from Long's Sanatorium at States-
ville Saturday where she was
operated on for appendicitis. We
understand she is rapidly recov-

week and taken back to camp by
Sheriff Bennett and his deputies.
There is said to be about as many
more in the county to be rounded
up yet.

The ladies of the Presbyterian
church will serve ice-cream on
the public square Saturday after-
noon, June 1st. They would ap-
preciate the patronage of those
who feel inclined to help them in
their church work.

Dr. J. B. Gibbs, J. M. Lyon, J.
A. Watson and B. R. Byrd at-
tended the War Savings Stamp
meeting at Asheville last Tues-
day. The meeting was called by
State Chairman Fries for the
Western counties and practically
every Western county was rep-
resented. On account of the sick-
ness of Col. Fries, the meeting
was presided over by Judge
Patch, who made an able ad-
dress in behalf of the War
Savings Stamp campaign. There
is a possibility that Judge Patch
will visit Yancey county at
an early date for an address in
behalf of this worthy cause.

receipt of a dollar from Mr. B.
Robertson, Boone, N. C., to a-
ply on subscription. Brinton
writes us that he is now farming
Watauga county soil and that his
prospects for a bountiful harvest
are fine. Yancey county boys al-
ways make good.

Misses Ethel and Lela Roland
gave a party at their home west
of town Tuesday evening in honor
of Mr. Charlie Gardner, a mem-
ber of the bunch of young men
who are to leave Tuesday for the
training camps. Delicious re-
freshments were served and a
most delightful evening spent by
the young people present.

Hon. Geo. Merrill, head geologist
for the United States Gov-
ernment, was in the city Sat-
urday with Mr. A. W. Bittner, of
Penland. Prof. Merrill is in this
section investigating for white
water quartz and other minerals
under direction of the Govern-
ment and will probably be in
this section for some time.

Prof. E. M. Bartlett, of Green-
wood, Ark., who will come to
Burnsville shortly as the new
principal of the Yancey Collegiate
Institute, was in the city the first
of the week looking over the
work here. Prof. Bartlett made
a fine impression among our peo-
ple and it is evident that the
Trustees of the school made no
mistake in his selection.

Mr. Ernest S. Goldy, a jeweler
of Asheville, was here Monday.
Mr. Goldy dropped in to see the
Eagle and informed us that it is
his intention to locate in Burn-
sville, and expects to be here by
June 15th, prepared to do repair
work in his line for the people
of Burnsville and Yancey county.
He comes to Burnsville highly
recommended, having been em-
ployed by some of the biggest
jewelry stores in the country.

The Judicial primary, as well
as the other primaries, will be
held throughout the State on
Saturday, June 1st. Yancey
county Democrats should not for-
get the fact that they have a
candidate for Judge in the person
of Attorney J. B. Gibbs, and
every democrat in the county
should go to the polls and see that
Yancey county gives him a boost
that will give him the nomination.
Most encouraging reports are
coming from the other counties
of the district in regard to Mr.
Ray's candidacy and if Yancey
county will give him what he
ought to have and is entitled to,
it is said there is no question
about his nomination. Don't for-
get to go to the polls on Saturday,
June 1st, and do your duty as
democrats.

An Open Letter

(Advertisement)
Burnsville, N. C., May 20, 1913

To the citizens of the 35th Sena-
torial District and Republicans,
especially:

Having registered as a candi-
date before the Republican pri-
mary to be held on June 1st, 1913,
and owing to a serious accident
in which my son was fearfully
injured, I have not been able to
go and see my friends to explain
my reason for being in the field.
Hence a few reasons:

I am confident the next Legis-
lature will be the most important
since 1868. Many questions will
be acted upon that are of vital
interest to the people of North
Carolina, among the most im-
portant is the ratification of an
amendment to the Federal Con-
stitution for national prohibition.
I am absolutely for it. I know
from personal experience what key
is the greatest curse of the age
and I desire to take a part and
have always done so to the best
of my power. I believe it be-
longed to the reach of mankind.
Should the Constitutional Con-
vention be called the Legislature
will be convened in extra-ordinary
session to enact laws to comply
with the amended constitution.
And I feel that with my past ex-
perience I could and would safely
and honestly guard the people's
interest. I have always consid-
ered and carefully considered
every measure whether local or
general from a non-partisan
standpoint and supported the
measure that I thought would do
the most good for the greatest
number of people, regardless of
politics. It has been reported by
some that Hyatt has served in the
Senate and never did anything.
In reply to the compliment, I
say that I am no fool, just humble
Jim Hyatt, but my record is a
matter of history as a public ser-
vant. I might change in a few
minor points if I had it to do over
again, but as a whole I have no
apologies to make for the course
which I pursued. If those who
are inclined to criticize will only
examine the Senate Journals
for 1897 and 1911 you will find
in the record the position I took on
all local and general ques-
tions. Then if you don't under-
stand the reason, I will take
pleasure in explaining.

