## THE CHILDREN'S HOUR

THE CHILDREN'S HOUR featured a special story for those pre-schoolers who will be attending school for the first time this fall. *Will I Have A Friend?* by Miriam Cohen was read by Mrs. Elaine Reed. In the story Jim finds a little friend to share his special times with.

The song, "Tommy Thumb" was taught to the children as the English nursery children sing it. Mrs. Elaine shared her recent summer school experience with the children; telling them some of the things the little children in England do for story hour.

The game "What's in the Bag" was played by all. The children were delighted with the marionette Pinocchio that appeared at the end of the game. The filmstrip Pinocchio was shown to the children.

The following attended the CHILDREN'S HOUR on Monday at Yancey County Public Library: Ricky Croust, Pam McGal-Iard, Crystal Davis, Chris Autrey, Jeffrey Autrey, Becky Loftis, Chris Fender, Tanya Peacock, Julie Peacock, Angie, Jeff, Shannon Warren, Donnie, Gregory Moore, Randy Rose, Jerry Rose, Eddie Rose, Angie Riddle, Royce Chrisawn, Steve Robinson, Lou Ann Robinson, Curtis Hughes, Norma McCurry, John Kegley, Christopher Mc-Peters.

## JESSE HELMS: A CITIZEN-SENATOR

"Jesse Helms is not one of your back-slapping, hand-wringing, affable garden variety political office seekers." — *Virginian Pilot* 7/2/72

A few years back, Jesse Helms was elected President of the Raleigh Rotary Club, the oldest and second largest civic club in North Carolina.

He didn't sit back and glory in it. He set about to challenge the club with a series of new programs — like one to raise money for a boys' home. That year, the club had the highest attendance in its history and won a district award for new members.

That's Jesse Helms — working to get things done. And that's why the Freedoms Foundation gave him two awards, and why the Raleigh Exchange Club gave him its Golden Deeds award, and why the Southern Baptist Convention gave him its national award for Service to Mankind.

All his life, Jesse Helms has worked to make things better than he found them. And that's why we need to send him to the United States Senate.

YES, I believe in Jesse Helms and I want to help elect him as our Citizen-Senator. I'm enclosing my contribution of:
