Join United Way Kickoff Girl Scouts Meet

Cadette Girl Scout Troop 65 met on September 28th at the Yancey Library. Mrs. Patti McCall's needlepoint exhibit provided the setting for instructions in needlepoint by Mrs. McCall and Mrs. Georgia Cannon, leaders. Donna Braithwaite served refreshments as the Cadettes assembled for the meeting.

Mrs. McCall answered questions about her needlepoint designs and showed the girls examples of Chinese, Philippine, and Mexican needlework. Then the girls had an opportunity to try designing and working with needlepoint canvas and plastic. This is part of the Textile Arts badge for Cadettes.

Donna Braithwaite, Sharon McClure, Tanis Wilson, Bee Young, Lisa Shepherd, Kim and Sharon Yuziuk, Joy Bennett, Leanne McCurry

and Alecia Lee attended this meeting at Yancey Library. These girls were reminded of the N.C. Dancers' Rehearsal and were invited to participate in the October 1 United Way Kickoff.

The following adults have registered with Cadette Troop 65 forming a Troop Committee: Mrs. Peggy Shepherd, Chairman; Mrs. Louise McClure, Mrs. Eloise Williams, Troop Consultants; and leaders, Mrs. Cannon and Mrs. McCall. Thirteen girls registered as Cadettes.

Donna Braithwaite, Brenda Williams, and Bee Young represented the troop at the United Way kickoff on Saturday. Joining them were Joan Styles, Tammy Woody and Shawn Boone of Junior Troop 488. Troop flags and posters were on display.

After the ceremony on the

square these girls distributed United Way posters.

Cadettes will have an important business meeting Wednesday, October 5, at their regular meeting place, Burnsville Catholic Church.

Parents Invited To School Lunch

Yancey County will observe National School Lunch Week during the week of October 9-15, 1977. This special week has been set aside by Congress in recognition of the importance of school lunches as an educational, health and economic force across the country. It is an annual occurrence the second week in October.

During this time we give recognition to School Food Service; we solicit community cooperation and understanding and encourage Nutrition Education activities. Involvement is the key.

All parents and school officials are cordially invited to all Yancey County Schools on Wednesday, October 12, 1977 for lunch. Please contact the school principal 3 or 4 days in advance if you plan on eating lunch. The lunchroom employees will need to know how many to plan for as they will have to prepare extra food. The "Universal Menu" on that day will be as follows:

Lasagna da Vinci
Coliseum Broccoli Salad
Sunny Italy Fruit Surprise
Gondola Garlic Bread
Mama Mia Milk
The North Carolina School Food Service is a division within the North Carolina Department of Public Instruction, charged with the responsibility of administering food services in our schools. It must offer nutritionally adequate lunches on a non-profit basis, nutritious breakfasts, free and reduced price meals for children as needed; and it must also offer learning experiences concerning nutrition, food habits, and social graces.

Adopting the theme that a "hungry child cannot learn", recent Federal Legislation is designed to eliminate hunger from the classroom. The intent of this legislation is to assume financial support from state and local governments. Yancey County parents, as well as people all over the nation, can assist with the objectives of the School Lunch Program by knowing program needs, encouraging your child to eat at school each day, by assisting with improvements in the local program, and by supporting State and National Legislation to aid School Food Service.