So it is not for money or that.
I may gain any special honor, im-
prove myself intellectually or
evade any duty I owe my country
that I want to be a member of the
next General Assembly, but in
this the most trying times in the
history of our country and the
world I offer my service to the
State with all my past experience
to help my bit toward guiding
her safely through the storm. So
my friends, I leave it with you to
accept or reject.

Yours for service,
JAS. L. HYATT.

Help--Burnsville Cemetery.

Clean up the cemetery. When?
Next Wednesday, May 29th.
Who should help? EVERY-
BODY. If you have any relatives
buried there don't fail to show
that you have a care for the loved
ones gone before. If you have no
one buried there, join the work-
ing crowd and show you wish the
place cared for where you will
someday be laid to rest. BRING
SHOOLS. All kinds of tools may
be needed. Don't forget the time--
NEXT WEDNESDAY
from early morn till work is com-
pleted. The decoration will be on
Thursday. Everyone meet in
the Baptist church, at 2:30 p. m.,
and be in the procession from
there to the cemetery.

Death of W. H. Anderson.

Mr. Will Anderson, aged 63
years, died at Asheville last Sat-
urday morning and his remains
were brought to his home in
Burnsville for burial last Sun-
day. The funeral services being
conducted by the Masonic frater-
nity, of which order he was a
member. Mr. Anderson returned
ten days before his death appar-
ently in better health than he had
been for some time. While stop-
ping at Asheville for a few days,
on his way home, he developed an
acute case of appendicitis
which required an operation. He
died as the result of the opera-
tion after lingering for perhaps a
day and half. Mr. Anderson had
many friends in this section who
will regret to learn of his death.

We Pay No Income Tax

Ordinarily this wouldn't be a
matter to boast of, but we are
proud of the distinction, because

We Sell Groceries
at Such Small Profit

Every man should, in this crisis, do his "bit" to for-
ward the cause. We are doing out "bit" by selling our
friends and customers the best Groceries at the VERY
LOWEST PRICES FOR WHICH THEY CAN BE
HANDLED.

This policy may deprive us of some luxuries, and cut
the Government out of a little tax that it would receive if
we were selling at the usual profits. But it will enable
you to meet your obligations and perhaps save enough to
buy some lands or certificates.

Don't be humbugged and think you have to pay just
any old price because it is asked. Come to the store
that guarantees to treat you RIGHT.

The Supremacy of
Peruna as a
Household Remedy
44 Years of Leadership

Returned to His Work.

Mr. John G. Gentry, Greenville, S. C.,
suffered with catarrh of the stomach.
He did not know what his trouble was.
He was unable to work. Could hardly
eat anything. After taking Peruna a
short time he is now in perfect health.
He says: "I am now doing all my
work. I am confident that my cure
is permanent. After taking Peruna
all my ailments have vanished."

Every Change of Weather.

Mr. E. Arnold, Westley, R. I., con-
tracted a severe cold. The cold set-
tled in his nose and produced a condi-
tion that was thought to be pharyn-
gitis. Every change of weather would cause a
return of his trouble. After taking Per-
una all his ailments have vanished.

Pain in the Stomach.

Mr. Henry Karch, Box 20, 1118
S. Vista Ave., Jacksonville, Fla., writes:
"I wrote you about four weeks ago
that I had a pain in my stomach. I
followed your advice, and used three
bottles of your Peruna, and I am all
right now. I am very thankful for
your advice and your medicine."

A Household Restored.

Mrs. E. Miller, 221 East Ave., East
Greenville, S. C., writes: "I was once a chronic
invalid. Four different doctors had
consulted without avail. At last I
tried Peruna. After taking one bottle
I was able to get up and about. After
taking three bottles I was entirely
restored."

Expresses Her Gratitude.

Mrs. Samuel Pugh, 221 East Ave.,
East Greenville, S. C., writes: "I was
once a chronic invalid. After taking
Peruna I was able to get up and about.
After taking three bottles I was en-
tirely restored. I am very thankful for
your advice and your medicine."

Three substantial men, heads of families, made efficient
once more by Peruna. Three households restored to their
families. These are only samples of what Peruna is doing
every day, everywhere. Surely, this is a splendid work.
Anything that conserves family life and makes the home
more desirable and comfortable, nourishes the heart of
civilization. Peruna is a great civilization.
