Christmas Spirit Fills School, Beta Club Plans Two Projects

By ANN SANDERSON
The Christmas spirit was really felt in Morehead High School this week. The FTA members gave devotions over the intercom each morning.

Many clubs took special interest in projects to help the needy. The Tri-Hi-Y and Beta Club members collected food to use in Christmas baskets, and the whole student body contributed to CARE.

To close the celebration the Glee Club presented a Christmas program Friday.

The numbers presented by the Glee Club were:

We Wish You a Merry Christmas, The First Noel, Winter Wonderland, Masters In This Hall, White Christmas, Come Unto Him, and O Holy Night.

The student body sang Jingle Bells, Deck the Halls and Silent Night with the Glee Club.

An informal fashion review was the highlight of the FHA meeting last Wednesday. The clothes that were modeled were made by members of the second and third year home economics classes.

The meeting was the last to be held before Christmas. Barbara Nichols gave the devotions and Doris Farmer gave brief instructions on parliamentary procedure.

Lois Taylor was presented with the pin given annually to the girl selling the most fruitcakes and the meeting was closed.

At their meeting Wednesday the Beta Club planned a program entitled "How to Study." They are planning to give it on Jan. 16 in preparation for mid-term exams.

They are also sponsoring "Have Book Will Tutor" as a project to help students who need special help in some subject.

They are selling basketball pins to help replenish the treasury.
