Hurry!
Hurry!
Hurry!

THE END of September is in sight. And the end of September brings us close to the end of the 3rd War Loan drive.

If you haven't bought \$100 worth of extra War Bonds—extra, mind you—dig up that money and buy your share today!

Men who are fighting for you... bleeding for you... ready to die for you... are waiting for the news that you people at home are backing them up 100%.

They know what invasion costs in blood and lives. They know, too, what it costs in equipment, munitions, supplies, that must reach the front in a never-ending stream. And they're counting on you for the money that goes to keep that stream flowing.

No matter what you have to sacrifice... no matter how much it pinches... you cannot let them down!

They're calling on you to hurry, hurry, hurry! Get that \$100 extra into War Bonds before the drive is over.
