MAKE A DATE

To get your event listed in the Philanthropy Journal's monthly calendar.

As you can see, we've recently made some changes in the calendar designed to make it easier to read and use. Items are now listed under three major headings:

- Professional Events - for meetings, seminars and workshops.
- Arts and Culture - for classes, performances and exhibits.
- Fundraising Events - for nonprofit fundraisers.

We will continue to print as many items as space permits in our other listings sections: Results (of fundraising events); People and Organizations, and Grants and Gifts. Items for the listings are due the fifth working day of the month. So if your event is in April, we need information during the first five days of March.

For forms, suggestions or other information about our listings, call (919) 836-2882.
