

Cherry Point Flyers Top All Stars in Turkey Bowl

The Cherry Point Flyers topped the Morehead All Stars 26-0 in the first annual Turkey Bowl game in Morehead City Thanksgiving night. A crowd estimated at over 1,000 watched the All Stars bow to the visiting Marines.

The All Stars received the kickoff and moved for a first down on their own 40 before being forced to punt to the Flyers. The Flyers gained nine yards on a pass play on first down.

Kent Brown intercepted a Flyer aerial on second down and ran the ball back to midfield. The All Stars were unable to move the ball on this series of downs and quarterback Hugh Gordon got off a nice kick that was run back to the Flyers 30-yard line.

From this point the Marines launched a scoring drive that was capped by a 32-yard pass from quarterback Larry Eddy to tailback Duke Edduke. Eddy went across on a sneak for two points and the Flyers led 8-0 at the end of the first quarter.

The second Marine touchdown came in the second quarter after the Flyers were awarded possession on the All Stars 20-yard line. The All Stars had been forced to punt from their own 21 and a high pass from center carried all the way out of the end zone.

The officials said later they should have given the Flyers a safety but at the time they called the play a touchback and gave the ball to the Flyers.

Four plays after getting the ball, the Flyers scored on a four-yard plunge by wingback Bill Bozzick. A pass for the extra points fell incomplete and the score stood at 14-0. The half ended with the score unchanged.

Flyer fullback Al Kirklys raced 77 yards on the second play of the third quarter to score the third Flyer touchdown. The All Stars stopped the conversion play and held the score to 20-0.

Edduke intercepted a pass on the Morehead 38 to set up the next touchdown. The Flyers scored on a pass from Eddy to wingback Charles Farris. A penalty nullified the two points the Flyers made after the touchdown. On a second try, from the seven, the All Stars held and the score stood at 26-0.

The teams battled on even terms in the final quarter with neither being able to drive across for a touchdown. The Flyers were knocking on the touchdown gate from the Morehead four-yard line as the game ended.

All Star coach Norman Clark declared that he was pleased with the performance turned in by his team. "These boys could have made a real game of it with some more practice but those Flyers were really tough," he said.

Looking impressive in the line were Kent Brown, who covered two fumbles and intercepted a pass, George Whittle, who covered a short kick for the All Stars, Tom Hewitt, Linwood Swinson, Bobby Martin and Tommy Oglesby. Oglesby had the biggest job on the team—stopping 237-pound tackle Charles Reeves.

Centers Gordon Patrick and Pierson Willis also turned in good performances.

While the hard-charging Flyer line held the All Stars in check most of the night, Gerald Jones, Hugh Gordon, Kemp Wickizer, Danny O'Neal and Earl Taylor turned in some nice gains. Gordon and Wickizer turned in the longest runs from the line of scrimmage, each man getting away for about 11 yards.

The All Stars passing attack was stopped cold by the fast-charging Marines. A couple of short passes to Swinson were the only ones the All Star quarterbacks had time to get off.

Jimmy Parker, Gordon and Herbert Mason shared duties as quarterback.

Red Coleman and Reeves were the outstanding players in the Flyers line. Others who played a big part in the victory were Ron Mooney, Merlin Bell, Tex Linehan, Pierce Durham, Bob Augg, Ben Harris, Jodie Geron, George O'Connor, Joe Dunn and Dave Keane.

Coaching the Flyers were Lt. John Charles and Sgt. A. T. Carroll. Officials who donated their services were Don Korsak, Max DuCharme, John Kaplaska and Ray Hassell.

Following the game, the Cherry Point team was treated to a free meal at the Hotel Fort Macon dining room.

Playing for the All Stars were Gordon, Jones, Wickizer, O'Neal, Swinson, Martin, Hewitt, Oglesby, Whittle, Patrick, Taylor, Don Ditto, Mason, Bobby Bass, Sherman Salter.

Pogy Boats Leave Moore Dock

By Thanksgiving Day, the boats which had been tied at the Moore dock in front of the Beaufort post-office, had been moved. Judge Clifton Moore signed a restraining order at New Bern Tuesday, requiring that the dock, in a residential area, be kept clear of commercial vessels.

Judge Luther Hamilton, attorney for the defendants, I. N. Moore and family, said that the case regarding the boats would probably be scheduled for superior court in March.

The restraining order and hearing Tuesday followed a complaint by Mrs. B. C. Brown and others in the neighborhood alleging that the boats were a nuisance and a hazard.
