Note-The post card, reproduced below, was received by Mr. O. T. Kirby, manager of the two local theatres, in Sept. of last year. Gordon C. Hunter was then in California on business and was evidently having a hard time finding a good show that had not already been in Roxboro. His experience in this connection is now very interesting in connection with the "letter of complaint" that was received by Mr. Kirby week before last.

THIS SIDE FOR MESSAGE

San Francisco, Cal.
Sept. 21, 1936

Dear Teague,

We are having a wonderful time. Tried to see a picture show last night, but all the theatres we went to, except one, were showing pictures that had already been in Roxboro. Even here in California where pictures are made, the service is not as good as you have been giving in Roxboro.
