SUNDAY IS A HOLIDAY AND A HOLY DAY

In all kinds of weather...

How many times have we walked to church in the snow together... and in the rain... and in all kinds of weather?

I don't think we've ever stayed home on a Sunday because we were afraid we might get our feet wet. To me, this would be like answering a dinner invitation by saying you couldn't make it unless the sun were shining.

The Church, after all is God's House, and in it I've always felt that I was both a member of the household, and an invited guest.

In this House, you and I have found not only a deeper understanding of each other, but the ability to be tolerant of faults, to forgive and forget smaller angers, and — most important of all — to resolve to try again tomorrow. And this is but a small part of all the Church has given us, and of all that it stands ready to give everyone, everywhere.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
