

Turkey Bowl Teams Set to Clash

Morehead, Cherry Point To Meet at 8 Thursday

The first annual Turkey Bowl game is scheduled for 8 p.m. Thursday, Thanksgiving, at the Camp Glenn football field. The game, a benefit to raise money for a junior high football program, will match the Cherry Point Flyers against the Morehead All Stars.

The All Stars are composed of former Morehead City and Beaufort ball players with a couple of former college stars thrown in for good measure.

The Flyers, coached by Lt. John Charles, will operate from a winged T formation. The All Stars are expected to stick with a straight T with an occasional single wing play mixed in to keep the defense honest.

Coach Charles promises to bring a well-conditioned team that has lots of speed in the backfield to go with a strong forward wall. The Flyers probably deserve the favorites role since they have the edge in conditioning and team practice.

The All Stars can't be sold short though. With an unlimited substitution rule in effect, the strong bench of the home team will help equalize the two squads.

With Hugh Gordon, an 'old pro,' calling the signals at quarterback, the All Stars are sure to come up with some dazzling offensive plays.

Halfbacks Danny O'Neal, Gerald Jones, and Earl Taylor seem to be in good shape. All three men are breakaway runners who are

dangerous on any spot on the field. With a little blocking, these speedsters can wreck the Flyers on end runs.

Once the middle is opened up a bit, Gordon can send such bulldozing fullbacks as Kemp "Baby" Wickizer, Jim Willis or Don Ditto into the line. Wickizer needs no introduction to fans who followed his sensational career through Morehead City High and East Carolina.

Ditto is a Marine stationed in Morehead City. He is 6' 2" tall and weighs in at a rugged 205 pounds. He played in high school and has impressed All Star coach Norman Clark with his hard running and heads-up play.

Willis is a favorite of Morehead fans who still tell of his exploits on the gridiron.

Alternating with Gordon at quarterback will be Herb Mason of Beaufort. Both quarterbacks can chuck the ball and the Flyers are liable to see plenty of pig skin flying before the game is over.

Ends Lynwood Swinson and Bobby Martin, as well as the backs, are capable pass receivers. While the All Stars can not be regarded as a passing team with their stable of speedsters ready to go, the opposing team can not concentrate on the runners for fear of that long pass.

Gordon Patrick has been assured of the starting nod at center. Tom Hewitt, who played at Elon College, Tommy and Freddie Oglesby, Kent Brown, Sherman Salter, George Whittle, Gordon McQueen, and Horace Willis are other players assured of seeing plenty of action in the line. John Ballou has looked particularly good on defense and will probably be with the defensive unit as a linebacker for the game.

Other gridgers who have looked good in practice are Carl Borino, John Bascice, David Guthrie, Don DeCastro, Don Wilson, Jim Fodrie, Sib Boner, Bobby Bass, John Dennis, Jim Smith, Carl Newman, Cliff Smith, Craig Horne, Nathan Gordon, Dale Robinson, Tommy

Fans Honor Morehead Grid Team at Banquet Monday

The Morehead City football team was honored at a football banquet at the Hotel Fort Macon Monday night. Five players were singled out for special awards.

James Guthrie, a senior half-back with four years varsity experience behind him, was selected the outstanding player on the team. The choice was made by other players on the team.

Lynwood Durham was named the best defensive player, Freddie Oglesby was selected as the best offensive player and Jerry Garner was named for the sportsmanship award.

The only junior to win an award was quarterback Jackie McQueen. He was named by Coach Norman Clark as the most improved player on the team. Coach Clark makes this presentation annually.

Others who supplied trophies were: Leary's, sportsmanship; Carteret Drug Store, best offensive player; Hardware and Building Supply, best defensive player; and Morehead City Drug Store, outstanding player.

Guthrie, representing the team, gave Coach Clark a gift certificate for a sweater and gave Coach Hugh Gordon a gift certificate for a trophy.

Herbert Phillips acted as toastmaster for the banquet. Charles Willis gave the invocation. Jerry Willis, president of the Jaycees, welcomed the guests.

Bernard Leary, president of the Touchdown Club, introduced Harry Stewart, former director of the Wolfpack Club, North Carolina State College, who was speaker for the evening.

Coaches Clark and Gordon and school Principal Lenwood Lee discussed the football program and

the demands brought on by the growth of the school.

Trophies were presented by Jimmy Wallace, George R. Wallace, Buck Matthews Jr., Nick Galantis and Coach Clark.

The coach introduced the seniors on the team. They were Durham, Guthrie, Oglesby, Garner, Dennis Munden, Danny Graysbock and manager Bill Fox. He introduced Mokey Lassiter, Jimmy Lawrence and McQueen as next years co-captains.

Immediately after the program, Mr. Stewart showed films of the State College-Virginia ball game.

