

**ROXBORO RAMBLER**

NEWS AND VIEWS FROM ROXBORO HIGH SCHOOL

By Misses Elsie Mae Long, Mary Ruth Long And Nancy Stroud.

This was one of the quieter weeks at R. H. S. Looks as if the students are settling down with the weather. About the most exciting event was the game Friday, but that comes later. We went to chapel twice, so we'll start with Tuesday's assembly.

Tuesday morning in the high school auditorium there was a memorial service for Private Sam Fisher, Jr. This service touched all of us more so because we came face to face with the fact that the war hits home.

Gen. John L. Kennedy, who presented the Silver Star was introduced by Lieut. Governor R. L. Harris.

The Glee Club sang "Going Home". Betty Barnette, Susan Brooks, Elizabeth Newell, and Mona Clayton sang "My Buddy."

Thursday morning the Rev. Wesley M. Smith, who was introduced by the Rev. W. C. Martin, spoke on "China". Mr. Smith has been working in China since 1910 and has only four furloughs in all that time.

Mr. Smith was in the hands of the Japanese for many months, but was treated what we would today call good. He is waiting now for it to be possible for him to go back to China.

This week Mrs. Clayton's home-born chose the best boy and girl of the week. Mrs. Clayton said she had so many good ones she didn't really know which one she would choose. But she finally chose Jimmy Warren and Ayles Beavens. Of all the boys

in her room she thought Jimmy had made the most improvement. For the last year or two he had a vacation but this year he hasn't missed a class and is really studying. Keep up the good work, Jimmy.

Ayles is the type of girl whom you can ask to do something and know she will do it well and with a smile.

We said something about Mrs. Crowell's home-room last week and now they are really at work—or have they been at it all the time—Watch them!

Why don't some of the home-rooms get some ideas like Miss Joyner's seventh grade has. She has a box sitting in a corner of her room that everybody drops money into when they can. The money will go toward buying Stamps and Bonds. When they get enough they are going to donate the Bonds to the school. Louise Harris and Patsy Beam thought of this idea and we think it is a very good one.

Our football team played Hillsboro Friday afternoon, there. They beat us 13-0. It was a very clean game and although our boys were defeated they played an excellent game. Kick off was at 2 o'clock. Buck Taylor got a slight leg injury and was forced to leave the game. Sterling Wade hurt his head but refused to stay out. There were only a few people from Roxboro there and only four cheerleaders so we couldn't help the boys out much

Lying on the street ready to be carted away and melted into guns by the Germans are the giant bells of St. Joseph's church in Liege, shown here in a photo smuggled out of Belgium. Despite protests by the Pope and Cardinal Von Roey and resistance by parish priests, Germans have looted the bellfries of Belgium's most famous and historic churches. A bell dating back to 1647 has been taken from the tower of St. John's church in Namur.

**The New Order**

by yelling but they still played a tough game.

We would like to call attention to Mr. Womble. He has acted as coach and attended all the games. He has really given our boys courage.

Next Friday will be a big event for all of us. We play one of our biggest rivals, Bethel Hill. Kick off will be at 3 o'clock. Everybody come. We are expecting a big crowd.

**REV. MARVIN VICK, PERSON MINISTER, PRAISES USO**

(continued from front page) helping to provide those proper surroundings and influences, and urge you to keep up the good work.

Sincerely yours,  
CLEDDITH N. HAYES  
Warrant Officer (j.g.)  
A. U. S.

August 22, 1943  
Somewhere in the Hawaiian Islands

Dear Mr. Hunter:  
Was indeed surprised but very glad to hear from you. I am in the best of health and I trust with the receiving of this letter you are likewise.

You wanted to know if we fellows who are so far from our loved ones, and who appreciate every bit of recreation possible, derive any benefits from the USO. We, meaning the majority of the fellows, think the USO and the Army and Navy Relief Society are without a doubt the greatest morale builders possible. The USO has different units composed of talent from the mainland and native talent that arouses the interest of every soldier, sailor and marine on the island. I assure you that I am for your drive 100 percent and I sincerely hope you go over the top.

Sincerely,  
CPL. MARDELL W. BREEZE

September 8, 1943

Dear Mr. Hunter:  
I've heard reports about how the soldiers have been given dances in Roxboro, and I was told that you are the Chairman for the USO.

I wanted you to know just how much all the soldiers appreciate what the civilians are doing to make our service more enjoyable.

We have three USO's in Sioux Falls, and they are all very nice. A soldier can go in and read, write letters, play all kinds of games, get soft drinks, dance and best of all, there are ladies there who are very nice to us by sewing on our insignias or stripes for us. Dances are given very often and everyone is very friendly to us.

I hope the USO in Roxboro is a great success. I'm sure that it will be too.

Respectfully,  
TOUFIELK AMEEN

**FAMILY COWS**

After Negro Farm Agent M. R. Zachary had been in Wayne County for one month, he delivered a car of bred and springing Jersey heifers from Mississippi to Negro farmers at \$53 per head to be grown into family milk cows.

**CANNING AWARDS TO BE OFFERED TO YOUNG PEOPLE**

**Farm Boys And Girls May Enter Contest.**

North Carolina girl and boy farmers participating in the scholarship program of the National Junior Vegetable Growers Association are eligible to compete for four awards totaling \$100 to be given for outstanding achievement in vegetable canning, it was announced today by L. K. Harrill, State 4-H Club leader, of Raleigh, N. C.

