and Paul Wade hit for one.

The Blue Devils will play host to Atlantic tonight while Newport will travel to Jasper.

Court Friday
Sheriff Hugh Salter announced yesterday that because of the holiday Thursday, county recorder's court will be held at 10 a.m. Friday.
