

**DR. JACK NEWTON BEHRMAN**, an authority on international economics, joined the U. S. Department of Commerce in March, 1961, as deputy assistant secretary. Eight months later he was named Assistant Secretary for International Affairs and subsequently became Assistant Secretary for Domestic and International Business. Behrman was born in Waco, Texas and received degrees from Davidson College, N. C.; the University of North Carolina, and Princeton University. Before joining Commerce, he was professor of economics and business administration at the University of Delaware. Dr. Behrman resigned effective September 1, to return to the academic life. He will become professor of international economics in the University of North Carolina School of Business. In accepting his resignation, President Johnson stated, "I appreciate the service you have rendered to the Department and the contribution you have made to our over-all program of international trade." Behrman is the son of Mayes Behrman of Brasstown and the late Marguerite Newton Behrman. His wife is the former Louise Sims of Auburn, Ala. The Behrmans have three children, Douglas, 17, Gayle, 14, and Andrea, 10.

## Murphy Agriculture Boys Win Land Judging Contest

**HAYESVILLE** -- Murphy High School Vocational Agriculture students took first honors in the Nantahala Federation Land Judging contest held at Hayesville on Monday October 19.

The winners were coached by R. W. H. Ramsey, teacher in the Vocational Agriculture Department in the local high school. Runner-up in the contest was Franklin High School.

By winning out over contestants from six other schools in the District, the boys will compete in a State-wide contest to be held next Spring in the Piedmont section of North Carolina.

The boys participating in

## MHS Is Host For College Day

**MURPHY** - On October 19, Murphy again served as the center for College Day.

Participating in the activities were students from Hayesville, Hiwassee Dam, Andrews, and Murphy, with Murphy High School serving as host to the visiting High Schools and 32 college representatives.

The first College Day was organized with only a few colleges in the fall of 1953 by Mrs. R. S. Bault, who has worked consistently for its improvement until now 32 colleges from North Carolina and Georgia are represented.

Mrs. Bault was a member of the "High School - College Relations Committee of the N. C. College Conference" from 1958-1962.

The purpose of College Day is to allow the juniors and seniors in High School to meet representatives from the college of their choice and have questions answered pertaining to the college and college life.

Although the purpose is not to solicit students or promote a college, many representatives have stated that they prefer talking to juniors because juniors are for the most part still shopping for a college. This affords the junior an opportunity to compare and make up his mind.

With the ever increasing enrollment in colleges, it has become necessary for the potential college student to decide and apply to the college of his choice at an early date.

Although an interview on College Day is not a qualification for admission, it does afford personal communication which might otherwise be obtained only at the expense of the student.

Activities began at 1:00 p.m. in the Murphy High School gymnasium and continued until 3:00 p.m.

Dr. Jerry Hall of Raleigh spent Monday here with his parents, Mr. and Mrs. J.L. Hall.

Dr. and Mrs. W. A. Hoover spent Friday and Saturday with their children, Mr. and Mrs. Lonnie Hoover, Mr. and Mrs. G. G. Haney, Jr., and son, Mark of Winston-Salem. Lonnie is in his second year law school at Wake Forest College and Mrs. Haney is a junior at Wake Forest College. They were accompanied home by Dr. Hoover's mother, Mrs. J. W. Hoover of Lincolnton, who will visit with them for several days.

Miss Cassie Johnson of Asheville has returned to her home after spending the past week with her sisters, Mrs. Mamie Arnold and Mrs. E. C. Moore and other relatives.

Mrs. F. C. Bourne, Sr., spent Wednesday in Atlanta, Ga.

Miss Shirley Lovingood of Grady Hospital, Atlanta, Ga., spent the week end here with her parents.

Mrs. Wooten, registrar of Nursing at Grady Hospital, Atlanta, spent Monday here for College Day at Murphy High School.

Mrs. Herman Edwards, Intermediate Sunday School class of First Baptist Church is using as a program visitation. They are to visit weekly girls between the ages of 15 and 16.

Mr. and Mrs. Wayne Daugherty and Mrs. Cliff Elliott spent Monday and Tuesday in Dalton, Ga.

Mr. and Mrs. Bob Eckard and son, Robin of Atlanta, spent the week-end here with her parents, Mr. and Mrs. Tom Palmer.

## Murphy Wins Over Andrews In High School Bowl

**MURPHY** - On October 20, the High School College Bowl was held in the gymnasium at Murphy High School. The two competing teams were made up of the top four seniors from each school with the highest scholastic rating.

Representing Andrews High School were Marilyn Ellis, David Slagle, Dexter Grindstaff, and Terry Marr.

Marilyn Ellis is feature editor of the yearbook and editor of the school paper. She is also in the Beta Club. Her future plans are to attend East Carolina next fall.

David Slagle is football captain, belongs to both the Beta and Journalism Club. He is president of the Presbyterian Youth Fellowship. He also plays basketball and is on the annual staff. David plans to attend Davidson College.

Dexter Grindstaff is on the Student Council and is in the Beta Club. He is in the Journalism Club and serves as the clubs Sports Editor. Dexter plans to attend the University of North Carolina.

Terry Marr is on the Andrews football team, and plays basketball for the Andrews Wildcats. He is in both the Beta and Journalism Club. He serves on the annual staff and is Vice-President of his Senior Class. Terry expects to attend the University of North Carolina next fall.

The four seniors representing Murphy were Robert Smith, Becky Jo Ray, Missy Wilson and Larry Davis.

Robert Smith is President of the Beta Club and Reporter for the Student Council. He plays basketball for the Murphy Bulldogs. He also served as Chief Junior Marshal last year.

Becky Jo Ray is Chief Majorette for the Murphy High School Band. She is in the Beta Club and serves on the staff of the school paper and the annual. Becky Jo was a Junior Marshal and presently serves as a Senior Girl Scout in her community.

Missy Wilson is Secretary of both the Student Council and Beta Club. She was a Junior Marshal and was a History honor student. Missy also is a Senior Girl Scout in her community.

Larry Davis is Vice-President of the Beta Club. Last year he was a Junior Marshal and received the Chemistry Medal for being the top student in his Chemistry class.

Larry received the Biology medal his sophomore year at Murphy.

An alternate was chosen from each school to enter the contest in the absences of a regular contestant.

Dennis Boring was selected from Andrews. Dennis is in both the Beta and the Journalism Club. He serves as Pep Club Secretary and plans to attend the University of North Carolina.

Mary Smith, from Murphy, is Vice-President of the Library Club, and a member of the Beta Club. She is on the staff of the school paper and the annual.

The Murphy and Andrews faculty provided the questions with Mr. Shields acting as narrator for the event.

Two years ago, Randal Shields and Morris Newton, teachers at Murphy, were discussing the possibilities of applying the College Bowl T.V. program to High School. They decided to hold a contest between Mr. Shields' World Geography class and Mr. Newton's Alpha English II class. The students of each class chose four representatives for the program. The High School Bowl was such a success that Mr. Shields and Mr. Newton decided to plan one for the next year.

Last year, Mr. Newton and Mr. Shields, working with the juniors and seniors held the bowl contest in assembly. The top four students with the highest academic rating were chosen to represent each class.

Mr. Newton was master of ceremony for the program, with Mr. Shields in charge of arrangements. Working with the Murphy High School faculty, Mr. Shields secured the questions and other necessary items for the program.

Mr. Newton moved to California this summer to teach. Mr. Shields wanting to continue the High School College Bowl asked the Murphy High School seniors if they would challenge the Andrews High School seniors this year. Andrews accepted the challenge.

The final score of this hour-long program was 470 points for Murphy and 460 points for Andrews.
