As HIV and AIDS affect more and more of us, we find that no segment of the community remains untouched. The lives and stories behind the statistics are as diverse as our communities. The AIDS Service Agency (ASA) builds a

The woman reaches me
brandishing a red ribbon pin side out
"Oh, you don't have a Red Ribbon on!
How could you forget?"
To her I am only a target,
a politically incorrect suit.
"I am here to speak to you about
my life, my AIDS.
I live the Red Ribbon every day."
**I AM THE RED RIBBON.
YOU WEAR IT FOR ME.**
