# SUNDAY IS A HOLIDAY AND A HOLY DAY

## DISCOVERY

Maybe it seems odd to think that anyone has to "discover" the Bible. Yet stop and think how few of us really know this Book of books.

Time was when families read the Bible together, and most youngsters could quote their Scriptures. Biblical allusions were commonplace and understood by one and all.

Then somehow, over the years, a lot of people forgot about the Bible. Or they reserved it exclusively for Sundays in church.

Now, there is a great and blessed resurgence of Bible reading in our land—thanks to the great work of the American Bible Society. Youngsters like these are learning new truths for themselves. They are putting God's word not just into Sunday, but into every day.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
