Frees Bird

Tucson, Ariz. (AP)—A burglar who broke into the office of Dr. Don H. Simpson couldn't bear the thought of anything being behind bars. Before departing with \$113 from a cash box, the thief let Simpson's canary out of its cage.

Granddad Attends College at Night

Manville, N. J. (AP)—Joseph Mignella finds it much easier attending college than it was attending high school.

He finished high school during the last four years, attending classes in New York City at night

and arriving home about 12:30 a.m. His day started again at 5:30 a.m. when he arose to go to work at the US Information Service in New York City.

He still has a tight schedule but feels it's not nearly as bad as the previous one.

Mignella—a 53-year-old grandfather—expects to graduate in seven years with a degree in political science from Rutgers University.

You also get more head and hip room than in any other 2- or 4-door sedan in the field.</p>	<p>WIDEST CHOICE OF POWER TEAMS —A choice of 24 engine-transmission teams in all—to satisfy the most finicky driving foot. There are seven engines with output all the way up to 335 h.p. and five six-smooth transmissions.</p>

Noise and vibration are filtered to the vanishing point by new body mounts.</p>	<p>NOT CHANGE FOR CHANGE'S SAKE, BUT FOR YOURS —There's only one person we consider when we make a change—and that's you. Here's the kind of styling sophistication and subtle detail that only Fisher Body craftsmanship can create. Here's the kind of Full Coil comfort that neither of the other two leading low-priced cars—and only, some of the smoothest riding higher priced ones—build into their suspension systems.
