### Break Your Chains of Misery

Rheumatism, lumbago, kidney trouble and other such ailments are like chains and shackles that bind you down. They destroy your wage-earning power, make you feel and act years older than you really are, and keep you in misery. And these ailments grow steadily worse. They finally become dangerous.

Yet you can break these chains of misery! Just remember that these ills are caused by impure blood—blood that does not contain enough iron. Without iron, your blood cannot throw the poisons out of your body. Instead, it keeps on gathering and circulating these poisons through your system. This is why you should begin at once to take Acid Iron Mineral. This amazing iron tonic is Nature's own product. Physicians and scientists have been unable to duplicate it. Unlike any other mineral iron—it is quickly absorbed into your blood, and gives it strength to throw off impurities which cause your bad health. It is positively guaranteed.
