

How Wise Housewives Fill Market Basket on Budget

Making a chewy candy isn't any complicated affair with this recipe. It's simple enough so teen-agers can enjoy both making it and eating it.

By MISS LOUISE

One of the best things about the holidays are the good things there are to eat. And Colonial and A&P stores in Beaufort and Morehead City are chocked full of tempting taste ticklers.

Five dollars at Colonial this weekend will buy a 5-pound fryer, a 28-ounce jar of apple butter, pound of pecans, four grapefruit, 2 pounds margarine, two packages of eight buttermilk biscuits (total 16), 2 pounds pole beans, 8 10-ounce packages of frozen corn, quart of cucumber chip pickles, 2 cans applesauce, and two 4-ounce cans of vienna sausage.

For \$5 at A&P this weekend you can buy 8 pounds oranges, 10 pounds Irish potatoes, pound of walnuts, 2 pounds dried beans, two stalks celery, 3 pounds shortening and a 3-pound chuck roast.

By making out a shopping list, you can take advantage of all the dollar-saving prices at Colonial and A&P. Just refer to the food ads in this section of the paper.

Does that teen-ager in your family have problems making out her Christmas gift list? Or are you stumped as to what to give Junior's favorite teacher? Here is a

delicious recipe for homemade caramels. The candy would be a welcome gift for anyone.

Light Nut Caramels

Ingredients: 1 cup sugar, 1 cup light corn syrup, 1 cup light cream, 1/4 cup butter or margarine, 1 cup chopped walnuts or pecans, 1 teaspoon vanilla.

Method: Place sugar, corn syrup cream and butter in a large (about 3 quarts) heavy saucepan; mix well. Cook over moderate heat, stirring occasionally.

When the mixture begins to "enamelize", lower the heat and cook stirring constantly, to 244 degrees on a candy thermometer; or until a teaspoonful of the mixture, when dropped into a cup of very cold water, forms a firm ball that does not flatten when it is removed from the water.

Stir in the nuts and vanilla. Pour into one corner of a lightly buttered cake pan (8 by 8 by 2 inches) allowing the mixture to flow and level of its own accord. Allow to stand until cold.

Turn the block of candy onto a cutting board. Mark off into 1/2-inch squares; cut with a sharp knife. Wrap caramels individually in waxed paper. Makes about 1 1/4 pounds.

Chocolate Nut Caramels: Follow recipe for light Nut Caramels, adding 1 square (1 ounce) unsweetened chocolate after mixture has reached boiling point.

Kitchen Cue: When frying eggs, dust a little flour in your skillet. This will prevent the fat from popping out on your floor or stove.

Atlantic Juniors Make \$125 on Class Play

By EVELYN HARRIS

Hi, I'm back after a couple of weeks of absence and with a wee bit of news from AHS.

After the Thanksgiving holidays, students are ready to settle down and get to work. Pencils are being pushed and chalk dust is in the air again.

The junior class took in \$125 on their play, *Where's Laurie?* A lot of compliments were given and for those who didn't see the play, they missed a very good performance.

The first Beta Club meeting was held last week. Officers were elected. They are as follows: Iris Salter, president; Phyllis Gaskill, and Anita Brown. As yet a treasurer has not been elected. At the next meeting the Beta Club will discuss the initiation of new members.

Basketball is underway again and everyone seems to be enjoying the contests. With the co-operation of everyone this will be one of the best seasons AHS has ever had. Scorekeeper this year is Evelyn Harris and timekeeper is David Hammer. And now the moment the seniors

at AHS have been waiting for. They've all been wanting to know when they would be interviewed. Well this week I've started, and each week from now on, look for Miss or Mr. Senior of AHS.

Miss Senior this week is Patricia Fulcher. Pat was born April 13, 1941. She stands 5 feet 5 1/2 inches tall and weighs 120 pounds. She is the daughter of Mr. and Mrs. Homer Fulcher of Stacy.
