

Atlantic Lassies Defeat Beaufort Girls, 51-44

The Atlantic girls scored 17 points in the last quarter to take a 51-44 decision from the Beaufort lassies at Atlantic Wednesday night. The score was tied at 34 all when the final quarter began.

With two minutes remaining in the game, Atlantic held a 44-41 advantage and Coach Roy Cockerham instructed his girls to freeze the ball.

In the last two minutes the Atlantic girls scored seven points on five free throws and a field goal. In girls ball the team getting a free throw takes the ball out of bounds after the shot.

Beaufort scored three points when Ann Davis stole the ball from an Atlantic forward and got the ball to Beaufort's end of the court. Lynn Peterson hit a two pointer and was fouled. She made her free throw good and Beaufort took the ball out of bounds.

Atlantic guard Brenda Salter intercepted a Beaufort pass and passed up court to get the freeze back in operation.

Rita Gilgo was high scorer for

the winners with 30 points. Anita Brown scored 18 and Linda Taylor scored three. Guards for the Atlantic girls were Salter, Katy Gillikin and Jency Mason. Bonnie Brickhouse played at both forward and guard for the winners.

Coach Jimmy Fodrie used all the girls on the Beaufort team during the contest. It was the second straight game in which all the girls have played.

"If they are good enough to have a uniform, they're good enough to play," Coach Fodrie declares. Lynn Peterson, an outstanding freshman prospect, scored 25 points to top scoring honors for Beaufort.

Pat Lupton scored 13, Linda Salter scored four and Lynda Chadwick scored two. Starting guards for Beaufort were Davis, Joyce Leonard and Sheila Willis.

Other girls who played for Beaufort were Iva Faye Hill, Barbara Thacker, Helen Mason, Sophia Dickinson, Bobbie West, Peggy Bradshaw, Frieda Garner, Regina Pake, Ramona Jones and Jeanette Ransom.

In the third quarter the Seadogs really got hot. They scorched the nets as they dropped in 20 points while the Lejeune team managed to score only two points.

Majorettes Run In This Family; It Started in '31

Philadelphia, (AP)—They threw pretzels at Mrs. William Nussle. They don't at her teen-age daughter.

But Mrs. Nussle was a high school senior in 1931, when a girl was nothing if not decorous. No one thought it would ever be proper for a decent girl to parade around a football field in a short skirt, twirling a baton, leading a band—a majorette.

Then there were drum majors—men—in long pants, with heavy, cumbersome batons.

Until one fall, day Mrs. Nussle tried it. She was the first in this area to do so.

"I had more courage than talent when I stepped on that football field," she recalled today. "And strutting and kicking was limited by a straight skirt."

"I could twirl, and did, but my baton was 4 feet long and heavy. It resembled a broomstick."

"The first game I was hit with a pretzel. I felt like crying and calling the whole thing quits. At the next game the other team's drum major came over and asked me if I wanted to take my band on first."

"He was gallant and didn't make fun of me. I felt fine about the job after that."

It's woman's work now, like so many other things. With a few exceptions, the majors are gone. And Mrs. Nussle's 17-year-old daughter, Janet, is as popular as a full-back out there on the football field, leading her high school band in short skirt and brilliant plumed hat.

Salvation Army Home Requests Needed Items

The Salvation Army Home and Hospital for Unwed Mothers, which serves North and South Carolina, is in need of single bed spreads, writing paper, chairs for a recreation room, baby clothes, desk-style chairs for school work, typewriters, soap, and other toilet articles.

One hundred and forty-seven expectant, unwed mothers from the Carolinas and several other states were cared for at the Home and Hospital in Durham in 1957. The girls receive warm sympathetic care, but they are not left with the illusion they are on a holiday from their jobs or studies.

Both the mother and baby get expert medical attention during their stay at The Salvation Army institution. Delivery of the child is made in Durham at a nearby university hospital. Through spiritual guidance and careful counseling permanent injury to a girl's personality is avoided.

Approximately two-thirds of the girls wish to have their baby adopted, and this is handled through licensed child-placing agencies.

Any individuals, civic clubs or other organizations interested in helping The Salvation Army secure some of the items mentioned in this article should send material or a letter to Major Ruby Milton, superintendent, Home and Hospital, P.O. Box 39, Durham, N. C.

Chamber Sends News Bulletin

The Morehead City Chamber of Commerce has sent a report and questionnaire to all chamber members. The report shows the progress in retail sales during the past 10 years.

Retail sales, slightly over 10 million dollars in 1948, have risen 120 per cent to 26.4 million dollars this year. Real estate values in the county have gone up at least 300 per cent during the same period.

Questions covering the following subjects were asked: methods of obtaining a convention hall for the county, advertising, answering inquiries, publishing a chamber news bulletin, membership meetings, training schools for employees of hotels, motels, restaurants and service stations, and membership investments for next year.

The state driver license division has reinstated the license of Hubert E. Gaskins, Beaufort.