Persons and businesses who furnished meals for the players and other guests were Capt. Otis Purifoy, Garner's Gulf Station, P. H. Geer and Son, Bill Fox, Maofa Milk and Ice Cream Co., Busy Bee Restaurant, Nick Galantis and the Elks Club.

Hawkettes Claim Second Victory over Jasper

By EDDIE LYNN GARNER

The Hawkettes claimed their second victory over the Jasper girls as they romped to a 62-51 decision on the Jasper court Tuesday night.

The Newport girls held the lead during most of the first quarter and were ahead 10-9 when the buzzer sounded. In the second quarter the Jasper girls outscored the Hawkettes 10-12, thus the half-time score was 25-22 in their favor.

The Newport team came to life in the second half as they scored 18 in the third quarter and 22 in the fourth.

The girls from Jasper had a very slow third quarter, scoring only 7. They were much more active in the fourth and dropped in 19.

Becky Garner, Newport's lone senior forward, scored 21 to lead the Hawkettes to victory. Margaret Lilly had 20 for a very close second.

Jenny Garner scored 18, Ada Murdoch had one and Libba Gould hit two.

Rita Harris sank 8 field goals and 11 foul shots to capture high scoring honors for the game with 27. Peggy Morton hit 14 and Myrtle McDaniel scored 10.

The starting forwards for Newport were Becky Garner, Jenny Garner, and Lilly. The guards on the starting lineup were Clyde Mann, Peggy Jo Wallace, and Linda Dickinson.

The substitutes were Ada Murdoch, Bette Green and Libba Gould at forward positions; Bonnie Gar-

were the starting forwards for Jasper. Nyoka Davis, Effie Russell, and Margaret Smith were the starting guards. Lois Murphy was the only substitute at the forward spot. June Adams and Nancy Morton substituted at the guard positions.

Clyde Mann left the game in the fourth quarter after committing her fifth foul. She was the only one to foul out.

Hawks Get Hot In Last Period To Whip Jasper

Johnny Turpin Scores 22 Points for Newport

The Newport Hawks won the feature game of a twin bill at Jasper Tuesday night by a 62-58 margin. The Hawks broke the game wide open in the closing minutes after trailing for a good part of the contest.

Coach Doug Schafran's Hawks hit for 16 points in the first quarter to grab an early 16-10 lead. The lead didn't hold up in the second period, however, as the Jasper quintet pressed hard to score 21 points and gain a 31-26 advantage at the half.

The Hawks held a slight edge in the third quarter and went into the final period with a 41-39 lead. The last quarter was tit-for-tat until the final four minutes when the Hawks put on the pressure to pull six points ahead for a 62-56 victory.

Johnny Turpin and Johnny Mason were the offensive leaders for the Hawks as they scored 22 and 17 points respectively. Billy Wade sank 11 points from his guard position. Johnny Zira, the other starting guard, scored two points.

Larry Kirk marked his return to the squad with a six-point performance as a substitute guard. Coach Schafran predicts that Kirk will gain a berth on the starting five before the season is over. He played at forward last year.

Tommy Gilkin, starting center, scored four points to complete the scoring for the Hawks. Ronnie Edwards played the final minutes of the fourth quarter, replacing Mason who had fouled out.

Calhoun was high scorer for Jasper with 21 points. Hodgett scored 12, Harris got 10, Adams hit for eight and Daley scored five.

Coach Schafran said the Hawks played a "spotty" ball game. He said he was well pleased with the final outcome but the Hawks had some lapses, both on offense and defense that could have cost them a victory against a better team.

The Hawks, in a rebuilding program, are rather short on experience this year and the team is progressing with every ball game. When Kirk rounds into the form he showed last year, the offense should show a definite improvement.

Turpin has been a pleasant surprise to Newport fans with his good performances this year. In his first year as a starter, he is averaging 15.3 points per game.

The Hawks will take off for Thanksgiving holidays and will swing into action again on Dec. 5 when they play host to the Atlantic Pirates.

Hall, Bob Putze, Pierson Willis and Al Conner.

Halftime music will be furnished by the Morehead City band. Another halftime feature will be a sack race. Fans attending the game will be eligible to participate.

Two live turkeys will be anchored on the 50-yard line. The first two to get to the turkeys can keep them.

Smyrna cage teams swept a twin bill from the visiting Atlantic Pirates Tuesday night. The Smyrna girls won the first game by a 64-59 score and the Blue Devils won an overtime thriller, 60-58, in the feature game.

Jean Willis scored 40 points as she led the Smyrna sextet to victory in the opener. She hit 19 field goals and two extra points to roll up her total.

Carolyn Phelps scored 20 points on 10 field goals and Brenda Baker, the third starting forward, hit four of five free throws for four points. Brenda Willis, Carol Willis and Clarice Willis started the game as guards.

Sally Hooper was the only Smyrna substitute of the game. She came in during the fourth quarter when Carol Willis fouled out.

