COLEMAN APPLIANCE

Handling Frigidaire Products Since 1930

For Over Thirty-Four Years

MAUNEY DRUG CO.

Has Supplied Their Customers With Fine Service

History . . .

Walter McCombs Mauney was born in Cherokee County in the year 1902. He graduated from the University of North Carolina in 1924, at the age of 22. He came back to Murphy, and went to work at Parker Drug Store. While there he married Elizabeth Ford, in November 1928. He worked at Parker's for eight years and then purchased The Mauney Drug Company in May, 1930.

He was in business six months when the Murphy Bank closed. He took in seventeen dollars the day the bank closed and had loaned all the money he had in his pocket to friends. After hurdling this hardship his business thrived, as the TVA moved into Murphy and he worked from 6 a.m. until 10 or 11 o'clock at night.

Mr. Mauney has been active in politics for years, has served on Town Board of Murphy, Cherokee County school board, County Health board. He has been a member of the Cherokee Masonic Lodge, and was a key member of the Murphy Lions Club for years.

He served as Chairman for the five surrounding counties, in the first polio drive Murphy ever had. It was when President Roosevelt was first elected President. Mrs. Mauney helped him and they drove to Copperhill, Tennessee, Young Harris, Georgia and Robbinsville and Franklin, North Carolina, selling tickets for the ball which climaxed the drive. It was held at the Regal Hotel on President Roosevelt's birthday and was called the President's Ball. For years following the first drive, Mr. Mauney was chairman for the Polio drive in this county.

The Mauney's have three children, Mrs. Jean Greene of Jacksonville, Florida, Harry of Murphy and Walter Ford Mauney, M.D.

who is serving in the Armed Forces, Honolulu, Hawaii.

Mr. Mauney was active in his store until 1961 when a heart attack forced him to remain at home. Duke Whitley who has been with Mr. Mauney for years then took over and ran the store with Mr. Mauney's guidance until 1964, when Mr. Mauney's son, Harry, who had operated a drug store at Hayesville, took over the management.

Harry is married to Betty Puckett of Farmington, Missouri. They have one daughter, Nancy, who is in the eighth grade at Murphy School. Harry attended Baylor Military Academy prior to attending the University of North Carolina, where he graduated from Pharmacy School.

Mr. Mauney's employees, who have been with him for a number of years, speak highly for him as an employer. Mr. Whitley has been with Mr. Mauney so long that many people call him Mr. Mauney and some think he owns the store. He is married to Edna Patton and they have two daughters, Jane, who is a senior at Murphy, and Lynn, who is a senior at the University of North Carolina.

Lois Mallonee worked for Mr. Mauney when she was in high school and has worked regular for four years, and now she has a boy who is a senior in high school.

Nancy Decker and Harley Kincaid have both been employed by Mr. Mauney for ten years and Hazel Carringer has worked for five years. Doris Pack has recently begun working.

All of these employees will put in a good word for Walter McCombs Mauney anytime they get a chance, as they all know of the many good things he has done for people, without ever asking for repayment. They have also found working under Harry Mauney that he has a lot of the fine traits of his father.
