GRANTS

CONTINUED FROM PAGE 16

university's history, helped the campaign reach \$16 million of its \$20 million goal so far.

Guilford College Chemistry Department, Greensboro, has received a variety of analytical laboratory equipment valued at \$6,000 from Stockhausen Incorporated that will be used by students in several laboratory courses.

Lenoir-Rhyne College Department of Nursing, \$4,000 from N.C. Governor's Institute on Alcohol and Substance Abuse, Inc. which will enable nursing department to take part in pilot nursing faculty development program. Grant will be used to train faculty and integrate substance abuse and addiction programming into their courses. College also received \$97,732 from Michael Peeler Fund of the N.C. Synod of the Evangelical Lutheran Church in America in support of its new Sacred Music Program.

Louisburg College, \$200,000 from First Citizens Bank as part of the College's 1995-96 Annual Fund Campaign. First Citizens donated \$100,000 to campaign with understanding if College raised \$200,000 in additional unrestricted dollars before December 1996, the Bank would give another \$100,000. Louisburg met the challenge in August.

Methodist College, Fayetteville, \$300,000 challenge grant from Kresge Foundation of Troy, MI toward construction of addition to Davis Memorial Library. Grant is contingent upon college raising approximately \$1.4 million by December 1, 1997, the amount needed to reach a \$6.5 million goal for college's "Expanding the Vision" capital campaign.

PLAYSPACE, \$25,000 from City of Raleigh for general relocation/expansion purposes; \$25,000 from Wake Medical Center for sponsorship and collaboration in design of Health Area; \$1,000 from Junior Woman's Club of Raleigh to be used for sponsorship of its next Free Family Day.