Elita Gilgo paced the Atlantic attack with 27 points. She hit 10 field goals and seven of nine free throws. Anita Brown scored 19 points, Linda Taylor scored 19, Bonnie Brickhouse scored two and Catherine Willis scored one.

Brenda Salter, Jency Mason and Brickhouse started at the guard positions and Coach Roy Cockerham shifted his players considerably during the contest.

The boys game was a dilly. The Pirates grabbed a 15-9 lead in the first quarter but the Blue Devils scored 20 points in the second quarter while holding the Pirates to 15, moving to within one point at 32-29.

Eraxton Piner hit two straight shots as the second half opened to put the Blue Devils into a 33-30 lead. Bobby Nelson sparked an Atlantic rally in the fourth quarter after the Pirates had gone into the period trailing by a 45-41 margin.

Nelson hit six straight points for the Pirates and pushed them back into the lead at 49-46. With the score tied at 51 all, Nelson hit on a fast break play and scored to give the Pirates a 55-51 lead.

Piner hit for Smyrna to close the gap to two points but moments later Atlantic forward Roger Harris was fouled. It looked as though that was the ball game.

Atlantic was two points ahead with seven seconds to go and Harris is one of the best shots in the county. His shot hit the back of the rim and took a high bounce into the hands of Smyrna's Curtis Nelson.

Nelson dribbled just across the center line and cut loose with a 35-foot jump shot that was still in the air when the buzzer sounded. The ball dropped through the basket to tie up the game at 55 all.

The overtime period was a wild affair with neither team hitting

for a good percentage. Carroll Hill hit a long hook shot for Smyrna to break the scoring ice.

Danny Harvey hit a free throw for Atlantic but it was countered by a free throw by Curtis Nelson. Harris hit a jump shot for Atlantic to tie the score. Atlantic had possession of the ball with the score tied at 58 all and 15 seconds remaining.

Dale Lewis broke up an Atlantic pass and went all the way down court to score for the Blue Devils, two seconds before the game was over. Atlantic did not get the ball down the court before the final buzzer sounded.

Bobby Nelson of Atlantic and Piner of Smyrna shared scoring honors with 18 points each. Others who scored for the winners were Lewis, 11, Curtis Nelson, 14, Hill, 15, and Horace Lawrence, 2. Paul Wade did not score.

Wild Turkey Makes Strong Comeback

The wild turkey, traditional game of the early Pilgrims, is making a comeback under careful game management. Already about half of the states have wild turkey seasons.

While this county still does not have an open season for the birds, many Carteret hunters agree that the turkeys are present in substantial numbers in the county.

William H. Willis, secretary of the Carteret County Wildlife Club, says, "With good management we can have an open season on wild turkeys in the county within a few more years."

Beaufort Pilgrim Bowl Game Set for Thursday

The seventh and eighth grade football teams of Beaufort High School will play an intramural Pilgrim Bowl game at 2 p.m. Thanksgiving Day.

Principal E. E. Tarkenton says admission will be 25 and 50 cents. All proceeds will be used to pay for improvements to the field.

When it is 12 o'clock noon in New York City, it is 1 o'clock the morning of the following day in Hong Kong.

ARE SMALL IMPORTED SEDANS REALLY ECONOMICAL?

Consider these facts from your FORD dealer

Q. "Foreign cars are inexpensive, aren't they?" A. That depends on which one you choose. Prices run from \$1100 for a tiny two-seater to double that figure—and more—for a larger, 34 size sedan. In every price range, the cost is high for the size of the car in relation to American cars. For the same money—or hundreds of dollars less—you could own a full-size, low mileage, late model American car... an A-1 car from our stock. *This A-1 car can give you thousands of miles' worth of comfortable, economical driving—and there's a high trade-in value when you are finally ready to replace it.

Q. "But aren't these disadvantages more than offset by economy of operation?" A. On the whole, we don't think so. In most of the auto expense categories, there is little or no saving involved in foreign car ownership. Costs may actually be higher in some cases. You'll pay the same for: BODY-REPAIR WORK • BATTERIES, ACCESSORIES • INSURANCE • PARKING FEES & METERS • SAFETY INSPECTION • LUBES AND OIL FILTERS • WASHING AND WAXING

With a foreign car, you will save on: • GAS (about 1c saved per mile) • OIL (50c to \$1 saved per change) ...but you'll pay as much or more for: • IMPORTED TIRES • REPAIR WORK, PER HOUR • REPLACEMENT PARTS

You'll rarely find a foreign car for sale for less than full list price. Not every garage has tools or talent for foreign car repairs. Those who can fix them often charge a higher per-hour rate. Smaller engines aren't necessarily easier or less expensive to repair than big ones. Replacement parts are apt to be slow in arriving... and they are just as expensive... if not more costly—than for similar domestic car parts.

Q. "Are slight gas and oil savings your only real foreign car economies, then?" A. Looks that way... and these apply only at more moderate cruising speeds. The extra shifting you do in city driving and the higher speeds used on a long trip may reduce this saving, too.
