

# BIBLE QUESTIONS & ANSWERS

BY TOM LEDBETTER  
Andrews Church of Christ

Question: Is the Church of Christ a new religious organization?

Answer: No, the church is almost 2,000 years old. It was prophesied to come during the days of the Roman kings (Dan. 2), and would come in Jerusalem (Isa. 2:3).

Christ said He would set up his kingdom on Church (Mt. 16:18), and it would come with power (Mk. 9:1). We know that the power came on the day of Pentecost (Acts 2:1-5), and after this time the Church is in existence (Acts 2:47).

Any religious organization that did not start with the Jews in the city of Jerusalem on the day of Pentecost cannot be the Church of Christ.

# Texana PTA Lists Most Urgent Needs

The Texana P-TA held its regular monthly meeting Wednesday, Nov. 7, at the school. The program was devoted to listing the needs of the school and methods of obtaining the needed items.

The P-TA with Mrs. Jean Bennett, president; Mrs. Sadie Kincaid, vice-president; Mrs. Grace Mauldin, secretary; Mrs. Ira Herroon, assistant secretary; and Miss Emma Cline, treasurer, made a study of the needs of the Texana school. The group has met on several occasions to discuss fund projects to help pay the cost of some of the items.

At the meeting last week, the following list of equipment was compiled. Mrs. Bennett said that at present the P-TA is not financially able to get all the items the group feels is needed.

Among the items that were listed as the most urgently needed are science equipment. At present, the science equipment at the school consists of

a broken microscope and a few test tubes, according to Mrs. Bennett.

Another important need is a more modern heating system. The classrooms are heated by a pot-bellied stove. In the first and second grades it is hard for the students to read to these stoves. Mrs. Bennett added that the janitor is not on duty during school hours to tend the stoves.

A third important need is in the music classes. The P-TA feels that records should be available to be used with the music books.

The remainder of the lists as follows: three blackboards, proper lighting throughout the building, wall maps and globes, art prints, window shades or blinds, seating equipment needs repairs, new flooring, dictionaries, encyclopedias, breezeway to bathrooms, repairs to fire escape, move dump yard, close the street in the playground area, enforce the speed limit during school hours, separate drinking fountains from wash basins, place mirrors in bathrooms, and sufficient number of textbooks for students.

The question was also raised at the meeting about where to obtain athletic equipment for the physical education classes.

TWO MURPHY MEN are shown above with a Russian wild boar killed recently by Creed Radford of the Suit Community, while on Claude Patterson's hunt on Santeedah. W. A. Singleton, left, and Paul Ledford, along with W. T. Brown, Leon Kimsey, Verlin Reese, Everett English, James Stewart, L. L. Mason, Jim Ed Hughes, Roy Garrett, Wayne and Kenneth Patterson, took part in a two-day hunt. Kills were made by Radford, Jim Ed Hughes, and Roy Garrett. Two excellent packs of hunting dogs were used on the hunt. The dogs, belonging to the Radford boys and Garrett, killed one boar before the hunters could get to it.

### Suggestions For Winter Menus

By Thelma M. Wheeler  
Cherokee County Home Economics Agent  
With colder weather apparently here to stay for a while, more homemakers will be interested in preparing dishes that are associated with winter menus. For example, hot breads and desserts are popular and the recipes I would like to share with you can be made with a minimum of effort.

These recipes from the files of Mrs. Luke Ellis of Andrews are tops!

**CRANBERRY WHEAT GERM BREAD**  
2 cups sifted enriched flour; 1 cup sugar; 2 teaspoons baking powder, 1/2 teaspoon soda; 1 1/2 teaspoons salt; 1 cup halved raw cranberries; 1/2 cup chopped pecans; 1/2 cup wheat germ; 3 tablespoons grated orange peel; 1 egg, slightly beaten; 1/2 cup orange juice; 1/4 cup warm water; 2 tablespoons salad oil. Mix and sift flour, sugar, baking powder, soda and salt. Stir in cranberry halves, pecans, wheat germ and orange peel. Combine egg, orange juice, water and oil. Add to flour mixture; stir just enough to moisten ingredients. Spoon into greased loaf pan, 9x5x3 inches. Bake at 350 F for 50-60 minutes, or until done. Cool in pan 5 minutes; remove from pan and finish cooling on rack.

**DATE PUDDING**  
2 cups dark brown sugar; 3 1/2 cups water; 4 tablespoons of butter. Combine and simmer together for 10 minutes. Measure and mix these dry ingredients: 1/2 cup brown sugar (packed); 4 teaspoons baking powder; 2 cups plus 2 tablespoons flour. Cut in 2 tablespoons butter, add 1 cup chopped dates, 2/3 cup chopped nuts and 1 cup milk. Mix thoroughly and drop (like dumplings) by spoonful into hot syrup. Do not stir. Bake 1/2 hour in 350 F oven. Serve with whipped cream or hard sauce. (Serves 12.)

Here's a recipe for Bean Salad shared by Miss Kate Hayes that rates a blue ribbon: 1 can wax beans (#2), 1 can green beans (#2), 1 can red beans (#2), 1 chopped medium green pepper, 1 chopped onion. Drain well and mix. Dressing: 1 teaspoon salt, 3/4 cup sugar, 1/2 teaspoon pepper, 2/3 cup apple vinegar, 1/3 cup salad oil. Stir well until blended. Marinate over night. Drain before serving on salad greens.

# APPRECIATION...

To my many Democrat and Republican friends for hard work in helping me to succeed in the campaign for Commissioner. Without your help this would not have been possible.

Let me assure you that I will do the very best to fill this office.

Thank you, ladies and gentlemen, for your untiring help.
