SPORTSMANSHIP

Now that the basket ball season is over and we have said, "Well done," to all the players and settled down to resume our studies, let us think over the past games and ask ourselves if we, in the grandstands, did our parts as good sports should. Were we courteous to visiting teams and did we treat them as guests? Did we make a bad impression on the minds of our visitors by yelling "catty" saying at the opposing team? Did we, when defeated, lose our self-control and shout, "Unfair! the referee called the game in favor of the other team?"

We, as good sports, should have been able to take defeat as well as victory. We hope that we did not make excuses for our opponents. Did we, as winners, boast of our winning; get over-confident and forget the feelings of the other team?

We also say, "Well done," to the cheerleaders for their commendable work during the past season. Did we, who are responsible for their position, support them in the yells, or did we leave them singing a duet?

We thank the students of Burnsville High for keeping up the sports tradition of our school. Indeed, we have had splendid cooperation from them all.

A famous sports-writer once said, "If you can't learn self-control, fair play, and clean sportsmanship, try solitary, where you can fight and cheat the dummy." This applies to the students as well as to the players.

Teacher: (to a noisy class) I've told you twenty times to keep quiet. Now don't let me have to tell you the second time.
