EDITORIAL

Depends Upon Registration

For years, interested citizens of Murphy have been trying to get something started that would make it possible for the people of Cherokee County to receive some special vocational training that would help our people secure better paying jobs.

Mr. Holland McSwain, Superintendent of Murphy Public Schools, has announced that some definite plans have been made to offer courses that are needed in our country.

The number of persons registering for these various courses (see list below) will determine whether or not certain courses will be offered.

It is our hope that enough people will register so that it will be possible to offer every course listed.

Registration times on Tuesday, October 6 are: 9:00 to 12:00 a.m., 2:00 to 5:00 p.m. and 7:00 to 9:00 p.m. at the Murphy High School Library.

A small tuition for a complete course of one year or longer will be made. However there is no tuition for short courses.

More specific information will be available on day of pre-registration, Tuesday, October 6.
HOW ABOUT YOU? WILL YOU REGISTER?
