

Breck Comes Out Ahead, The Proof Is In The Window

Pleased patrons are always eager to tell their friends about the Beauty Shop that features BRECK PERMANENT WAVES. When you have seen the Breck Beauty Shop, its many happy customers and busy operators now on display in the window of The Beauty Bar, 328 Front St., Beaufort, N. C., you will learn that even with the china dolls "It's always Breck."

If you have not seen the BRECK Beauty Shop at the above address you should be sure to stop by.

The equipment in the window is an exact scale replica of a typical modern Beauty Shop, including miniature shampoo bowl, with real running water, a convertible hair dryer, and well-known make of furniture.

Incidentally, while looking over the wonderful work, be sure you don't miss the dolls having a real Breck permanent and others still under the dryers, and of course some dolls showing the beauty of a completed hair style.

The dolls used in this beautiful display were dressed and all hair styles were done by the staff of the Beauty Bar. Mrs. Nee, member of the staff, has been a steady user of Breck products for the past twenty-five years and if you visit her shop, one glance will tell you — this is still the leading show.

Dolls used in this display . . . compliment of Rose's 5 and 10c Store.

Jean Dixon comments on Breck . . . In the window there is proof. That with Breck you cannot goof. For the romantic or empire trend, Breck comes first and at the end. So it's a living doll you want to be? Visit us and you will see. The poise and charm you will acquire. With a hair style everyone will admire.
