

Shimmy, Hard Steering Are Signs of Tire Waste

Yes, Shimmy and Hard Steering are annoying, but that's not all. They are the tell-tale signs of mis-aligned and unbalanced wheels—two conditions that will rob you of thousands of miles of good tire wear.

Don't wait until your tires are ruined or you have an accident. COME IN TODAY FOR AN INSPECTION

SUNDAY IS A HOLIDAY AND A HOLY DAY

The first step is a thrilling moment! An exciting new world is opening up for David. Soon he will be able to chase a butterfly, explore the old apple tree, play with Tommy and Mary next door.

The first step is the hardest. David needs the encouragement of Daddy's waiting arms. The second step will be easier. Soon David will be skipping about like a lamb.

The first step to Sunday School and church will be another thrilling moment in David's life. This first step will be hard for a shy little boy. David will need the encouragement of Mommy and Daddy. Soon he will be asking to go to Sunday School.

An exciting new world of religious discovery is waiting for your children when they take their first step to church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