"These awards of \$25 each from a fund provided for the association by the Great Atlantic and Pacific Tea Company should be of particular interest to the much greater number of farm girls working in the program this year," Harrill said, "as almost all of them are canning a part of the harvest."

Boy members as well as girls are being encouraged to create the "extra stockpile of home-canned food" recommended by the Secretary of Agriculture, so as to release more of the commercially-canned produce for war needs.

Prizes will be based upon quantity and quality of vegetables canned this year, and are in addition to the regular scholarship awards on the farm production and marketing program.

**What You Buy With WAR BONDS**

Services

On Sunday morning as you sit in church and see the vacant places in the choir and wonder where the war has taken the young people from your community you may feel certain that they are attending divine services if circumstance permits.

Chaplains and choral leaders are found on the larger ships and even abroad in the Army centers.

Millions of hymnals have been distributed to the men and women of all services and you may rest assured that a portion of the savings you are placing into War Bonds is used for their spiritual welfare.

U. S. Treasury Department

**GRAZING CROPS**

A mixture of small grains, 4 to 5 bushels per acre, and some crimson clover will save high priced feeds and keep the hogs growing, advises E. V. Vestal, Extension swine specialist at N. C. State College.

**COTTON**

Entirely too much green and damp cotton is being hauled to the gins this fall, resulting in losses of from \$4 to \$6 a bale to the farmer, reports Extension Gin Specialist C. L. McCaslan, State College.

**PEACH BORERS**

Peach tree borers can be controlled the first half of October with PDB crystals and any time during October with ethylene dichloride emulsion. Ask your county agent for details of the treatment.

**GOVERNOR ASKS WAR PRISONERS FOR OTHER WORK**

Raleigh, October 14.—Governor Broughton has made a formal request of the War Department for "all the Italian war prisoners that can be spared" to work in the timber and pulpwood industries in North Carolina.

The action by the Governor followed a conference last week attended by representatives of the lumber industry, pulpwood manufacturers, the Manpower Commission, the War Production Board, the forestry division of the Department of Conservation and Development, the State College Extension Service, and the Camp Butler cantonment for war prisoners.

The Governor said that his request for war prisoners is based on a plea by the Federal Government for an increase in the production of pulp and fiber. "This increase cannot be brought about," the Governor said, "without some relief for the manpower shortage, and the only solution we can see is to obtain war prisoners to help us do the work."

The Governor specifically requested that the 1,500 Italian war prisoners harvesting peanuts in Eastern North Carolina be placed at jobs in the lumber industry and that "other war prisoners who may be brought to this State" be permitted to aid in pulp and fiber production.

At yesterday's conference, lumber representatives agreed that lumber production "is off about 40 per cent, due wholly to the shortage of laborers." It was pointed out that total lumber production now is being turned over to the Army and Navy for wartime uses. The lumbermen stated that the industry can use "every available war prisoner."

If the Governor's request is granted by the War Department, those desiring to hire war prisoners will file a request with the nearest U. S. Employment Office, stating the number of prisoners needed and giving a detailed description of the work. The requests will be turned over to Dr. J. S. Dorton, State director of the War Manpower Commission, who will communicate directly with the War Department.

The Governor said that the pre-

**NOTICE RESALE OF VALUABLE FARM.**

Under and by virtue of a decree of the Superior Court of Person County made in that special proceeding entitled J. A. Humphries vs. W. B. Humphries et als, the same being upon the special proceeding docket of said court, I will as commissioner on, SATURDAY, October 23, 1943, at 12:00 o'clock noon at the Court House door in Roxboro, resell for cash at public auction to the highest bidder the following described tract of land, to-wit:

Lying and being in Mt. Tirzah Township, Person County, North Carolina, adjoining the lands of J. T. Newton, B. F. Eakes, John M. Oakley and William Bass, containing 68 acres, more or less. For further reference see deed from C. G. Humphries to C. C. Clayton et als, Book 21, Page 261, Register of Deeds' Office, Person County.

The tobacco acreage allotted to this farm is 5.5 acres plus a 5% increase for 1943. There are two residences located on this farm along with other buildings.

This being a resale the bidding will commence at \$283.75. The purchaser will receive the rents for 1943.

This 8th day of October, 1943. R. B. Dawes, Commissioner. Oct. 14-21-22.

**Mrs. Tucker Has Study Club At Her Residence**

Mrs. Ralph Tucker as hostess, entertained the Study club last week at her home, where Mesdames O. B. McBr. and E. B. Yancey presented papers dealing with the early history of Roxboro. Mrs. McBroom's talk was concerned with the early period in its relationship to modern

times, while Mrs. Yancey's topic was a discussion of the history of churches and other religious organizations here.

Roll call was a provocative question, "Why I Came To Roxboro?" Light refreshments were served by the hostess, assisted by Mrs. Newton Day. Other members present included Mesdames Edgar Masten, R. A. Whitfield, R. Cliff Hall, R. M. Spencer, Clyde Short, Ralph Cole and T. T. Mitchell.

**HOLSTEIN**

North Carolina Barbara, Holstein cow in the State College herd at Raleigh, has produced 3 times as much milk as the nation's average dairy cow, 14,531 pounds of milk in one year, or 586 pounds of butterfat.

vailing wage of the community of each industry, to be certified by the State Manpower Director, will be paid for labor of war prisoners.
