ONE of the best ways to protect a life is to keep it out of harm's way. That's why we provide kids a safe place to play, do their homework and simply grow up. You can help us maintain this kind of environment by donating financial help or volunteer time. It can mean a lot to a young life. In fact, it might help save one.

Making a difference in Wake County for 30 years. To help, call 1-919-834-6282.

Glaxo Wellcome Inc. is among the supporters of the Boys & Girls Clubs.
 We urge you to discover this worthy cause along with us.
