

**Miss Glenda Taylor Weds Donald Helton**  
 The marriage of Miss Glenda Taylor and Donald Keith Helton was solemnized Thursday, November 23, 1961 at 4 p.m. in the Friendship Baptist parsonage.  
 The bride is the daughter of Mr. and Mrs. Don Taylor of Route 4, Murphy. The bridegroom is the son of Mr. and Mrs. Edgar Helton of Route 1, Copperhill, Tennessee.  
 The double-ring ceremony was performed by the Rev. Arvel Crawford, in the presence of the immediate families and close friends.  
 The bride wore a white wool suit and black accessories. Her corsage was of red rosebuds.  
 The bride is a graduate of Hiwassee Dam School and is employed at the Citizens Bank & Trust Company in Murphy. The bridegroom is also a graduate of Hiwassee Dam School and is now enrolled in a correspondence electronics course.  
 After a short wedding trip through the Great Smoky Mountains, the couple is now residing at East Avenue in Murphy, North Carolina. A shower honoring Mrs. Helton was given Friday evening at the home of Mrs. Guy McNabb.  
 A color scheme of pink and white was carried out in the table decorations. Gifts were placed underneath a pink crepe paper umbrella on a

 table overlaid with a linen damask cloth.  
 A corsage made up of small household items was pinned on the bride.  
 Mrs. McNabb, Mrs. Lyle Carringer, Miss Sarah McNabb, Miss Nancy Hawkins, and Miss Jackie McNabb were co-hostesses for the event.  
 Games were played, after which the honoree opened many beautiful gifts. Refreshments of bridal cake, punch, mints and nuts were served to approximately 30 guests.

**HOTTEST NOVEMBER IN FORD HISTORY!**  
**And here's what started the heat wave!**

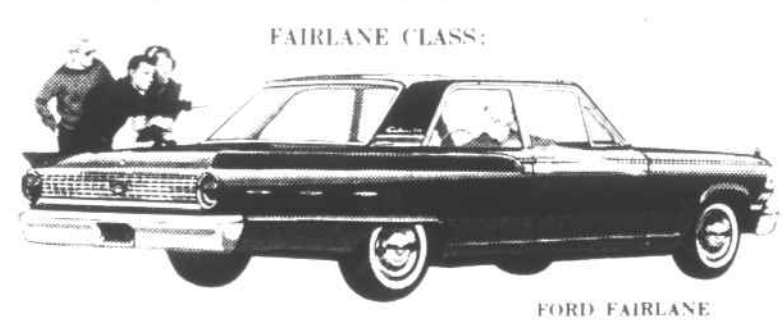

Last month more Americans bought Fords than in any November in history. The blazing success of the long Ford line was end-to-end, all across the country and up and down it, too. Everywhere the people flocked to their Ford Dealers and bought smart new Falcons, and the new Falcon Squire, the glittering swift Galaxies, the famous Ford Station Wagons and the hot Thunderbirds. And they poured in to see and buy up the brand-new Fairlanes just introduced. There are four magic reasons why behind the smashing success of the long Ford line for 1962. First of all is utterly modern styling, the fresh crisp lines that are now being so widely copied by other car-makers, the smart look that dominates the industry. Second is absolute power in eleven kinds of engines, giving you anything you could want in engine

options. Third is total economy—every Ford model is priced directly at your pocketbook, and every Ford, large, medium or small, gives you gasoline mileage outstanding in its class. Fourth is the service-saving concept—every Ford car is built to cut down maintenance worries and problems, with service-saving features other cars may have some day. Ford leadership from Falcons to Thunderbirds is founded on trend-setting innovations... The hot ideas come from Ford. And at the heart of Ford success is an almost revolutionary new concept of quality... most serious and direct concern with the actual part-by-part quality. For the hot trends in the hot cars, for a new experience in quality, and for the best buys on the American Road, see your Ford Dealer.

**NOW THERE ARE FOUR CLASSES OF CARS ... AND ONLY FORD HAS ALL FOUR!**

**COMPACT CLASS: FORD FALCON**  
 This class includes cars that are compact, economical. Most popular by far in million-dollar sales. Ford Falcon is America's lowest priced 4-door sedan, and is a car rated for Sixty or Eighty in last spring's Motor magazine. Buy a Falcon and you have a choice of 13 models including the Falcon and new Falcon Squire wagon.

**FAIRLANE CLASS: FORD FAIRLANE**  
 The Ford Fairlane is the first member of a new class which combines the advantages of both compact and big cars... you get big car room, ride and performance... compact savings and maneuverability. Priced below many compacts, Fairlane even rivals some in gas economy. Has two-year maintenance introduced by the Galaxy.

**FULL-SIZE CLASS: GALAXIE BY FORD**  
 The class for families who want big car comfort, performance and prestige. Value leader is the Ford Galaxie, which has every essential feature of far costlier fine cars. With the optional Thunderbolt 390 V-8 engine, a Galaxie will outperform America's most expensive luxury cars. Requires servicing only twice a year, or every 10,000 miles.

**LUXURY CLASS: FORD THUNDERBIRD**  
 The top class cars for people who want the very finest. First of the trim-size luxury cars, the 4-passenger Thunderbird is the most distinctive car in this class. Its styling set the trend for an entire generation of cars and now finds a new elegance in the Landau. And Thunderbird's performance is just this side of flight.

**Secretary Suffers Gun Shot Wound**  
 A young Murphy legal secretary Louzine Jenkins, 21, of Culberson, Rt. 2, suffered a gun shot wound from a .22 caliber rifle Thursday, Nov. 30. The incident took place about 20 yards off McClellan Street in a wooded area.  
 After the shooting, Miss Jenkins walked across the street to the home of Chester L. Dodson and asked for help. According to Mrs. Dodson, Miss Jenkins sat down on the front porch and waited for the ambulance to arrive.  
 Miss Jenkins was taken to a Murphy hospital where she is recovering.  
 A law enforcement officer said the wound appeared to be self-inflicted.
